What Happened to Johnnie Jordan? Jennifer Toth, 2007-09-11 On an icy night five years ago Johnnie Jordan just fourteen years old brutally murdered his elderly foster care mother leaving the state of Ohio shocked and outraged He could not tell police why he did it or even how it made him feel all he knew was that something inside him made him kill At the time few people predicted the swift emergence of a class of young so called super predators criminals like Johnnie who injure and kill without conscience personified to the nation by the Littleton Colorado tragedy in 1999 In *What Happened to Johnnie Jordan* acclaimed journalist Jennifer Toth author of *The Mole People* and *Orphans of the Living* once again takes a look at the people in our society whom we so often discard and altogether ignore As Toth investigates Johnnie s crime and life she unravels the mysteries of a child murderer unable to identify his emotions even after they converge in acts of fury and rage In the course of her research Johnnie grows dangerously into a young man who will probably kill again he says though I don t want to Yet he also demonstrates great kindness and caring when treated as more than just a case number when treated as a

human Through Johnnie's harrowing story Toth examines how some children manage to overcome tragic beginnings while others turn their pain anger and loss on innocents More than a beautifully written narrative of youth gone wrong this is the story of a child welfare system so corrupted by bureaucracy and overwhelmed with cases that many children entrusted to its care receive none at all It is also the story of a Midwestern town struggling with blame and anger unable to reconcile the damage done by so young an offender From Johnnie's early years on the streets to his controversial trial and ultimate conviction What Happened to Johnnie Jordan is a seminal work on youth violence and how we as a society can work to curtail it Ultimately Toth ponders one of the most difficult and important questions on youth violence If we can't control the way children are raised how can we prevent them from destroying other lives as well [Library Book Catalog](#) United States. Law Enforcement Assistance Administration, 1973 **Library Book Catalog** National Institute of Law Enforcement and Criminal Justice. Office of Technology Transfer, 1972 *Female Offenders* Ruth T. Zaplin, 2008 The number of female offenders in the United States is skyrocketing Our tough on crime approach puts a female offender behind bars but doesn't consider the factors leading to her incarceration *Female Offenders Critical Perspectives and Effective Interventions* Second Edition proposes an alternative one that truly addresses the needs of female offenders and the root issues connected to their maladaptive behaviors trauma histories and mental health problems By focusing on these root issues this text prepares future correctional managers and supervisors to rehabilitate and empower female offenders to reenter society in a meaningful and productive way The Second Edition includes chapters written by experts in the field that discuss the diversity of issues facing female offenders in our culture from a variety of perspectives Grounded in the relevant research and literature this book blends theory with practice by presenting theories on the rehabilitation of female offenders alongside program models and effective strategies for reentry into society **W.E.B. Du Bois** Reiland Rabaka, 2017-05-15 Housed in one handy volume for the first time are several of the seminal essays on W E B Du Bois's contributions to sociology and critical social theory from Du Bois as inventor of sociology of race to Du Bois as the first sociologist of American religion from Du Bois as a pioneer of urban and rural sociology to Du Bois as innovator of sociology of gender and culture and finally from Du Bois as groundbreaking sociologist of education and critical criminologist to Du Bois as dialectical critic of the disciplinary decadence of sociology and the American academy What this volume offers that is wholly innovative and distinctive is that it brings together the watershed work of classical and contemporary male and female black and white national and international sociologists and social theorists with the express intent of creating critical inventories and thoroughly interrogating what has been included and what has been excluded when we come to W E B Du Bois's contributions to the discipline of sociology Unlike any other anthologies on Du Bois this volume offers an excellent overview of the critical commentary on arguably one of the most imaginative and innovative perceptive and prolific founders of the discipline of sociology It will therefore be of interest to scholars and students not just in sociology but also Africana studies
