Speaking Parables A Homiletic Guide:

Speaking Parables David Buttrick, 2000-01-01 David Buttrick provides an introduction to the parables with a discussion of particular homiletical issues preachers face in interpreting parables Speaking Parables includes commentary on thirty three different parables with suggestions for preaching each one

Preaching Parables to Postmoderns Brian Stiller, 2005-01-01 Preachers in their call to preach the Scriptures are not only charged with the responsibility of speaking its truth but of speaking in such a way that people of this age and culture understand To do this the preacher builds a bridge between today's people and the gospel of both testaments For some this task is more difficult than for others Preaching to those living in an inner city housing project is far removed from an outpost mission in the two thirds world Each community has its own way of thinking and attaches different values to symbols of its own making For those called preach to a generation raised on MTV and late night comedians or those rooted in various economic cultures from government sponsored jobs overseen by union bosses to entrepreneurial dot com companies or generations stretching from high school students to freedom fifty fivers the task is enormous When one adds to that the complexity of a radical shift in underlying intellectual and cultural assumptions the task of preaching becomes even more complicated

Preaching the Parables Craig L. Blomberg, 2004-07 A guide to preaching the parables that shows how to first interpret the parables then proclaim their significance

Distance in Preaching Michael Brothers, 2014-09-22 Based on several years of teaching and careful observation in preaching classes this book by Michael Brothers explores the benefits of distance in preaching and listening to sermons Having noticed that sermon listeners generally want to be given room for their own interpretations and experiences Brothers argues that critical and aesthetic distance as a hermeneutical tool is vital to hearing the gospel today and should be intentionally employed in sermon construction and delivery He explains this distance in the field of homiletics equips teachers and students of preaching to evaluate the function of distance in sermons and encourages preachers to practice the use of distance in their preaching

Stewards of the Story James Earl Massey, 2006-01-01 In this insightful study James Earl Massey offers an expanded version of the Twelfth Annual William E Conger Jr Lectures on Biblical Preaching that he delivered at Beeson Divinity School in February 2004 Through a unique collection of informative lectures and illustrative sermons the highly esteemed teacher and preacher considers four dimensions of the preacher as steward of the gospel story Pastors will warmly welcome this book as it provides them with both practical guidance and insight about their identity as preachers

The Parables of Jesus the Galilean Ernest van Eck, 2016-08-09 Who do we meet in the stories Jesus told In The Parables of Jesus the Galilean Stories of a Social Prophet a selection of the parables of Jesus is read using a social scientific approach The interest of the author is not the parables in their literary contexts but rather the parables as Jesus told them in a first century Jewish Galilean sociopolitical religious and economic setting Therefore this volume is part of the material turn in parable research and offers a reading of the parables that pays special attention to Mediterranean anthropology by

stressing key first century Mediterranean values Where applicable available papyri that may be relevant in understanding the parables of Jesus from a fresh perspective are used to assemble solid ancient comparanda for the practices and social realities that the parables presuppose The picture of Jesus that emerges from these readings is that of a social prophet The parables of Jesus as symbols of social transformation envisioned a transformed and alternative world This world for Jesus was the kingdom of God

'While the Bridegroom is with Them' Marianne Blickenstaff, 2005-06-20 Interpreters of Matthew's Parable of the Wedding Feast 22 1 14 typically associate the king with God and then justify his violent attacks against city and guests interpreters of the Parable of the Ten Virgins 25 1 13 typically associate the bridegroom with Jesus and then justify his extreme rejection of the foolish virgins Questioning such allegorical interpretations this study first details how Hebrew Greek and Roman texts depict without requiring allegorical understandings numerous bridegrooms associated not only with joy but also with violence and death Second this project appeals to the disruptive nature of parables the feminist technique of resisting reading and the Matthean Jesus's own ethical instructions to argue that in the parables those who resist violent rulers and uncaring bridegrooms are the ones worthy of the Kingdom The study then shows how the Matthean Jesus the brideless celibate bridegroom creates a fictive family by disrupting biological and marital ties redefining masculinity and undermining the desirability of marriage and procreation JSNTS 292

The Gospel of Luke Amy-Jill Levine, Ben Witherington, III, 2018-06-28 This volume surfaces distinct historical claims nuanced theological conclusions and a mutual respect in an area where disagreement often results in consignment to hell

Hear and Be Wise Alyce M. McKenzie, 2010-09-01 Empowers the preacher to understand the role of wise leader to which he or she has been called and to claim that role with conviction and joy Pastors are called to an exciting ministry of proclamation and leadership That excitement however often turns to demoralization and burnout as pastors become increasingly uncertain of what their role is supposed to be Competing claims by the congregation the denomination and society about who and what the pastor is supposed to be breed confusion and disappointment Are they primarily managers Therapists Fundraisers A way out of this confusion lies in reclaiming the biblical understanding of who the pastor is One of the biblical roles within the pastoral vocation that often goes neglected is that of wise teacher or sage Scripture presents as a model of pastoral leadership those who interpret the word and will of God for daily living Especially in their preaching pastors are called to help the congregation understand their place in God's world In this book Alyce McKenzie lays out the four qualities of the wise teacher the bended knee the listening heart the cool head and the courageous voice and encourages pastors to make each of these integral to their ministry and vocation She goes on to demonstrate that the sermon is the prime opportunity to function in the role of wise teacher She offers strategies for applying biblical wisdom to all areas of everyday life The strategies include 1 Preaching that is as sensory as life is using imagery metaphor simile and story to connect with people's emotions as well as their intellect 2 Preaching that uses first person experiences without being narcissistic 3 Preaching that teaches

without boring 4 Preaching on public often controversial issues that minimizes defensiveness and maximizes dialogue

Proclaiming the Parables Thomas G. Long, 2024-03-12 In *Proclaiming the Parables* noted preacher and scholar Thomas G. Long moves away from past treatment of the parables primarily as literary devices and moves toward an emphasis on their theological impact as pointers to the kingdom of God While the parables are indeed significant poetic literary creations that have enchanted readers over the centuries their main power he claims lies in their disclosure of the kingdom of God which is not merely an idea nor even just a complex symbol with generative and centrifugal force but an event the inbreaking of the life of God into human history and experience Long sees parables not merely as creative figures of speech but as GPS devices taking hearers to those places where the event of God is happening all around us This book provides two chapters for each synoptic Gospel The first focuses on the Gospel as a whole and the parables place in it and the second provides preachers and teachers with detailed exegetical and homiletical commentary for each major parable in that Gospel Two introductory chapters additionally situate this book in the history and theology of the parables interpretation and address questions that preachers have about preaching the parables Preachers who consult this volume will be informed about each major parable guided through the controversies regarding interpretation and stimulated to preach on the parable in fresh faithful and creative ways

The Message of Jesus Robert B. Stewart, 2013-07-01 John Dominic Crossan and Ben Witherington III along with a group of diverse scholars explore points of agreement and disagreement on the message of Jesus The book shows how each presents his position in light of the others as well as their responses to selected questions The balance of the book is comprised of substantive essays on various facets of the topic from a diverse set of scholars

Finding A Woman's Place David L. Balch, Jason T. Lamoreaux, 2011-01-01 This stimulating collection of essays by prominent scholars honors Carolyn Osiek The essays reflect her career and attempt to pay tribute to both the unity and the diversity of her accomplishments The authors interpret early Christians in their social world and women in early Christianity with interpretations spanning the New Testament and early church documents The editors have brought together an international group of scholars The book includes both a comprehensive bibliography of Osiek's work as well as a brief introduction by the editors reflecting on their experiences with her during her career Contributors David Balch Jeremy W. Barrier Terri Bednarz R. S. M. Laurie Brink O. P. Warren Carter Adela Yarbro Collins Amy Jill Levine Margaret Y. MacDonald Jason L. Merritt Halvor Moxnes Barbara Reid O. P. David Rhoads Donald Senior C. P. Yancy W. Smith

The Fully Alive Preacher Mike Graves, 2006-01-01 Mike Graves begins this book with the question If preaching is intended to enliven the church why is it killing so many ministers His answer Because preaching has become divorced from the vitality and diversity of the preacher's daily life He invites preachers to discover how preaching can be renewing rather than draining

Jesus's Truth Yung Suk Kim, 2018-01-10 Parables of Jesus are stories about everyday life ranging from a person's worldview to economic justice in society This book examines most parables of Jesus from a critical literary perspective Twenty three narrative parables in the Synoptic Gospels are rearranged

by their source Markan parables Q parables Matthean unique parables Lukan unique parables Each parable invites readers to reengage Jesus's stories in the contemporary world *Fulfilled in Our Hearing* Guerric DeBona, 2005 What can today's preacher learn from past practices What needs to be adapted so that the preacher can be an authentic prophetic voice for today Father Guerric DeBona mines the treasures of the Christian homiletic tradition and confronts the challenges of modern technology multiculturalism and feminism to open a discussion about how the preacher can effectively reach the assembly in today's postmodern media saturated culture *Fulfilled in Our Hearing* is certain to become the standard text in homiletics courses for ordained and lay preachers alike **BOOK JACKET** Luke, Widows, Judges, and Stereotypes, Febbie C. Dickerson, 2019-08-01 Biblical narratives are not simply sacred stories for religious communities They are stories that provide transformative insight into cultural biases By putting historical criticism and reception history into dialogue with womanist biblical hermeneutics *Luke Widows Judges and Stereotypes* offers a provocative reading of Jesus' parable about a widow who confronts a judge and obtains what she seeks by means of physical threat Rather than simply reading the widow as the model for one who prays always and does not lose heart Luke 18:1 Dickerson shows that read in the context of Luke's wider narrative the widow domesticated and robbed both of her agency and moral ambiguity is more likely demanding vengeance instead of justice Likewise rather than simply reading the judge as one who neither feared God nor had respect for people Luke 18:2 Dickerson argues that the judge is both an ideal man and one who compromises standards of ancient masculinity Then reading both the widow and judge through African American stereotypes Mammy Jezebel Sapphire Cool Black Male Master Pastor and Foolish Judge that are used to degrade debase and control and reading them into and in light of the parable Dickerson demonstrates how the parable calls into question these stereotypes thereby producing new liberative readings Matthew's Gospel and Judaism in the Late First Century C.E. Anthony Ovayero Ewherido, 2006 Following a thorough examination of the structure language and argument of Matthew's discourse on parables Anthony O Ewherido underscores its primary relevance to the ongoing discussion on the social context of Matthew's Gospel The convincing analysis of the textual evidence and study of some social and historical trends in Christianity and Judaism in the post 70 C.E. era inform Ewherido's conclusion that at the time the Gospel was written to its predominantly Jewish Christian community that community had parted ways with Judaism and stood at an ideologically irreconcilable distance from the synagogue across the street The Empty Church Shannon Craigo-Snell, 2016-08 Why go to church What happens in church and why does it matter The Empty Church presents fresh answers to these questions by creating an interdisciplinary conversation among performance studies theater directors and Christian theologians The result is a compelling depiction of church as a performative relationship with Jesus Christ mediated by Scripture in hope of the Holy Spirit **Guidance: An Adult Study For The Lenten Season** Edwin Aponte, *Voicing the Vision* Linda L. Clader, 2003 Popular homiletics professor Linda Clader has been helping her students become attentive to how the Holy Spirit is speaking to them and

eventually through them to the congregation In *Voicing the Vision* she shares her ideas about what preachers can do to be open and receptive to the Spirit once the exegesis is done Clader s approach to inspired and prophetic preaching is a holistic one filled with suggestions about how the preacher s spiritual life and practice affect openness to the Spirit as well as how various creative exercises can create spaces in which the Spirit can flourish Her careful analysis of the biblical texts that illuminate how the Spirit works in those texts is supplemented by practical suggestions for noticing how the Spirit also works in the everyday life of preacher and congregation This book will be a welcome companion for the seminarian who is just learning to preach as well as the seasoned preacher who is looking for new inspiration
