Speaking Chicana Delma Letticia Galindo, Mar'a Dolores Gonzales, 1999-03 Previous studies in the fields of applied linguistics sociolinguistics and gender studies have focused upon Chicano linguistic communities as a monolith or have focused entirely upon male centered aspects of language use leaving a tremendous gap in works about Chicanas for Chicanas and by Chicanas as they pertain to language related issues *Speaking Chicana* bridges that gap offering for the first time an extensive examination of language issues among Chicanas Flowing throughout this collection of essays are themes of empowerment and suppression of voice Combining empirical studies and personal narratives in the form of testimonios the editors expand the boundaries of linguistic study to include disciplines such as art law women s studies and literature The result is a multifaceted approach to the study of Chicana speech one that provides a significant survey of the literature on Chicanas and language production Ten contributors from linguistic to lawyer from poet to art historian discuss language varieties and attitudes bilinguality codeswitching cultural identity and language language in literature and art taboo language and legal discourse *Speaking Chicana* celebrates the complexity and diversity of linguistic contexts and influences reflected in Chicana speech Various essays explore the speech of rural women the evolution of linguistic forces over time the influence of U S public education linguistic dilemmas encountered by literary authors and women in the legal profession and language used by pachucas and pintas *Speaking Chicana* represents a significant contribution not only to sociolinguistics but also to other fields including women s studies Chicana o studies anthropology and cultural studies Contents Part 1 Reconstruction Language Varieties Language Use and Language Attitudes 1 Crossing Social and Cultural Borders The Road to Language Hybridity Mar a Dolores Gonzales 2 Fighting Words Latina Girls Gangs and Language Attitudes Norma Mendoza Denton Part 2 Reflection Testimonios 3 Speaking as a Chicana Tracing Cultural Heritage through Silence and Betrayal Jacqueline M Mart nez 4 The Power of Language From the Back of the Bus to the Ivory Tower Christine Mar n 5 Challenging Tradition Opening the Headgate Ida M Luj n 6 Mexican Blood Runs through My Veins Aurora E Orozco Part 3 Innovation Speaking Creatively Creatively Speaking 7 Searching for a Voice Ambiguities and Possibilities Erlinda Gonzales Berry 8 Sacred Cults Subversive Icons Chicanas and the Pictorial Language of Catholicism Charlene Villase or Black 9 Cal and Taboo Language Use among Chicanas A Description of Linguistic Appropriation and Innovation D Letticia Galindo 10 M scaras Trenz as y Gre as Un Masking the Self While Un Braiding Latina Stories and Legal Discourse Margaret E Montoya

**¡Chicana Power!** Maylei Blackwell, 2016-06-27 The first book length study of women s involvement in the Chicano Movement of the late 1960s and 1970s *Chicana Power* tells the powerful story of the emergence of Chicana feminism within student and community based organizations throughout southern California and the Southwest As Chicanos engaged in widespread protest in their struggle for social justice civil rights and self determination women in el movimiento became increasingly militant about the gap between the rhetoric of equality and the organizational culture that suppressed women s

leadership and subjected women to chauvinism discrimination and sexual harassment Based on rich oral histories and extensive archival research Maylei Blackwell analyzes the struggles over gender and sexuality within the Chicano Movement and illustrates how those struggles produced new forms of racial consciousness gender awareness and political identities Chicana Power provides a critical genealogy of pioneering Chicana activist and theorist Anna NietoGomez and the Hijas de Cuauht moc one of the first Latina feminist organizations who together with other Chicana activists forged an autonomous space for women s political participation and challenged the gendered confines of Chicano nationalism in the movement and in the formation of the field of Chicana studies She uncovers the multifaceted vision of liberation that continues to reverberate today as contemporary activists artists and intellectuals both grassroots and academic struggle for revise and rework the political legacy of Chicana feminism

*Becoming Neighbors in a Mexican American Community* Gilda L. Ochoa,2010-01-01 On the surface Mexican Americans and Mexican immigrants to the United States seem to share a common cultural identity but often make uneasy neighbors Discrimination and assimilationist policies have influenced generations of Mexican Americans so that some now fear that the status they have gained by assimilating into American society will be jeopardized by Spanish speaking newcomers Other Mexican Americans however adopt a position of group solidarity and work to better the social conditions and educational opportunities of Mexican immigrants Focusing on the Mexican origin working class city of La Puente in Los Angeles County California this book examines Mexican Americans everyday attitudes toward and interactions with Mexican immigrants a topic that has so far received little serious study Using in depth interviews participant observations school board meeting minutes and other historical documents Gilda Ochoa investigates how Mexican Americans are negotiating their relationships with immigrants at an interpersonal level in the places where they shop worship learn and raise their families This research into daily lives highlights the centrality of women in the process of negotiating and building communities and sheds new light on identity formation and group mobilization in the U S and on educational issues especially bilingual education It also complements previous studies on the impact of immigration on the wages and employment opportunities of Mexican Americans

Hurd, 2014-09-05 The school aged population of the United States has become more racially and ethnically diverse in recent decades but its public schools have become significantly less integrated In California nearly half of the state's Latino youth attend intensely segregated minority schools Apart from shifts in law and educational policy at the federal level this gradual resegregation is propelled in part by grassroots efforts led predominantly by white middle class residential communities that campaign to reorganize districts and establish ethnically separate neighborhood schools Despite protests that such campaigns are not racially culturally or socioeconomically motivated the outcomes of these efforts are often the increased isolation of Latino

students in high poverty schools with fewer resources less experienced teachers and fewer social networks that cross lines of racial class and ethnic difference

**Confronting Suburban School Resegregation in California** investigates the struggles in a central California school district where a predominantly white residential community recently undertook a decade long campaign to secede from an increasingly Latino attended school district Drawing on years of ethnographic research Clayton A Hurd explores the core issues at stake in resegregation campaigns as well as the resistance against them mobilized by the working class Latino community From the emotionally charged narratives of local students parents teachers school administrators and community activists emerges a compelling portrait of competing visions for equitable and quality education shared control and social and racial justice
