Sociological Imagination 40th Anniversary Edition:

Sociology of Sport and Social Theory Earl Smith, 2010 Sociology of Sport and Social Theory presents current research perspectives from major sport scholars and leading sociologists regarding issues germane to the sociology of sport while addressing traditional and contemporary sociological theories

The Subcultural Imagination Shane Blackman, Michelle Kempson, 2016-06-17 The Subcultural Imagination discusses young adults in subcultures and examines how sociologists use qualitative research methods to study them Through the application of the ideas of C Wright Mills to the development of theory reflexive ethnography this book analyses the experiences of young people in different subcultural settings as well as reflecting on how young people in subcultures interact in the wider context of society biography and history From Cuba to London and Bulgaria to Asia this book delves into urban spaces and street corners young people's parties gigs BDSM fetish clubs school the home and feminist zines to offer a picture of live sociology in practice In three parts the volume explores history biography and subculture practising reflexivity in the field epistemologies pedagogies and the subcultural subject The book offers cutting edge theory and rich empirical research on social class gender and ethnicities from both established and new researchers across diverse disciplinary backgrounds It moves the subcultural debate beyond the impasse of the term's relevance to one where researchers are fully engaged with the lives of the subcultural subjects This innovative edited collection will appeal to scholars and students in the areas of sociology youth studies media and cultural studies communication research methods and ethnography popular music studies criminology politics social and cultural theory and gender studies

Beyond Pentecostalism Wolfgang Vondey, 2010-09-23 The Pentecostal Manifestos series aims to speak for and to a rising outward looking generation of Pentecostal scholarship Written by both established and newly emerging scholars the various manifesto volumes are to be creative statements marked by rigorous theological scholarship reflecting a distinctly Pentecostal engagement with wider themes and concerns in Christian thought today

Sport and Modern Social Theorists Richard Giulianotti, 2004-08-03 Sport and Modern Social Theorists is an innovative and exciting new collection The chapters are written by leading social analysts of sport from across the world and examine the contributions of major social theorists towards our critical understanding of modern sport Social theorists under critical examination include Marx Weber Durkheim Adorno Gramsci Habermas Merton C Wright Mills Goffman Giddens Elias Bourdieu and Foucault This book will appeal to students and scholars of sport studies cultural studies modern social theory and to social scientists generally

Capitalism and Classical Social Theory, Second Edition John Bratton, David Denham, 2014-01-24 Most texts on classical social theory offer exhaustive coverage of every possible theorist making it difficult to use the book in one semester Capitalism and Classical Social Theory Second Edition represents a departure from this approach by offering solid coverage of the classical triumvirate Marx Durkheim and Weber but also extending the canon strategically to include Simmel four early female theorists and the writings of Du Bois The result is a manageable but thorough examination of the key

classical theorists The second edition has been updated throughout and includes two new chapters one on Weber and rationalization and one on Du Bois and his writings on race A new concluding chapter links classical theory to current developments in capitalism during an age of austerity

Reflexivity Karen Lumsden, 2019-01-15 Reflexivity is valuable in social research because it draws attention to the researcher as part of the world being studied and reminds us that the individuals involved in our research are subjects not objects By being reflexive we acknowledge that we cannot be separated from our biographies This volume reviews key debates concerning reflexivity in theory methods and practice It mounts a defence of reflexivity against new materialist and post qualitative critiques and the pressures exerted on scholars from the neoliberal marketized university system which privileges fast academia at the expense of slow reflective scholarship While defending reflexivity this book also identifies issues which plague mainstream sociological operationalizations of a positivistic form of reflexivity It argues for the extension of reflexivity into domains otherwise neglected in public accounts and a shift from reflexivity as an individualized quality of the researcher used to judge peers and navel gaze to a feminist collaborative reflexive sensibility which is mindful of the wider contexts shaping the construction of knowledge s experience s and of the role of research communities Providing examples of reflexivity in action from academics at different stages of their careers Reflexivity will appeal to students and researchers interested in fields such as Sociology Qualitative Research Methods Criminology Ethnography and Ethics of Research

Grant, 2014-11-13 In the World Library of Educationalists series international experts compile career long collections of what they judge to be their finest pieces extracts from books key article salient research findings major theoretical and practical contributions so the world can read them in a single manageable volume Readers will be able to follow the themes and strands and see how their work contributes to the development of the field Carl A Grant has spent the last 35 years researching teaching thinking and writing about some of the key enduring issues in multicultural education He has contributed to a multitude of books and articles and is former President of the National Association for Multicultural Education In his selected works Carl Grant brings together 14 of his key writings in one place Starting with a specially written Introduction which gives an overview of his career and contextualises his selection within the development of the field the book is divided into three parts Race and Educational Equity Theorizing Multicultural Education Multicultural Teacher Education This book not only shows how Carl Grant s thinking developed during his long and distinguished career it also gives an insight into the development of the fields to which he contributed

[The Routledge Handbook of Literacy Studies](#) Jennifer Rowsell, Kate Pahl, 2015-05-15 The Routledge Handbook of Literacy Studies offers a comprehensive view of the field of language and literacy studies With forty three chapters reflecting new research from leading scholars in the field the Handbook pushes at the boundaries of existing fields and combines with related fields and disciplines to develop a lens on contemporary scholarship and emergent fields of inquiry The Handbook is divided into eight sections The foundations of

literacy studies Space focused approaches Time focused approaches Multimodal approaches Digital approaches Hermeneutic approaches Making meaning from the everyday Co constructing literacies with communities This is the first handbook of literacy studies to recognise new trends and evolving trajectories together with a focus on radical epistemologies of literacy The Routledge Handbook of Literacy Studies is an essential reference for undergraduate and postgraduate students and those researching and working in the areas of applied linguistics and language and literacy

An Applied Visual Sociology: Picturing Harm Reduction Stephen Parkin, 2016-04-15 Exploring the value of photography and video as legitimate forms of social enquiry An Applied Visual Sociology Picturing Harm Reduction constitutes a guidebook for conducting applied visual sociology within health related or social science research projects providing a full account of the visual research journey and presenting a tested template for conducting theoretically driven sociologically informed research Against the background of the growing popularity of visual methods this book goes beyond using photographs for illustrative and descriptive purposes to emphasise the importance of sociological epistemological and analytical theory together with methods of data collection and the presentation of images for applied purposes As such An Applied Visual Sociology Picturing Harm Reduction offers a template for considering visual data as applied research providing a full account of the manner in which visual methods can inform research and specific interventions together with opportunities for students and practitioners to consider applied visual sociology in a series of practical or self study tasks It will therefore appeal not only to students and researchers involved in social and health related qualitative research or those seeking to conduct innovative visual projects within the social sciences but also to scholars interested in research methods visual ethnography and harm reduction approaches to drug use

Black British Gospel Music Dulcie A. Dixon McKenzie, Pauline E. Muir, Monique M. Ingalls, 2024-06-04 Black British Gospel Music is a dynamic and multifaceted musical practice a diasporic river rooted in the experiences of Black British Christian communities This book examines gospel music in Britain in both historical and contemporary perspectives demonstrating the importance of this vital genre to scholars across disciplines Drawing on a plurality of voices the book examines the diverse streams that contribute to and flow out of this significant genre Gospel can be heard resonating within a diverse array of Christian worship spaces as a form of community music making in school halls and as a foundation for secular British popular music including R B hip hop and grime

Social Work and Social Theory Paul Michael Garrett, 2018-07-04 Drawing on a range of theorists and competing perspectives this substantially updated and expanded second edition places social theory at the heart of social work pedagogy This book imaginatively explores ways in which practitioners and social work educators might develop more critical and radical ways of theorising and working It is an invaluable resource for students and contains features such as Reflection and Talk Boxes to encourage classroom and workplace discussions This new edition includes An extensive additional chapter on Foucault Reworked and expanded versions of the chapters featured in the highly praised first edition Revised Reflection and Talk Boxes New and updated

references to stimulate further reading and research Managing Reform in Universities B. Stensaker, J. Välimaa, C. Sarrico, 2012-09-27 This collection now in paperback explores how universities are coping with the range of reforms and changes taking place across higher education today Analyzing areas such as leadership quality management strategic thinking collegiality and academic work and from the perspective of different agents within higher education including students academics and management this book examines the various differences between reform attempts and the actual changes happening in universities **Critical Faith** Joni Schwartz-Chaney, 2024-04-23 Near hysteria has erupted in the media state and federal legislatures community boards and churches around critical race theory CRT Despite the term's history development and clearly defined meaning it has become a catch all for white America's fears deflections and equivocations on race society and the law Christians are no exception Their critiques routinely claim that CRT is rewriting of American history that it is anti democratic and even heretical Critical Faith presents a counter argument to these claims and insists that CRT is a tool to grapple with the thorny issue of race in both society and the church In a reasoned tone Critical Faith defines the origins of CRT explains what the theory is and demonstrates its merits from teaching experiences of the author Schwartz Chaney argues that CRT is the victim of what Patricia Williams calls definitional theft and that by recovering its original meaning Christians can move past mischaracterizations and caricatures toward a more nuanced view of race racism and the tools available to make progress in the church and in society **News Literacy and Democracy** Seth Ashley, 2019-10-14 News Literacy and Democracy invites readers to go beyond surface level fact checking and to examine the structures institutions practices and routines that comprise news media systems This introductory text underscores the importance of news literacy to democratic life and advances an argument that critical contexts regarding news media structures and institutions should be central to news literacy education Under the larger umbrella of media literacy a critical approach to news literacy seeks to examine the mediated construction of the social world and the processes and influences that allow some news messages to spread while others get left out Drawing on research from a range of disciplines including media studies political economy and social psychology this book aims to inform and empower the citizens who rely on news media so they may more fully participate in democratic and civic life The book is an essential read for undergraduate students of journalism and news literacy and will be of interest to scholars teaching and studying media literacy political economy media sociology and political psychology **The Education of Black Males in a 'Post-Racial' World** Anthony L. Brown, Jamel K. Donnor, 2013-09-13 The Education of Black Males in a Post Racial World examines the varied structural and discursive contexts of race masculinities and class that shape the educational and social lives of Black males The contributing authors take direct aim at the current discourses that construct Black males as disengaged in schooling because of an autonomous Black male culture and explore how media social sciences school curriculum popular culture and sport can define and constrain the lives of Black males The chapters also provide alternative methodologies theories and analyses for

making sense of and addressing the complex needs of Black males in schools and in society By expanding our understanding of how unequal access to productive opportunities and quality resources converge to systemically create disparate experiences and outcomes for African American males this volume powerfully illustrates that race still matters in post racial America This book was originally published as a special issue of Race Ethnicity and Education The Cambridge Handbook of Social Problems: Volume 2 A. Javier Treviño, 2018-03-22 The introduction of the Affordable Care Act in the United States the increasing use of prescription drugs and the alleged abuse of racial profiling by police are just some of the factors contributing to twenty first century social problems The Cambridge Handbook of Social Problems offers a wide ranging roster of the social problems currently pressing for attention and amelioration Unlike other works in this area it also gives great consideration to theoretical and methodological discussions This Handbook will benefit both undergraduate and graduate students eager to understand the sociology of social problems It is suitable for classes in social problems current events and social theory Featuring the most current research the Handbook provides an especially useful resource for sociologists and graduate students conducting research Sociology of Crisis Myrto Tsilimpounidi, 2016-11-03 The global financial crisis has demonstrated the impact and implications of late capitalism and its bedfellow globalisation In the European context crisis is seen as a threat to the stability of the region rather than a local or national concern Post 2008 crisis is social and political rather than merely financial as Western countries witness the consequences of consumption growth and profit In this book Tsilimpounidi demonstrates how sociologists must develop new approaches to examining rapid shifts in the social landscape since crisis is not merely reflected in balance sheets but is mediated through spectacular imagery of loss deprivation and increased vectors of marginalisation Providing focused and valuable insight into the pressing problems of those living in Greece in relation to the wider spheres of the nation and at the level of the European Union Sociology of Crisis takes an approach that is firmly located within a critical sociological appeal to reflexivity A timely engagement with the problem of crisis at a macro level and in dialogue with the everyday experiences of crisis on a micro level this interdisciplinary title will appeal to both undergraduate and postgraduate students interested in sociology social policy geography urban studies and research methods social science *Getting Signed* David Arditi, 2020-09-28 Record contracts have been the goal of aspiring musicians but are they still important in the era of SoundCloud Musicians in the United States still seem to think so flocking to auditions for The Voice and Idol brands or paying to perform at record label showcases in the hopes of landing a deal The belief that signing a record contract will almost infallibly lead to some measure of success the ideology of getting signed as Arditi defines it is alive and well Though streaming social media and viral content have turned the recording industry upside down in one sense the record contract and its mythos still persist Getting Signed provides a critical analysis of musicians contract aspirations as a cultural phenomenon that reproduces modes of power and economic exploitation no matter how radical the route to contract Working at the intersection of Marxist sociology cultural

sociology critical theory and media studies Ardití unfolds how the ideology of getting signed penetrated an industry created a mythos of guaranteed success and persists in an era when power is being redefined in the light of digital technologies

The Biopolitics of Disability David T. Mitchell, 2015-07-21 In the neoliberal era when human worth is measured by its relative utility within global consumer culture selected disabled people have been able to gain entrance into late capitalist culture The Biopolitics of Disability terms this phenomenon ablenationalism and asserts that inclusion becomes meaningful only if disability is recognized as providing modes of living that are alternatives to governing norms of productivity and independence Thus the book pushes beyond questions of impairment to explore how disability subjectivities create new forms of embodied knowledge and collective consciousness The focus is on the emergence of new crip queer subjectivities at work in disability arts disability studies pedagogy independent and mainstream disability cinema e g Midnight Cowboy internet based medical user groups anti normative novels of embodiment e g Richard Powers's The Echo Maker and finally the labor of living in non productive bodies within late capitalism

The SAGE Encyclopedia of Higher Education Miriam E. David, Marilyn J. Amey, 2020-05-21 Higher Education is in a state of ferment People are seriously discussing whether the medieval ideal of the university as being excellent in all areas makes sense today given the number of universities that we have in the world Student fees are changing the orientation of students to the system The high rate of non repayment of fees in the UK is provoking difficult questions about whether the current system of funding makes sense There are disputes about the ratio of research to teaching and further discussions about the international delivery of courses
