## Speaking Likeness A:

**Speaking Likeness. [A Collection of Photographs].** K. HUTTON (pseud.),1947      **A Speaking Likeness** Sheila Bishop,1986-05-01 A destitute young widow in early nineteenth century London adopts an unwanted illegitimate child and later discovers his striking resemblance to an arrogant young heir      **Speaking Likenesses** Maurice Lindsay,1997      **The Speaking Likeness** R. H. Mottram,1996      Speaking Likeness Christina Georgina Rossetti,1874      *Moulding the Female Body in Victorian Fairy Tales and Sensation Novels* Laurence Talairach-Vielmas,2007 Laurence Talairach Vielmas explores Victorian representations of femininity in fairy tales and sensation novels by authors such as George MacDonald Lewis Carroll Christina Rossetti Wilkie Collins Mary Elizabeth Braddon and Charles Dickens In the clash between fantasy and reality these authors create a new type of realism that exposes the normative constraints imposed to contain the female body and illuminates the tensions underlying the representation of the Victorian ideal      *Aquinas's Theory of Perception* Anthony J. Lisska,2016-06-03 Anthony J Lisska presents a new analysis of Thomas Aquinas s theory of perception While much work has been undertaken on Aquinas s texts little has been devoted principally to his theory of perception and less still on a discussion of inner sense The thesis of intentionality serves as the philosophical backdrop of this analysis while incorporating insights from Brentano and from recent scholarship The principal thrust is on the importance of inner sense a much overlooked area of Aquinas s philosophy of mind with special reference to the vis cogitativa Approaching the texts of Aquinas from contemporary analytic philosophy Lisska suggests a modest innate or structured interpretation for the role of this inner sense faculty Dorothea Frede suggests that this faculty is an embarrassment for Aquinas to the contrary the analysis offered in this book argues that were it not for the vis cogitativa Aquinas s philosophy of mind would be an embarrassment By means of this faculty of inner sense Aquinas offers an account of a direct awareness of individuals of natural kinds referred to by Aquinas as incidental objects of sense which comprise the principal ontological categories in Aquinas s metaphysics By using this awareness of individuals of a natural kind Aquinas can make better sense out of the process of abstraction using the active intellect intellectus agens Were it not for the vis cogitativa Aquinas would be unable to account for an awareness of the principal ontological category in his metaphysics      **Speaking with Aquinas** David Farina Turnbloom,2017 According to Thomas Aquinas the Eucharist is meant to build up the unity of the church This desired ecclesial unity is however not often given adequate treatment In *Speaking with Aquinas* David Farina Turnbloom seeks to describe the relationship between the celebration of the Eucharist and the unity of the church By examining Aquinas s treatment of grace and virtues this book allows the reader to understand Aquinas s eucharistic theology within the context of the spiritual life of the church In the end Turnbloom retrieves a Thomistic theology of the Eucharist that arises from Aquinas s concern for the virtuous life of the church rather than a eucharistic theology that too narrowly focuses on theories of transubstantiation      You Are a Speaking Spirit Being in Your Body Justina Effie Fletcher,2010-12-01 This book outlines her experiences with the Lord and personal

life observations that made her aware of the human spirituality which has been greatly overlooked She hopes it will help readers to acknowledge their own personal spirituality as well as the reality and Allness of God by His sovereign lordship in everything at everywhere and over all men It is expected that readers will be provoked to seek and pursue God for their total Man to be whole by their spiritual and physical well being She has four grown daughters a son and five grandchildren She enjoys reading and listening to music
