McRoy, 1990 Social Work Practice with African Americans in Urban Environments Rhonda Wells-Wilbon, 2015-09-08 The experiences of African Americans in urban communities are distinct from those of other ethnic groups and to be truly understood require an in depth appreciation of the interface between micro and macro level factors This sweeping text an outgrowth of a groundbreaking urban social work curriculum focuses exclusively on the African American experience through field education community engagement and practice It presents a framework for urban social work practice that encompasses a deep understanding of the challenges faced by this community From a perspective based on empowerment strengths resilience cultural competence and multiculturalism the book delivers proven strategies for social work practice with the urban African American population It facilitates the development of creative thinking skills and the ability to meet people where they are skills that are often necessary for true transformation to take root The book describes an overarching framework for understanding and practicing urban social work including definitions and theories that have critical implications for working with people in such communities It encompasses the contributions of African American pioneers regarding a response to such challenges as poverty oppression and racism Focusing on the theory practice and policy aspects of urban social work the book examines specific subsets of the urban African American population including children adults families and older adults It addresses the challenges of urban social work in relation to public health health and mental health substance abuse criminal justice and violence prevention Additionally the book discusses how to navigate the urban built environment and the intersection between African Americans and other diverse groups Chapters include outcome measures of effectiveness case studies review questions suggested activities and supplemental readings KEY FEATURES Fills a void in the literature on urban social work practice with African Americans Presents the outgrowth of a renowned urban curriculum field education research community engagement and practice Fulfills the requirements of the CSWE in the Educational Policy and Accreditation Standards regarding diversity Synthesizes micro mezzo and macro content in each chapter Provides contributions from African American pioneers in urban social work practice Accompanying Instructor s Manual and PowerPoint Slides Social Work Practice with Culturally Diverse People Surjit Singh Dhooper, Sharon E Moore, 2000-10-18 The image of society is rapidly changing challenging the social worker to adjust to a more culturally diverse clientele Social workers are dealing with individuals who are from more diverse backgrounds better informed more politically active and more aware of his or her rights How does today s helping professional address the growing gaps in societal needs Social Work Practice with Culturally Diverse People addresses the ambivalent and ambiguous changes in society which have conditioned and constrained the willingness ability and efforts of social workers to provide culturally competent services to those different from mainstream society Dhooper and Moore outline each of the major disadvantaged

groups and give a historical overview highlight the major needs identify intragroup differences and discuss intervention at the micro mezzo and macro levels They discuss how the social worker needs self awareness of his or her own culture to treat clients as culturally equal to them This is an essential text for students entering social work at both the direct and community practice levels Additionally it is an excellent reference for the practitioner dealing with these changes in his or her own practice Reconceptualizing the Strengths and Common Heritage of Black Families Edith M. Freeman, Sadye Louise

Logan, 2004 **The Empowerment Approach to Social Work Practice** Judith A. B. Lee, 2001-03-07 First published in 1994 this book was hailed as a cutting edge theory driven report from the front line trenches in the battle for social justice Both clinical and community oriented and written from a global perspective it presents clients speaking for themselves alongside reports of prominent social work educators This new edition puts greater emphasis on how to skills in working with people toward their own empowerment and stresses multiculturalism A new chapter identifies worldwide issues of oppression such as abuse of women and children and neglect of the mentally ill **Spiritual Diversity in Social Work**

Practice Edward R. Canda, Leola Dyrud Furman, 2010 Weaving together interdisciplinary theory and research as well as the results from a national survey of practitioners the authors describe a spiritually oriented model for practice that places clients challenges and goals within the context of their deepest meanings and highest aspirations Using richly detailed case examples and thought provoking activities this highly accessible text illustrates the professional values and ethical principles that guide spiritually sensitive practice It presents definitions and conceptual models of spirituality and religion draws connections between spiritual diversity and cultural gender and sexual orientation diversity and offers insights from Buddhism Christianity Confucianism Hinduism Indigenous religions Islam Judaism Existentialism and Transpersonal theory Eminently practical it guides professionals in understanding and assessing spiritual development and related mental health issues and outlines techniques that support transformation and resilience such as meditation mindfulness ritual forgiveness and engagement of individual and community based spiritual support systems **Culturally Diverse Populations:**

Reflections from Pioneers in Education and Research Diane De Anda, 2013-10-18 The purpose of this book is to open a discourse on current and pertinent issues related to multicultural populations by the most noted experts and researchers in the field This book offers an overview of the literature on multicultural issues and assesses its approach to the following issues the stereotypic assumptions with regard to filial piety and Asian American populations substance abuse within the Latino community multicultural youth and elders refugee and immigrant populations as well as vulnerable populations such as victims of political and sexual exploitation The aim is to provide a forum for educators in the field to present views regarding important issues for which there is no other venue They are important for educators practitioners and students in the field to consider and discuss These will serve as springboards for such discussion Although references will be cited when appropriate these will be position papers rather than research papers or reviews of the literature This book was based on a

special issue of the Journal of Ethnic and Cultural Diversity in Social Work *Social Work Practice with Survivors of Sex Trafficking and Commercial Sexual Exploitation* Andrea J. Nichols, Tonya Edmond, Erin C. Heil, 2018-04-03 As awareness and identification of sex trafficking and exploitation have grown so has the need for improved social work responses In this volume expert practitioners survivors and researchers model the best practices for working with this population using case examples and illustrative guides Chapters cover the common challenges of working with trafficked and exploited people and how to overcome them including topics like runaway youth trauma bonds system level challenges and resource scarcity Intended as a teaching tool for students or a supplementary manual for organizations this book emphasizes interventions and treatments working with specific populations programmatic design recommendations preventative work and outreach interventions Researchers students and practitioners will find a comprehensive guide to the emerging field of practice with sex trafficking and exploitation survivors **The Black Family** Sadye Logan, 2018-05-04 With numerous selections

designed to reinforce the goal of empowering clients to take charge of their lives this revised and updated second edition of *The Black Family* serves a two fold purpose It extends the small but growing body of strength oriented literature to include African American families and it serves as a natural extension of current texts on African American families to provide social workers and the education community with a broader framework for understanding the needs of Black families Offering both a research orientation and a practice perspective this book should appeal to social work educators and practitioners involved in family services health and mental health settings and child and public welfare **Cultural Diversity and Social Work Practice** Bruce A. Thyer, 2010 The profession of social work has a long and admirable history of attending to issues related to diversity and oppression This new edition continues to examine the disciplinary attention regarding the provision of services to clientele who were most often marginalized by mainstream society By understanding certain aspects of the culture experienced by a client a social worker is better equipped to be of service to assess to plan to cooperate and to intervene The goal of this book is to bridge the gaps and to present to readers in one source a wealth of practice relevant information a

New Arenas for Community Social Work Practice with Urban Youth Melvin Delgado, 2000 This book demonstrates the potential of after school activities ranging from sports to the visual and performing arts and the humanities to transform young lives Case studies of exemplary organizations and innovative communities within urban centers throughout the U S round out the work *Human Behavior Theory* Roberta R. Greene, Nancy Kropf, 2017-07-12 As American society becomes increasingly diverse social workers must use a variety of human behavior frameworks to understand their clients culturally complex concerns This text applies specific human behavior theories to diversity practice They show how human behavior theory can be employed in interventions in the life problems of diverse client populations at the individual group social network and societal levels Several groups are examined They include minority groups ethnic groups women older adults members of certain social classes affected by economic and educational disadvantage especially those living in poverty

people with developmental disabilities people of varying sexual and gender orientations and religious groups Case studies that illustrate social work practice in the area are highlighted The case studies include Social Work Practice within a Diversity Framework The Social Work Interview Symbolic Interactionism Social Work Assessment Meaning and Language Erikson s Eight Stages of Development Role Theory and Social Work Practice A Constructionist Approach Risk Resilience and Resettlement Addressing Diverse Family Forms Small Group Theory Natural Social Networks Power Factors in Social Work Practice This volume will be a fundament resource for practitioners and an essential tool for training *Working with Child Abuse and Neglect* Vernon R. Wiehe, 1996-06-24 How do you intervene in abusive and neglectful families or prevent maltreatment in families at risk How can you find the answers you need in the overwhelming array of information now available on the subject In *Working with Child Abuse and Neglect* author Vernon R Wiehe helps you focus by evaluating a wealth of references to current published literature and pinpointing the practical applications that put these findings into action Condensing the explosion of knowledge about child maltreatment into one provoking yet accessible primer Wiehe first offers a historical perspective on child maltreatment and an assessment of the scope of the problem He also discusses theoretical perspectives for understanding the problem and specific treatment and prevention techniques Information on state and national organizations working in the field illustrates not only the size of the problem but also the mobilized efforts to stem child abuse and neglect As well as a balanced introduction *Working with Child Abuse and Neglect* serves as a springboard to important sources of additional knowledge Ideal for upper division undergraduates as well as graduate students and anyone in the helping professions who is beginning to work with victimized children *Working with Child Abuse and Neglect* provides a sound assessment of the state of the literature and application in this expanding area of study and practice In addition the handy reference value of this volume will appeal in particular to social workers counseling and clinical psychologists and nurses

Human Behavior Theory Roberta Greene, 2017-09-29 In recent years advocates for civil rights for minorities women and gays and lesbians have become more informed consumers of mental health services As a result social work practitioners need to prepare themselves to serve diverse constituencies for who previously held behavioral and cultural assumptions have proven not to be universally applicable The purpose of Greene s book is to help students and practitioners better understand how social workers have used human behavior theories to more competently address variations in group and community membership within the social worker client encounter The book s approach is largely thematic Most of the chapters explore how particular assumptions of a human behavior theory psychoanalytic theory psychodynamic ego psychology theory systems theory behavioral theory symbolic interaction theory feminist theory constructionist theory small group theory and an ecological perspective have been used to answer issues related to cultural diversity The challenges and limitations of each theory s applications across varying client constituencies are discussed throughout What sorts of new conceptual issues for the practitioner of family services are raised in work with minority

families for example or with lesbian families How does a specific theory help or not help in group specific interventions and evaluations Intended as a companion volume to the widely adopted human behavior text by Greene and Ephross Greene s new book fills the need for a wide synthetic reading of the recent literature Encyclopedia of Social Work ,1965

Serving African American Children Sheryl Brissett-Chapman,2018-04-27 Serving African American Children was initiated to present an African American perspective on child welfare issues affecting African American children The chapters in this volume challenge the child welfare community to ensure that all African American children receive protection nurturing and an improved quality of life to create and sustain mutual communication and support through program development to ensure that African American consultants are involved in the evaluation of agencies where African American populations represent a significant proportion of the service population and to increase African American leadership through education and training opportunities in preparation for executive level positions Major chapters and contributors to Serving African American Children include Family Preservation and Support Services A Missed Opportunity for Kinship Care by Julia Danzy and Sondra M Jackson Achieving Same Race Adoptive Placements for African American Children by Ruth G McRoy Zena Oglesby and Helen Grape African American Families and HIV AIDS Caring for Surviving Children by Alma J Carten and Ilene Fennoy A Rite of Passage Approach Designed to Preserve the Families of Substance Abusing African American Women by Vanesta L Poitier Makini Niliwaambieni and Cyprian Lamar Rowe and An Afrocentric Program for African American Males in the Juvenile Justice System by Aminifu R Harvey and Antoinette A Coleman The chapters reflect a variety of policy research and practice issues clinical techniques and treatment models and new perspectives in child welfare The theme that runs throughout each chapter is the grave concern about the overrepresentation of African American children and families in the child welfare system and about the limited if not missing influence of the African American perspective on policy and practice Serving African American Children is a book of vital importance and should be read by all social workers sociologists African American studies specialists and professionals in the field of child welfare Cultural Competence In Assessment And Intervention With Ethnic Minorities: Some Perspectives From Psychology, Social Work and Education Robert G. Malgady,2011 Without a thorough understanding of culture and its nuances on part of the mental health service providers alienation stigma and culturally based impediments rule While concerns for diversity have been raised on numerous occasions with increasing frequency over the past four decades little progress has been made in implementing such concerns in clinical practice Over two thirds of Americans receive treatment for depression anxiety substance abuse and related disorders Comorbidity is rarely diagnosed These trends are greatly exacerbated among members of ethnic cultural and linguistic minority groups the authors contributing to this volume share their clinical acumen and experiences rooted in their evidence based research Their purpose is to bring issues attending assessment and treatment of ethnic minority clientele closer to the fore Some of the leading authors on the topic in psychology and social work present their well earned clinical

and research experiences in this volume Case studies are presented which are instructive and intriguing bringing together the richness of a multidisciplinary approach to the topic

Balancing Family-centered Services and Child Well-being

Elaine Walton, Patricia Sandau-Beckler, Marc Mannes, 2001 With contributions ranging from academic and professional theorists and policy developers to independent social workers this book explores the development of family centered services the processes by which these services are implemented the problems the field now faces and prospects for the future Multi faceted examinations of the field show how family centered services and child well being can be linked on a daily basis to better the lives of both parents and children

Treatment of the Chemically Dependent Homeless Kendon J. Conrad, Cheryl I. Hultman, John S. Lyons, 1993 Develop new programs or improve existing programs with these helpful descriptions of theoretical foundations and practical implementation of innovative projects Treatment of the Chemically Dependent Homeless presents fourteen projects funded by the National Institute on Alcohol Abuse and Alcoholism NIAAA in cooperation with the National Institute on Drug Abuse NIDA that were designed to develop strategies to combat the dual problems of homelessness and substance abuse and then analyze program effectiveness Contributors describe projects occurring in a variety of major cities and focus on the theory behind each program and its practical implementation Treatment professionals seeking new directions for their own programs will benefit from chapters that compare conventional services with new innovative treatments They also demonstrate how the new programs will effectively meet the needs of the target population and fill the gaps where current services fail Treatment of the Chemically Dependent Homeless presents detailed discussions of each program s theoretical foundation design and implementation that will be invaluable to clinicians and researchers needing information about the complex nature of various experimental interventions The book begins by presenting an overview of the background and rules of the NIAAA Cooperative agreement The subsequent chapters follow a logical sequence by concentrating on one or two of the following aspects of program development theory of treatment local political and social milieus special populations outreach strategies relapse and retention issues residential care programs case management transition to independence Doctors nurses psychologists social workers substance abuse counselors and researchers who treat or study the chemically dependent homeless will value this groundbreaking information for studying developing and improving their own treatment programs Teachers who seek to educate their classes regarding state of the art service provision for homeless substance abusers will also find this an essential resource for innovative ideas and practical examples of program implementation

Multiculturalism and the Therapeutic Process Judith Marks
