Older People in a Digitalized Society Päivi Rasi-Heikkinen, 2022-10-14 With many older people lacking adequate digital competences to support their full participation in today's digitalized society Older People in a Digitalized Society asks how is the marginalisation of older people in digital society socially constructed How can we promote older people's digital inclusion and agency

**A Society Fit for Human Beings** Elie Maynard Adams, 1997-10-31 Argues for a humanistic cultural reformation to counter our materialistic values and science dominated intellectual life and shows how this would affect our lives and transform our society A Society Fit for Human Beings contends that there is a profound incoherence in the foundations of modern Western civilization and that we are on a self destructive course With the quest for wealth and power our dominant concern we find ourselves with a flourishing economy and a supreme military force based on science and technology but with our moral civic and religious culture undermined by our way of comprehending the world Our human identity is problematic the wells of meaning that nourish the human spirit are polluted or drying up and the social order is in disarray This situation E. M. Adams argues requires nothing less than a historic cultural revolution based on a shift in priorities from wealth and power to humanistic values those grounded in selfhood and lived experience that are essential

for human growth meaningful lives and a healthy society Such a shift in our governing values would require a restructuring of our intellectual vision of humankind and the world in terms of humanistic categories This book shows the import of such a humanistic cultural revolution for our human identity morality the social order and our major institutions including the family and community education the economy the government the military and religion It outlines how we can work toward such a cultural revolution and develop a constructive postmodern civilization with a society fit for human beings *Rules of the People's Family Life Assurance and Sick Benefit Society* People's Family Life Assurance and Sick Benefit Society,1863

**Civil Society Organizations' Interventions Among Indigenous People** Mariadedinda Saliling Sicam

Pobre,2025-02-21 The book was written to assess civil society organizations and interventions This is the experience of the Indigenous People in Carmen Cotabato particularly the Erumanen ne Menuvu who engage to form an organization This study was conducted from January to November 2013 There are factors in the study that involve the implementing strategy of the two civil society organizations Erumanen Manuvu Parents Organization EMPO and Manuvu Arumanen Pasakadday Association MAPA in the two service areas namely Barangay Aroman and Barangay Liliongan in Carmen Cotabato together with the nature of the participation of the beneficiaries during the implantation phase The result of the study revealed that the two CSOs had the same implementing strategy but they deferred only in the recruitment of the respective beneficiaries They were small community based organizations where the beneficiaries performed multiple roles in the program implementation *The ^ATumbleweed Society* Allison J. Pugh,2015-04-01 This book examines how we navigate questions of

commitment and flexibility at work and at home in a world where insecurity has become the norm How do people today especially parents think and talk about what we owe each other on the job and in intimate relationships with partners children and others when so much is perpetually up in the air **Society Without People** Christopher Pieper,Justin

Nelson,2025-06-16 Society Without People is the first major scholarly analysis of the profound social and cultural effects of emerging technologies such as generative AI and the Metaverse Using an approachable style and compelling scenarios Pieper and Nelson examine the potential ways these technologies will shape identity institutions relationships communities power and personhood itself in the near future Introducing the theory of Gamism the authors suggest that the logic of games could serve as the new ideology governing this strange exciting world One question underlies each chapter how can humans flourish in the midst of such rapid and deep changes It is a must read for anyone concerned about the future of society and technology *Food, People and Society* Lynn J. Frewer,Einar Risvik,Hendrik Schifferstein,2001-08-14 This book edited and

authored by a group of scientists experienced in European cross cultural and interdisciplinary research in the field of consumer food perceptions sensory evaluation product image and risk research delivers a unique insight into decision making and food consumption of the European consumer The volume is essential reading for those involved in product development market research and consumer science in food and agro industries and academic research It brings together
