Bonnen, 1991 Produced by the Social Science Agricultural and Rural Agenda Project this volume comprises papers commissioned for conferences in 1987 and 1988 the agenda and strategy statements developed at the latter conference and later papers commissioned to fill specific gaps The volume is in five parts general introduction introduction to domestic farm agribusiness and consumer work and all international agricultural development work the four driving forces for development three crosscutting concerns and administration and funding Annotation c 2003 Book News Inc Portland OR booknews com **The Annals of the American Academy of Political and Social Science**, 1916 Rethinking U.S. World Power Daniel Bessner, Michael Brenes, 2024-03-06 Since the late 1990s diplomatic historians have emphasized the importance of international and transnational processes flows and events to the history of the United States in the world Rethinking U S World Power provides an alternative to these scholarly frameworks by assembling a diverse group of historians to explore the impact of the United States and its domestic history on U S foreign relations and world affairs In so doing the collection underlines that even in a global age domestic politics and phenomena were crucial to the history of U S foreign policy and international relations more broadly Quarterly Report, Government Sponsored and Government Supported Research in the Social Sciences National Science Foundation (U.S.), 1954 *The Kansas-Nebraska Cattle Feedlot Industry*, 1970 Integration of Ethical and Social Aspects into Precision Livestock Farming - Achieving Real-World Impact Responsibly Oleksiy Guzhva, Janice Siegford, 2022-02-03 **Proceedings of the Inaugural IESSAH Conference** Bouda Vosough Ahmadi, Jonathan Rushton, Barbara Häslar, George John Gunn, Henk Hogeveen, 2019-12-19 **The Sociology of Food and Agriculture** Michael Carolan, 2016-02-12 In this second edition of The Sociology of Food and Agriculture students are provided with a substantially revised and updated introductory text to this emergent field The book begins with the recent development of agriculture under capitalism and neo liberal regimes and the transformation of

The Rugg Social Science Course: An introduction to American civilization Harold Ordway Rugg,1929 *Feminisms and Ruralities* Barbara Pini,Berit Brandth,Jo Little,2014-12-18

Feminist concern with difference has rarely extended to rurality even if it is now widely recognized that experiences of inequality depend on intersections of several identities in each individual life This lack of concern may reflect the urban background of the majority of feminist academics or at least their urban positionality once in the academy It may equivalently be that feminists have been influenced by stereotypes of rural women as traditional and reactionary and thus seen them as unlikely exponents of gender equality and an unfruitful focus for scholarly energies Perhaps the problem is a broader one that is reflective of the much documented but still apparent unwillingness of many feminists to recognize and address difference in any of its manifestations Regardless even with the recent interest in intersectionality which has necessarily renewed and reenergized debates in feminism about diversity and inclusion the question of how women are differently positioned because of their non metropolitan location has remained largely overlooked

Annual Convention of the Southwestern Political and Social Science Association Southwestern Political and Social Science Association. Convention,1924 Cry from the Cotton Donald Grubbs,2000-07-01

The Southern Tenant Farmers Union was founded in eastern Arkansas in 1934 to protest the New Deal s enrichment of Southern cotton barons at the expense of suffering sharecroppers both black and white Their courageous struggle in the face of determined and often violent

resistance from their landlords is the subject of this thorough study from Donald H Grubbs which was published to critical acclaim in 1971 *Cry from the Cotton* was the first full scale look at the STFU and its leaders It discloses that although the union operated under noticeable socialist party sponsorship in its infancy it drew much more upon the native Southern evangelical and populist traditions much as the civil rights movement would do twenty five years later Grubbs convincingly demonstrates that while the STFU failed to gain immediate social justice for its members it resulted in the formation of the Farm Security Administration which even today continues to aid the rural poor and it played a large part in forcing the formation of the La Follette Civil Liberties Committee whose spotlight on management terrorism helped the CIO toward success The volume stands as a classic on labor issues and class struggle and still echoes with the haunting plea of the dispossessed for equity **University of Southern California Studies.
