Sociological Perspective On Politics

Andrew Effrat

Sociological Perspective On Politics:

A Sociological Perspective on Politics Mildred A. Schwartz,1990 **Perspectives in Political Sociology** Andrew Effrat,1973 Power, Politics, and Society Betty A Dobratz,2015-10-14 Power Politics Society An Introduction to Political Sociology discusses how sociologists have organized the study of politics into conceptual frameworks and how each of these frameworks foster a sociological perspective on power and politics in society This includes discussing how these frameworks can be applied to understanding current issues and other real life aspects of politics The authors connect with students by engaging them in activities where they complete their own applications of theory hypothesis testing and forms of inquiry

Power, Politics, and Society Betty Dobratz,Lisa Waldner,Timothy Buzzell,2019-03-06 Power Politics and Society An Introduction to Political Sociology discusses how sociologists have organized the study of politics into conceptual frameworks and how each of these frameworks foster a sociological perspective on power and politics in society This includes discussing how these frameworks can be applied to understanding current issues and other real life aspects of politics This second edition incorporates new material on cultural divides in American politics emerging roles for the state the ongoing effects of the Great Recession and recovery the 2016 election social media and the various policies introduced during the Trump administration and how they affect people s lives

Comparative Politics J. C. Johari,1982 **Politics and Social Theory** Will Leggett,2017-09-16 Under present social conditions neither social theorists nor political scientists can afford to ignore one another This book is a clear structured account of the relationship between politics and social theory examining both the political content of social theory and how social theory has illuminated our understanding of politics **Government: A**

Public Administration Perspective Jos C. N. Raadschelders,2015-03-04 Most public administration texts overly compartmentalize the subject and don t interconnect the various specializations within government which leaves a serious gap in preparing students for public service Government A Public Administration Perspective is designed to fill that void It provides a comprehensive multidisciplinary view of government that includes perspectives from political science political theory international relations organizational sociology economics and history The text draws on classic and modern literature from all these areas to analyze government at four different levels ideational societal organizational and individual layers It links public administration s various subfields human resource management budgeting policy making organizational theory etc into a holistic framework for the study of government It also includes an extensive bibliography drawing from American and European literature in support of the book s global historical and comparative approach **What is Political**

Sociology? Elisabeth S. Clemens,2024-05-03 With an entire discipline devoted to political science what is distinctive about political sociology This concise book explains what a sociological perspective brings to our understanding of the emergence reproduction and transformation of different forms of political order Crucially political sociology expands the field of view to the politics that happen in other social settings in the family at work in civic associations as well as the ways in which social

attributes such as class religion age race and gender shape patterns of political participation and the distribution of political power Political sociology grapples with these issues across an enormous range of historical and geographic settings from intimate to geo political scales It requires an analytic toolkit that includes concepts of power identities and inequalities social closure civil society and modes of political action Using these central concepts this updated edition of What is Political Sociology discusses the major forms of political order processes of regime formation and revolution the social bases for political participation policy formation as well as feedbacks social movements and social change and the possibilities for new forms of digital and transnational politics In sum the book offers an insightful introduction to this core perspective on social life

Handbook of Politics Kevin T. Leicht, J. Craig Jenkins, 2009-11-28 Political sociology is the interdisciplinary study of power and the intersection of personality society and politics The field also examines how the political process is affected by major social trends as well as exploring how social policies are altered by various social forces Political sociologists increasingly use a wide variety of relatively new quantitative and qualitative methodologies and incorporate theories and research from other social science cognate disciplines The contributors focus on the current controversies and disagreements surrounding the use of different methodologies for the study of politics and society and discussions of specific applications found in the widely scattered literature where substantive research in the field is published This approach will solidly place the handbook in a market niche that is not occupied by the current volumes while also covering many of the same theoretical and historical developments that the other volumes cover The purpose of this handbook is to summarize state of the art theory research and methods used in the study of politics and society This area of research encompasses a wide variety of perspectives and methods that span social science disciplines The handbook is designed to reflect that diversity in content method and focus In addition it will cover developments in the developed and underdeveloped worlds

Social Change and Politics Morris Janowitz, 2017-07-05 This classic study deals with social control in advanced industrial society especially the United States and particularly the half century after World War I The United States is representative of Western advanced industrial nations that have been faced with marked strain in their political institutions These nation states have been experiencing a decline in popular confidence and distrust of the political process an absence of decisive legislative majorities and an increased inability to govern effectively that is to balance and to contain competing interest group demands and resolve political conflicts Janowitz uses the sociological idea of social control to explore the sources of these political dilemmas Social control does not imply coercion or the repression of the individual by societal institutions Social control is rather the face of coercive control It refers to the capacity of a social group including a whole society to regulate itself Self regulation implies a set of higher moral principles beyond those of self interest Since the end of World War II the expanded scope of empirical research has profoundly transformed the sociological discipline The repeated efforts to achieve a theoretical reformulation have left a positive residue but there have been no new conceptual breakthroughs that

are compelling This book is a concerted and detailed effort organize and to make sense out of the vastly increased body of empirical research *The Handbook of Social Work Research Methods* Bruce Thyer,2010 This updated Handbook addresses the changes in the field of social work as qualitative research gains more prominence as well as mixed methods and various issues regarding race ethnicity and gender Edited by a leading scholar in the field this text covers meta analysis designs to evaluate treatment and key Internet resources *Sociology and Political Theory* Harry Elmer Barnes,1924 The Politics and Anti-Politics of Social Movements Marian Burchardt,Amy Patterson,Louise Mubanda Rasmussen,2017-10-02 This book explores the nature significance and consequences of the religious activism surrounding AIDS in Africa While African religion was relatively marginal in inspiring or contributing to AIDS activism during the early days of the epidemic this situation has changed dramatically In order to account for these changes contributors provide answers to pressing questions How does the entrance of religion into public debates about AIDS affect policymaking and implementation church state relations and religion itself How do religious actors draw on and reconfigure forms of transnational connectivity How do resource flows from development and humanitarian aid that religious actors may access then affect relationships of power and authority in African societies How does religious mobilization on AIDS reflect contestation over identity cultural membership theology political participation and citizenship Addressing these questions the authors draw on social movement theories to explore the role of religious identities action frames political opportunity structures and resource mobilization in African religions reaction to the AIDS epidemic The book s findings are rooted in fieldwork conducted in Tanzania Uganda Zambia Zimbabwe Ghana and Mozambique among a variety of religious organizations This book was originally published as a special issue of the Canadian Journal of African Studies , **Introduction to Political Sociology** Benedikte Brincker,2013 Political sociology is fundamentally interdisciplinary combining theories and empirical insights from disciplines such as sociology political science political economy and media studies This book provides a state of the art introduction to the broad field of political sociology from the historical formation of states and the institutions of welfare states to sociological theories of voting behaviour and other everyday political activities It avoids advocating any particular discipline or theoretical perspective instead inviting students to engage and take part in debates that are central to political sociology and important to society at large Introduction to Political Sociology is edited by Benedikte Brincker associate professor at Copenhagen Business School with contributions from key scholars in political sociology Book jacket Nationalism and Social Policy Daniel Béland,André Lecours,2008-08-07 This text explores the little studied relationship between nationalism and social policy Focusing on Canada the United Kingdom and Belgium it sheds new light on the relationships between identity formation territorial politics and social policy **An Agenda for the Western Balkans: From Elite Politics to Social Sustainability** Nikolaos Pasamitros, Nikolaos Papakostas,2015-03-01 The Western Balkan countries have been both a popular subject matter for diachronic analysis and a 1990s favorite The significant changes that followed the most recent

times of conflict in the region mostly evolve around the process of Europeanization Despite the plethora of analyses most approaches to the Western Balkans suffer from theoretical stagnancy ex parte political practice and detachment of politics from societal needs This volume is the work of a team of theorists and practitioners who attempt a multidisciplinary approach to Western Balkans reality An Agenda for the Western Balkans offers a critical view on issues that have been over analyzed in mainstream terms and opens a discussion that will occupy researchers and practitioners for years to come It addresses novel topics and engages in innovative approaches that cut across disciplines of social sciences political science international relations sociology historiography geography political economy and levels of analysis local national regional European global This collection is a pioneer theoretical and practical guide towards a sustainable future for the Western Balkans

The Politics of Social Risk Isabela Mares, 2003-07-07 The book provides a systematic evaluation of the role played by business in the development of the modern welfare state When and why have employers supported the development of institutions of social insurance that provide benefits to workers for various employment related risks What factors explain the variation in the social policy preferences of employers What is the relative importance of business and labor based organization in the negotiation of a new social policy This book studies these critical questions by examining the role played by German and French producers in eight social policy reforms spanning nearly a century of social policy development The analysis demonstrates that major social policies were adopted by cross class alliances comprising labor based organizations and key sectors of the business community

Social Media and Politics in Central and Eastern Europe Paweł Surowiec, Václav Štětka, 2017-09-05 Social media are increasingly revolutionising the ways in which political communication works and their importance for engaging citizens in politics and public affairs is well understood by political actors This book surveys current developments in social media and politics in a range of Central and Eastern European countries including Ukraine and Russia It explores the process of adoption of social media by politicians journalists and civic activists examines the impact of the different social and cultural backgrounds of the countries studied and discusses specific political situations such as the 2012 protests in Moscow and the 2014 EuroMaidan events in Ukraine where social media played an important role The book concludes by addressing how the relationship between social media and politics is likely to develop and how it might affect the still relatively new democracies in the region

Critical Perspectives on International Political Economy J. Abbott, O. Worth, 2002-08-21 Critical Perspectives on International Political Economy considers and revises the progress of critical thinking within IPE and engages with issues such as finance the practices of health and work the relevance of new social movements and the political economy of the Internet In so doing it provides a possible map for the next stage of critical development in the study of International Political Economy
