Speaking in Tongues Matthew M. Meyer, Speaking in Tongues Matthew M. Meyer, 1987-02-01 Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1977 **The Fractured Church** Bill Sizemore, 2012-05-23 **Reflections on Issues in Music and Worship** Michael G. Coleman, 2019-03-19 Lest you think that Dr Coleman has quit preachin and gone to meddlin in this sensitive topic of music and especially church appropriate music please give this book a chance Coleman draws from many sources both Seventh day Adventist and non Adventist to explain just how the type of music we use in church worship services affects our worship experience and our Christian experience When addressing the current trend of Contemporary Christian Music CCM he assures the reader that he is not against all CCM but cautions against using a song just because it may be popular or may draw a certain crowd into the church He shows how merely the use of contemporary music may attract people to attend church but it doesn't necessarily lead to a true conversion or the intentional discipling of those people Dr Coleman states The seeker sensitive model involved a de emphasis of traditional methods of evangelism and discipleship such as doctrinal preaching calling for repentance from sin and committing oneself to give Bible studies rather it focused on innovation and meeting the wants of people often dubbed felt needs The seeker sensitive model also caused people to view Christianity as something cool and made them feel comfortable in dressing down to attend church worship service sometimes in jeans and a t shirt However it resulted in producing spiritually weak Christians who were pastor dependent and not committed to making disciples for Christ Music ministry leaders and anyone who enjoys music in church will learn to be a little more discriminating in the choice of music after gaining the insights provided in this book **Religion and Mental Health**, 1980 References to 1836 journal articles dissertations and books published since 1970 Also contains foreign language titles Focuses on literature dealing with the theoretical and practical relationships between religion and mental health Classified arrangement Each entry gives bibliographical information and abstract Author subject indexes **The Doctrine of the Holy Spirit** Esther Dech Schandorff, 1995-11-28 Exhaustively mines the vast English language literature on the Holy Spirit and includes both print and nonprint media this important massive bibliography is recommended for seminary libraries or others supporting religious study CHOICE **The Charismatic Movement** Charles Edwin Jones, 1995-04-28 indispensable for all theological libraries and upper division undergraduate and graduate collections generally METHODIST HISTORY the standard bibliographic source for the topic Recommended for any library supporting the study of religion in the present day U S CHOICE **Did you not know? Have you not heard?** Otinel C, Iancu, 2018-01-31 The book contains more than 6 100 questions Its value is not in the answers but rather in the way the questions are formulated and in the information they contain Because the questions are arranged chronologically the book can be used as a study guide Although there are questions that require to memorize certain details most of them contain enough clues within themselves which give the reader the opportunity to find

the correct answer by using comparisons and logic Since the book was conceived with the purpose of using it in Bible contests most of the questions require one word answers The material contained in this book is useful in bringing out things that many readers omit when they read the Bible It is also useful for getting ideas for sermon subjects for Bible contests for obtaining information etc There are a variety of types of questions 1 Simple and straightforward questions 2 Multiple choice questions 3 True and false questions 4 Tricky questions 5 Questions that require logic 6 Questions that require general knowledge 7 Questions that require to know Bible details 8 Interesting questions 9 Questions focused on unique things in the Bible 10 Questions that deal with controversial issues 11 Questions that require a list of names 12 Questions that require special knowledge 13 Doctrinal questions 14 Questions that combine the Old Testament and New Testament 15 Bible geography questions 16 Questions that require memorizing verses Take a look at a few sample questions and answers Tricky question David Solomon Jeroboam Ahab Jehoiakim and Omri were just a few of the Kings of Israel Some of them had problems with the Egyptians and Israel and Egypt were often at war So king of Egypt came and attacked Israel If you paid attention the name of the Egyptian king has already been mentioned Give his name Question that requires logic Alexander the Great around 250 BC gathered in Alexandria Egypt 70 Hebrew scholars to translate the Scriptures from Hebrew into Greek This translation is known under the name of Septuagint LXX What part of the Bible did they translate Was it the Old Testament the New Testament or the whole Bible Question focused on unique things in the Bible This gospel contains nothing about the life of Jesus before he was about 30 years old Answers Tricky question So Questions that require logic OT One should know that there was no NT in 250 BC and the NT was already written in Greek Questions focused on unique things in the Bible Mark *Pentecostals in the 21st Century* Corneliu Constantineanu, Christopher James Scobie, 2018-01-11 A little over one hundred years ago the Holy Spirit breathed a fresh awakening into little communities in Topeka Kansas 1901 and then on Azusa Street in California 1906 Over the past century this spiritual awakening has touched every country on the globe By 2014 there were 631 million Pentecostals in the world comprising a quarter of all Christians and that number is forecast to grow to 800 million by 2025 This book offers a window into some of the unique features of this phenomenal movement through expert contributions from some of the world's preeminent Pentecostal theologians It presents a Pentecostal perspective on important theological themes that pastors theologians and lay leaders are grappling with in the twenty first century **Aimee Semple McPherson and the Making of Modern Pentecostalism, 1890-1926** Chas H. Barfoot, 2014-09-19 Pentecostalism was born at the turn of the twentieth century in a tumble down shack in a rundown semi industrial area of Los Angeles composed of a tombstone shop saloons livery stables and railroad freight yards One hundred years later Pentecostalism has not only proven to be the most dynamic representative of Christian faith in the past century but a transnational religious phenomenon as well In a global context Pentecostalism has attained a membership of 500 million growing at the rate of 20 million new members a year Aimee Semple McPherson born on a Canadian farm was
