Faith Speaking Understanding Kevin J. Vanhoozer, 2014-01-01 In this volume highly esteemed scholar Kevin Vanhoozer introduces readers to a way of thinking about Christian theology that takes the work he began in the groundbreaking 2005 book *The Drama of Doctrine* to its next level Vanhoozer argues that theology is not merely a set of cognitive beliefs but is also something we do that involves speech and action alike He uses a theatrical model to explain the ways in which doctrine shapes Christian understanding and forms disciples The church Vanhoozer posits is the preeminent theater where the gospel is performed with doctrine directing this performance Doctrines are not simply truths to be stored shelved and stacked but indications and directions to be followed practiced and enacted In performing doctrine Christians are shaped into active disciples of Jesus Christ He goes on to examine the state of the church in today's world and explores how disciples can do or perform doctrine Written in an

accessible and engaging style Faith Speaking Understanding sets forth a compelling vision of what the church is and what it should be doing and demonstrates the importance of Christian doctrine for this mission Disciples who want to follow Christ in all situations need doctrinal direction as they walk onto the social stage in the great theater of the world The Christian faith is about acknowledging and participating in the great thing God is doing in our world making all things new in Christ through the Holy Spirit Doctrine ministers understanding of God of the drama of redemption of the church as a company of faithful players and of individual actors all of whom have important roles to play In an age where things fall apart and centers fail to hold doctrine centers us in Jesus Christ in whom all things hold together *Speaking by Faith* Faith

Speaking Things Into Existence by Faith Prayer M Madueke,2020-03-15 Many believers still approach prayers from a spectator s point of view rather than participatory It is not profitable to attend prayer meetings to watch how people prayer instead of participating in praying That is why great ministers and ministries have converted more attendees and admirers of prayer than participators Those who pass decrees are imitators of God Even the wicked imitate God The Lord God of heaven is the initiator of decrees Satan uses the advantage of his knowledge over men to teach his agents how to pass decrees against God s people A decree is a tool meant for God and His children As the crown of God creation we have the right to command the elements and elemental powers to obey us We have the authority as invested by God to talk to the moon sun stars and expect them to obey us The enemies of God are using what rightly belongs to us to fight against us Believers can decree like God They can make a decree and it stands Even ordinary kings of the world by the virtue of their positions can also make decrees and God honours them In this book you have 29 prayer points to help you in your faith exercise

FAITH STUDY COURSE SERIES ISAIAH MACWEALTH,

There are several misconceptions about the subject matter of faith. These misconceptions have left many believers experiencing unfulfilled and an unsatisfactory walk with God. This is because they do not understand what faith really is. Some others confuse faith with hope and believe. There are also those who assume that they have faith but are only operating in fear and doubt. This is why it is important to study the basic concept of faith. So in this book we will look into what faith is, the Satan kind of faith, the God kind of faith, and so much more. After reading this book you will be armed with the understanding of the true concept of faith, what faith is not, and Satan's strategy to keep your faith inactive. [We Walk by Faith](#) Mark D. Michael, 2024-11-06. In today's modern society every believer needs to be firmly established in faith. [We Walk by Faith](#) is a systematic teaching on the biblical principles of faith. There is what is called the measure of faith which the scriptures teach that God has endowed upon every believer. The measure of faith is often referred to as believing faith. Romans 12:3 says God has given to every man the measure of faith. But believing faith is not the faith that pleases God. Believing faith is just where you begin your journey. Your faith is susceptible to increase. Paul tells the Thessalonians Your faith grows exceedingly. 2 Thessalonians 1:3. We can easily see that all faith is not on the same level. Jesus declared to one man I have not found so great faith in all Israel. Matthew 8:10. In order for your faith to be the kind of faith that pleases God you will have to learn the biblical principles of faith. Mark Michael takes us through the scriptures teaching us how to walk by faith and showing us how to receive from God. **In Pursuit of Peace** Joyce Meyer, 2004-09-01.
