**At Home, at School** Frank L. Ryan, Lynne S. Schwab, 1980 *Harcourt Social Studies, Grade K* Harcourt Mifflin Harcourt Publishing Company, Houghton Mifflin Harcourt Publishing Company, Michael J. Berson, Harcourt School Publishers, Tyrone C. Howard, Cinthia Salinas, 2009-02-20 *Scholastic Social Studies: Our world today*, 1981 **Social Studies, Grade K Big Book** Hsp, 2009-02-24 **Windows on Our World**, 1980 **The Social Studies Curriculum E.** Wayne Ross, 2012-02-01 The third edition of The Social Studies Curriculum thoroughly updates the definitive overview of the primary issues teachers face when creating learning experiences for students in social studies By connecting the diverse elements of the social studies curriculum history education civic global and social issues the book offers a unique and critical perspective that separates it from other texts in the field This edition includes new work on race gender sexuality critical multiculturalism visual culture moral deliberation digital technologies teaching democracy and the future of social studies education In an era marked by efforts to standardize curriculum and teaching this book challenges the status quo by arguing that social studies curriculum and teaching should be about uncovering elements that are taken for granted in our everyday experiences and making them the target of inquiry **Our World Community** Marcellus Albertin, Marjorie Brathwaite, 2002 Who are We? Dolores Greco, Lee F. Anderson, 1976 **Social Studies for a Better World** Noreen Naseem Rodríguez, Katy Swalwell, 2025-03-12 Giving young people opportunities to grapple with injustices and complex social problems can inspire them to build a better world In this bestselling book two experienced social studies educators lay out their vision for an elementary social studies education that will help young people find value in learning about the world as they consider how to make their communities more just equitable and healthy Rodríguez and Swalwell unpack the problems that so often characterize the elementary curriculum normalization idealization heroification and dramatization and show how common pitfalls can be replaced with creative solutions This timely second edition discusses increasingly important topics like book bans and the rise of AI provides updated research and resources and includes strategies for teaching anti oppressive social studies even when circumstances are less than ideal Whether you're a classroom teacher methods student or curriculum coordinator this is a book that can transform your understanding of the social studies disciplines and their power to disrupt the narratives that maintain current inequities National Geographic Our World National Geographic Society (U.S.), 2006 Illustrations and maps introduce the geography culture and brief facts of each continent and suggests activities to explore geography in depth **Social Studies for Secondary Schools** Alan J. Singer, 2003-04-02 Social Studies for Secondary Schools Teaching to Learn Learning to Teach Second Edition integrates discussions of educational goals and the nature of history and social studies with practical ideas for organizing social studies curricula units lessons projects and activities A major theme woven throughout the text is that what we choose to teach and the way we teach reflect our broader understanding of society history and the purposes of social studies education Each

chapter opens with a broad question about social studies education provides many examples of lessons including lesson ideas developed by new and experienced middle school and high school social studies teachers features a rich variety of teaching learning and classroom activities designed to provoke discussion and illustrate different approaches to teaching social studies and concludes with essays about related social studies topics Part I focuses on philosophical issues social studies goals and standards and the design of social studies curricula Part II examines and offers examples of strategies for planning units and lessons Part III explores topics such as thematic and interdisciplinary teaching a project approach to social studies as well as assesses student learning and one's own performance as a teacher and provides a guide to social studies resource materials and organizations New in the Second Edition Every chapter has been updated and includes a number of new lesson ideas The lesson ideas are designed especially to help beginning teachers address learning standards work in inclusive settings and promote literacy and the use of technology in social studies classrooms Sample activities developed with members of the Hofstra New Teachers Network reflect the current focus on document based instruction and assessment and can serve as tools for assessing student learning Increased attention is given to project based social studies instruction and to multicultural education Intended as a text for undergraduate and graduate preservice social studies methods courses this text is also useful for in service training programs as a reference for new social studies teachers and as a resource for experienced social studies educators who are engaged in rethinking their teaching practice Compose Our World Alison G. Boardman, Antero Garcia, Bridget Dalton, Joseph L. Polman, 2021 Although there are a few other titles related to project based learning in ELA they are no books that focus specifically on the ways that the design principles of project based learning universal design for learning and social and emotional learning can be used to anchor an ELA curriculum and the learning experiences that students engage in throughout the school year Other PBL books focus almost exclusively on implementing and designing PBL Projects whereas this book centers around a set of design principles that can be used to teach existing projects which we share to create new ones or to create authentic learning experiences that are project enhanced Our book brings PBL to life through classroom vignettes and teacher and student voices Whether you are new to PBL or a PBL veteran this book provides classroom resources that facilitate customization to educator's unique instructional contexts We share ideas for developing teacher communities that hold a space for collaborating around PBL practices and that revitalize teachers and teaching

**Teaching Social Studies in the Early Childhood Classroom** Jean Kirshner, Jenny Pettit, 2025-01-23 This textbook develops early childhood teachers capacity to effectively instruct democratic principles to our youngest citizens As our world experiences political polarization pandemics heightened racial tension and the evolving awareness of gender and LGBTQ issues this textbook addresses those topics as they show up in the early childhood classroom offering research informed practical guidance for pre and in service teachers The book is organized around 12 themes 10 of which are based on the National Council for Social Studies NCSS themes in addition to the anti racist anti bias

curriculum and gender expensive principals from the National Association for the Education of Young Children NAEYC closely following social studies content standards from across the United States The themes covered are culture and cultural diversity history geography identity gender roles and gender identity institutions power and authority economics science and technology global citizenship and civic ideals and practice Throughout each chapter you will come to know 5 early childhood classrooms and including profiles of the teachers students communities These five spaces represent a variety of early childhood teachers different age groups of students and diverse communities and show how the lesson learned in each chapter can be applied in classroom settings This book provides developmentally appropriate ways to teach relevant and current social studies content to our very youngest learners emphasizing the fact that these very children will grow to be the next stewards of our global community
