Speaking In Queer Tongues:

Speaking in Queer Tongues William Leap, Tom Boellstorff, 2004 Language is a fundamental tool for shaping identity and community including the expression or repression of sexual desire *Speaking in Queer Tongues* investigates the tensions and adaptations that occur when processes of globalization bring one system of gay or lesbian language into contact with another Western constructions of gay culture are now circulating widely beyond the boundaries of Western nations due to influences as diverse as Internet communication global dissemination of entertainment and other media increased travel and tourism migration displacement and transnational citizenship The authority claimed by these constructions and by the linguistic codes embedded in them is causing them to have a profound impact on public and private expressions of homosexuality in locations as diverse as sub Saharan Africa New Zealand Indonesia and Israel Examining a wide range of global cultures *Speaking in Queer Tongues* presents essays on topics that include old versus new sexual vocabularies the rhetoric of gay oriented magazines and news media verbal and nonverbalized sexual imagery in poetry and popular culture and the linguistic consequences of the globalized gay rights movement

An Interdisciplinary Bibliography on Language, Gender and Sexuality (2000–2011) Heiko Motschenbacher, 2012-09-11 This comprehensive state of the art bibliography documents the most recent research activity in the vibrant field of language gender and sexuality It provides experts in the field and students in tertiary education with access to language centred resources on gender and sexuality and is therefore an ideal research companion The main part of the bibliography lists 3 454 relevant publications monographs edited volumes journal articles and contributions to edited volumes that have been published within the period from 2000 to 2011 It unites work done in linguistics with that of neighbouring disciplines covering studies dealing with a broad range of languages and cultures around the globe Alphabetical listing and a keyword index facilitate finding relevant work by author and subject matter The e book version additionally enables users to search the entire document for specific terms Sections on earlier bibliographies and general reference works on language gender and sexuality complete the compilation

Language, Sexualities and Desires Sakis Kyratzis, 2006-12-14 Sexualities are perceived constructed and represented in different ways in various languages and cultures This volume addresses how people use various linguistic features to construct their sexual identities and relationships and how membership of specific social groups based on sexual and lifestyle choices may be signalled through language

Intimacies and Cultural Change Daniel Nehring, Rosario Esteinou, 2016-05-06 Exploring cultural transformations of intimacy in contemporary Mexico *Intimacies and Cultural Change* examines the ways in which globalization and rapid cultural change have transformed the cultural meanings of couple relationships sexuality and personal life in Mexican society Through a range of contemporary case studies the book sheds light on the ways in which people draw on these cultural meanings in everyday life to account for their experiences and practices of intimacy in different social settings An interdisciplinary volume presenting the latest research on the region from experts working in

diverse fields within the social sciences this book will appeal to scholars of sociology anthropology geography and social psychology with interests in gender and sexuality social change and contemporary intimate relationships *The Sexuality of Migration* Lionel Cantu, 2009-02-01 Winner of the 2010 Distinguished Book Award from the American Sociological Association Sociology of Sexualities Section Winner of the 2010 Distinguished Book Award in Latino Studies Honorable Mention from the Latin American Studies Association *The Sexuality of Migration* provides an innovative study of the experiences of Mexican men who have same sex with men and who have migrated to the United States Until recently immigration scholars have left out the experiences of gays and lesbians In fact the topic of sexuality has only recently been addressed in the literature on immigration *The Sexuality of Migration* makes significant connections among sexuality state institutions and global economic relations Cant situates his analysis within the history of Mexican immigration and offers a broad understanding of diverse migratory experiences ranging from recent gay asylum seekers to an assessment of gay tourism in Mexico Cant uses a variety of methods including archival research interviews and ethnographic research to explore the range of experiences of Mexican men who have sex with men and the political economy of sexuality and immigration His primary research site is the greater Los Angeles area where he interviewed many immigrant men and participated in organizations and community activities alongside his informants Sure to fill gaps in the field *The Sexuality of Migration* simultaneously complicates a fixed notion of sexual identity and explores the complex factors that influence immigration and migration experiences *Latina/o Sexualities* Marysol Asencio, 2009-10-26 Latina/os are currently the largest minority population in the United States They are also one of the fastest growing Yet we have very limited research and understanding of their sexualities Instead stereotypical images flourish even though scholars have challenged the validity and narrowness of these images and the lack of attention to the larger social context Gathering the latest empirical work in the social and behavioral sciences this reader offers us a critical lens through which to understand these images and the social context framing Latina/os and their sexualities Situated at the juncture of Latina/o studies and sexualities studies *Latina/o Sexualities* provides a single resource that addresses the current state of knowledge from a multidisciplinary perspective Contributors synthesize and critique the literature and carve a separate space where issues of Latina/o sexualities can be explored given the limitations of prevalent research models This work compels the current wave in sexuality studies to be more inclusive of ethnic minorities and sets an agenda that policy makers and researchers will find invaluable *Queering Borders* David A.B. Murray, 2016-05-25 In recent years migration has moved to the forefront of national and global debates intensifying discussions about borders security identity and citizenship In this volume we ask how language and sexuality impact these discussions how do sexuality and language contribute toward the construction and maintenance of varying scales of borders How do sexuality and language figure in border crossings across time space embodied differences and culture The contributors to this volume all anthropologists demonstrate how anthropological

theories concepts and methods uniquely address the operations of sexuality and language in the making unmaking and remaking of these borders In this volume terminology discourse language choice and other forms of linguistic practice are at the forefront of research on transnational queer im migrant populations allowing us to better understand how language shapes and is shaped by queer peoples movements across borders Originally published in Journal of Language and Sexuality Vol 3 1 2014 *Lesbian Discourses* Veronika Koller,2008-02-19 The study represents the first book length treatment of lesbian text and discourse focusing on the changing notions of lesbian community as expressed in non fictional texts published in the UK and the US between 1970 and 2004 *The Bloomsbury Handbook of World Theory* Jeffrey R. Di Leo,Christian Moraru,2021-11-18 Disciplines from literary studies to environmentalism have recently undergone a spectacular reorientation that has refocused entire fields methodologies and vocabularies on the world and its sister terms such as globe planet and earth The Bloomsbury Handbook of World Theory examines what world means and what it accomplishes in different zones of academic study The contributors raise questions such as What happens when world is appended to a particular form of humanistic or scientific inquiry How exactly does worlding bear on the theoretical operating system and the history of that field What is the theory or theoretical model that allows world to function in a meaningful way in coordination with that knowledge domain With contributions from 38 leading theorists from a vast range of fields including queer studies religion and pop culture this is the first large reference work to consider the profound effect both within and outside the academy of the worlding of discourse in the 21st century *The Complexities of Race* Charmaine L. Wijeyesinghe,2021-12-28 Illuminates how recent shifts in demographics policy culture and thinking have changed how race is understood today The Complexities of Race illustrates how several recent dynamics compel us to reconsider race racial identity and racial inequality It argues that race and racism provide key but complex lenses through which critical events and issues of any moment can be more fully understood The emergence of intersectionality the rise of the Black Lives Matter movement changing ethnic and racial demographics in the United States and other forces challenge prevailing values and narratives related to race The volume provides new and detailed snapshots of the diverse and complicated ways that race racism racial identity and racial justice are represented experienced and addressed in America offering new ways of understanding the complex dynamics of power and systems of oppression Each chapter uses a current real world example to demonstrate how race works in tandem with other locations of identity with the aim of showing that a single social identity is rarely at play in issues of social inequality The contributors include scholars who have studied race identity racism and social justice for decades as well as emerging researchers and practitioners at the forefront of examining evolving topics related to race culture and experiences of naming and belonging This exploration of pressing current and emerging issues offers the depth information and clarity needed to understand many of the questions left unanswered and issues avoided in current discussions of race identity and racism whether those discussions occur in the classroom in the boardroom at the dining

room table or in the streets of America The Complexities of Race provides readers with inspiration information and paths for moving the understanding of race identity and social justice forward

Sex and Sexualities in Contemporary Indonesia Linda Rae Bennett, Sharyn Graham Davies, 2014-12-05 Winner of the 2015 Ruth Benedict Prize for Outstanding Edited Volume Sex sexuality and sexual relationships are hotly debated in Indonesia triggering complex and often passionate responses This innovative volume explores these issues in a variety of ways It highlights historical and newer forms of sexual diversity as well as the social responses they provoke It critiques differing representations of sexuality pointing to the multiplicity of discourses within which sexuality and the sexual are understood in modern day Indonesia Placing sexuality centre stage and locating it within the specific historical context of the Reformasi era this landmark volume explores understandings and practices across a wide variety of sites focusing in on a diverse group of Indonesian actors and the contested meanings that sexuality carries Beginning with a substantive introduction and concluding with a scholarly reflection on key issues the volume is framed around the four themes of sexual politics health diversity and representations It seeks both to present new empirical findings as well as to add to existing theoretical analysis This work fills an important gap in our understanding of the evolution and contemporary dynamics of Indonesian sexualities It will be of interest to scholars and academics from disciplines including gender and sexuality studies global health sexual and reproductive health anthropology sociology and Asian studies

The Routledge Handbook of Linguistic Anthropology Nancy Bonvillian, 2015-08-11 The Routledge Handbook of Linguistic Anthropology is a broad survey of linguistic anthropology featuring contributions from prominent scholars in the field Each chapter presents a brief historical summary of research in the field and discusses topics and issues of current concern to people doing research in linguistic anthropology The handbook is organized into four parts Language and Cultural Productions Language Ideologies and Practices of Learning Language and the Communication of Identities and Language and Local Global Power and covers current topics of interest at the intersection of the two fields while also contextualizing them within discussions of fieldwork practice Featuring 30 contributions from leading scholars in the field The Routledge Handbook of Linguistic Anthropology is an essential overview for students and researchers interested in understanding core concepts and key issues in linguistic anthropology

Gay and Lesbian Subculture in Urban China Loretta Wing Wah Ho, 2009-09-10 This book contributes to a critical understanding of how Chinese same sex identity in urban China is variously imagined how it is transformed and how it presents its resistances as China continues to open up to global power relations Equally important the book will 1 sharpen knowledge of China s recent socio economic change and political agenda 2 build a greater awareness of Chinese cultural sexual and ethical values and 3 offer new perspectives on Chineseness and Chinese same sex identity Uniquely it explores the emergence of Chinese same sex identity through understanding the everyday lived same sex experience amid China s opening up to cultural sexual and economic globalisation This understanding is based on a culturally sensitive framework

which accommodates the diverse and sometimes paradoxical articulation of same sex identity in urban China It come sto the conclusion that same sex identity in china is articulated in a paradoxical way open and decentred but at the same time nationalist and conforming to state control This book will be of interest to scholar and students in Chinese studies Gender Studies sexuality and cultural studies **Contact Talk** Zane Goebel,Deborah Cole,Howard Manns,2019-11-13 Written by a wide range of highly regarded scholars and exciting junior ones this book critiques and operationalizes contemporary thinking in the rapidly expanding field of linguistic anthropology It does so using case studies of actual everyday language practices from an extremely understudied yet incredibly important area of the Global South Indonesia In doing so it provides a rich set of studies that model and explain complex linguistic anthropological analysis in engaging and easily understood ways As a book that is both accessible for undergraduate students and enlightening for graduate students through to senior professors this book problematizes a wide range of assumptions The diversity of settings and methodologies used in this book surpass many recent collections that attempt to address issues surrounding contemporary processes of diversification given rapid ongoing social change In focusing on the trees so to speak the collection as a whole also enables readers to see the forest This approach provides a rare insight into relationships between everyday language practices social change and the ever present and ongoing processes of nation building **Linguistic Perspectives on Sexuality in Education** Łukasz

Pakuła,2021-03-23 This book brings together leading academics and practitioners working in the area of language gender sexuality and education consolidating recent developments and moving the field forward in a contemporary context This unique and timely volume captures current themes debates theories and methods in the field and will be of interest to scholars and practitioners working around the world in the areas of Applied Linguistics Teaching English as a Foreign Language Education Sociology and Discourse Studies **Cosmopatriots** ,2015-06-29 This volume analyzes mediated articulations of cosmopatriotism in East and South East Asian popular cultures and arts Cosmopatriots navigate between a loyalty to the home country and a sense of longing for and belonging to the world Rather than searching for the truly globalized cosmopolitans the authors of this collection look for the postcolonial rooted cosmopolitans who insist on thinking and feeling simultaneously beyond and within the nation The cultural sites they discuss include Hong Kong Indonesia China Singapore the United States South Korea and Australia They show how media from both sides of the arbitrary divide between high art and popular culture including film literature the fine arts radio music television and mobile phones function as vehicles for the creation and expression of or reflection upon intersections between patriotism and cosmopolitanism

Space-Time (Dis)continuities in the Linguistic Landscape Isabelle Buchstaller,Małgorzata Fabiszak,Melody Ann Ross,2024-03-27 This collection spotlights the diachronic dimensions of the linguistic landscape the importance of exploring temporal dissonances in historical events in order to better understand semiotic political and social transformations across different communities over the last century The volume seeks to expand the current borders of linguistic landscape LL

research by situating the analysis of signs in the LL within their time space organization which has been understudied in existing scholarship The book featuring chapters from established and emerging scholars argues that a focus on the historicity of the city text can reveal unique insights into the role of semiotic processes as precursors and support mechanisms for political and social changes The collection is structured around different temporal clusters and geographic contexts across the globe where shorter and longer waves of politically driven resemioticization can be most sharply observed post colonial communities post communist societies and recent and current sociopolitical upheavals Taken together the volume proposes a kaleidoscope view of the complex temporalities that underpin multimodal discourses in contested public spaces offering new directions for LL research This book will be of interest to students and scholars in sociolinguistics discourse analysis semiotics visual anthropology and political science The Introduction and Chapter 8 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BYNC ND 4.0 license

The Routledge Handbook of Discourse Analysis Michael Handford, James Paul Gee, 2013-06-17 Approaches to discourse analysis Register and genre Developments in spoken discourse Educational applications Institutional applications Identity culture and discourse *Men Who Sell Sex* Peter Aggleton, Richard Parker, 2014-11-13 All over the world men as well as women exchange sex for money and other forms of reward sometimes with other men and sometimes with women In contrast to female prostitution however relatively little is known about male sex work leaving questions unanswered about the individuals involved their identities and self understandings the practices concerned and the contexts in which they take place This book updates the ground breaking 1998 volume of the same name with an entirely new selection of chapters exploring health social political economic and human rights issues in relation to men who sell sex Looking at Europe North America Latin America and the Caribbean Africa and the Asia Pacific each chapter explores questions such as What is known about the different ways in which men exchange sex for money or other forms of reward What are the major contexts in which sexual exchange takes place What meanings do such practices carry for the different partners involved What are the health and other implications of contemporary forms of male sex work *Men Who Sell Sex* seeks to push the boundaries both of current personal and social understandings and the practices to which these give rise It is an important reference work for academics and researchers interested in sex work and men's health including those working in public health sociology social work anthropology human geography and development studies

The Everyday Lives of Gay Men in Hainan James Cummings, 2022-03-15 This book explores the everyday lives of gay men in Hainan an island province of the People's Republic of China Taking an ethnographic and phenomenological approach it asks how these men construct and experience ways of sexual being as gay homosexual tongzhi and or in the scene and what these mean for the ways of living they see as possible within a socio cultural political and material context characterised by pervasive heteronormativity It explores what it means for gay men in

Hainan to come into the scene how internet and mobile technologies figure in their everyday processes of sexual categorisation and how these men negotiate orientations and disorientations towards the future in relation to dominant heterosexual life scripts of marriage and reproduction This book offers vital insights into the production and restriction of non heterosexual lives in diverse settings while addressing universal questions of how certain ways of living are enabled and curtailed in living together with others through powerful conditions of uncertainty and precarity This book will be of interest to scholars in LGBTQ studies particularly those with a focus on same sex intimacies and identities in China
