Special Branch In At The Kill:

Who Killed Rosemary Nelson? Neil Root, 2011-04-04 In March 1999 just months after the signing of the Good Friday Agreement human rights lawyer Rosemary Nelson was assassinated when a bomb exploded under her car The attack was claimed by a loyalist paramilitary group but over the last ten years there have been several government enquiries into Nelson's murder The latest one which has been ongoing since 2005 has dramatically alleged that there may have been some security service collusion in the killing Rosemary Nelson came to prominence for representing high profile Republican and nationalist clients It was no secret that her life was at risk and she had received many death threats but had always been refused police protection She had even claimed publicly that her life was being threatened by members of the RUC allegations which have always been denied by the police This fascinating and in depth book takes an unflinching yet impartial look at this controversial case As well as investigating the events leading to Rosemary Nelson's murder author Neil Root draws on first hand interviews with those relevant to the case He also examines the striking similarities between her death and the assassination of solicitor Pat Finucane in 1989 This is a complex and terrifying story which deserves to be told **A Brutal**

State of Affairs Henrik Ellert, Malcolm Anderson, 2020-04-02 A Brutal State of Affairs analyses the transition from Rhodesia to Zimbabwe and challenges Rhodesian mythology The story of the BSAP where white and black officers were forced into a situation not of their own making is critically examined The liberation war in Rhodesia might never have happened but for the ascendancy of the Rhodesian Front prevailing racist attitudes and the rise of white nationalists who thought their cause just Blinded by nationalist fervour and the reassuring words of the Ministry of Internal Affairs and army commanders the Smith government disregarded the advice of its intelligence services to reach a settlement before it was too late By 1979 the Rhodesians were staring into the abyss and the war was drawing to a close Salisbury was virtually encircled and guerrilla numbers continued to grow A Brutal State of Affairs examines the Rhodesian legacy the remarkable parallels of history and suggests that Smith's Rhodesian template for rule has in many instances been assiduously applied by Mugabe and his successors **Empire of Secrets** Calder Walton, 2014-10-29 The renowned espionage historian offers a gripping account of British intelligence during the last days of empire The Daily Telegraph Drawing on a wealth of newly declassified records and hitherto overlooked personal papers intelligence expert Calder Walton offers a compelling and authoritative history of Britain's espionage activities after World War II A major addition to intelligence literature this is the first book to utilize records from the Foreign Office's secret archive which contains some of the darkest and most shameful secrets from the last days of Britain's empire Working clandestinely MI5 operatives helped to prop up newly independent states across the globe against a ceaseless campaign of Communist subversion Though the CIA is often assumed to be the principal actor against the Soviet Union through the Cold War Britain plays a key role through its so called special relationship with the United States In Empire of Secrets Walton sheds new light on everything from violent counterinsurgencies fought by British forces in the

jungles of Malaya and Kenya to urban warfare campaigns conducted in Palestine and the Arabian Peninsula The stories here have chilling contemporary resonance detailing the use and abuse of intelligence by governments that oversaw state sanctioned terrorism wartime rendition and enhanced interrogation An important and highly original account of postwar British intelligence The Wall Street Journal

Disappeared Anthony Quinn, 2012-07-24 In Northern Ireland's darkest corner the Troubles have never ended Though bombs no longer rock Belfast for some the fight goes on Retired Special Branch agent David Hughes disappears after looking into the previously closed case of Oliver Jordan who went missing at the hands of the IRA decades ago Soon after a former spy is found bludgeoned to death the day after placing his own obituary in the newspaper Beneath Northern Ireland's modern calm ancient jealousies threaten to rend the country asunder once more A Catholic detective in a Protestant nation Celcius Daly knows too well the agonies of sectarian strife To solve this string of murders he must reach decades into the past confronting a painful history that Ireland would prefer to forget Disappeared is the 1st book in the Inspector Celcius Daly Mysteries but you may enjoy reading the series in any order

Into the Dark Johnston Brown, 2005-11-01 Johnston Brown was hailed by Martin Dillon as the superb investigator who was central to bringing Mad Dog Adair to justice According to Dillon the day Brown publishes the story of life in the RUC from the troubled 1970s to the 1990s a veil will be lifted from the undercover war Into the Dark is that story Johnston Brown served in the RUC for nearly 30 years Recruited into the Criminal Investigation Department CID only two years into his service he quickly established himself as a detective of outstanding ability He was to lead the investigation into the murder of solicitor Pat Finucane and it was he who was responsible for finally bringing Johnny Adair to book Brown was however quickly to discover that he was up against another even more deadly enemy than the criminals he was pursuing those sinister elements of RUC Special Branch who for reasons of their own were determined to thwart his success Brown found to his cost that they would stop at nothing to do so Into the Dark offers a gripping insight into life in the RUC the day to day reality of policing the streets of West Belfast during the dark days of the PIRA hunger strike and what it was like to be a detective stationed in the killing fields of North Belfast during the 80s The narrative lays bare some of the key terrorist personalities as well as those operating within the Special Branch to pervert the course of justice as a means of asserting internal control The book is written in very clear and straightforward language and tells the story of the corruption at the heart of the RUC Special Branch during the recent troubles Brown spent 30 years in the force mostly as a detective in the CID branch and was responsible for bring some very important murderers to justice His brave honest and modest personality shines through every page

Fighting and Writing Luise White, 2021-02-08 In Fighting and Writing Luise White brings the force of her historical insight to bear on the many war memoirs published by white soldiers who fought for Rhodesia during the 1964-1979 Zimbabwean liberation struggle In the memoirs of white soldiers fighting to defend white minority rule in Africa long after other countries were independent White finds a robust and contentious conversation about race difference and the war

itself These are writings by men who were ambivalent conscripts generally aware of the futility of their fight not brutal pawns flawlessly executing the orders and parroting the rhetoric of a racist regime Moreover most of these men insisted that the most important aspects of fighting a guerrilla war tracking and hunting knowledge of the land and of the ways of African society were learned from black playmates in idealized rural childhoods In these memoirs African guerrillas never lost their association with the wild even as white soldiers boasted of bringing Africans into the intimate spaces of regiment and regime

Armed Struggle Richard English,2008-09-04 A timely work of major historical importance examining the whole spectrum of events from the 1916 Easter Rising to the current and ongoing peace process fully updated with a new afterword for the paperback edition An essential book closely reasoned formidably intelligent and utterly compelling required reading across the political spectrum important and riveting Roy Foster The Times An outstanding new book on the IRA a calm rational but in the end devastating deconstruction of the IRA Henry McDonald Observer Superb the first full history of the IRA and the best overall account of the organization English writes to the highest scholarly standards Moreover he writes with the common reader in mind he has crafted a fine balance of detail and analysis and his prose is clear fresh and jargon free sets a new standard for debate on republicanism Peter Hart Irish Times The one book I recommend for anyone trying to understand the craziness and complexity of the Northern Ireland tragedy Frank McCourt author of Angela's Ashes

The Crowned Harp Graham Ellison,Jim Smyth,2000-05-20 This book is a detailed analysis of policing in Northern Ireland Tracing its history from 1922 Ellison and Smyth portray the Royal Ulster Constabulary RUC as an organisation burdened by its past as a colonial police force They analyse its perceived close relationship with unionism and why for many nationalists the RUC embodied the problem of the legitimacy of Northern Ireland arguing that decisions made on the organisation composition and ideology of policing in the early years of the state had consequences which went beyond the everyday practice of policing Examining the reorganisations of the RUC in the 1970s and 1980s Ellison and Smyth focus on the various structural legal and ideological components the professionalisation of the force and the development of a coherent if contradictory ideology

Northern Ireland: The Troubles Kenneth Lesley-Dixon,2020-01-31 It is of course no secret that undercover Special Forces and intelligence agencies operated in Northern Ireland and the Republic throughout the troubles from 1969 to 2001 and beyond What is less well known is how these units were recruited how they operated what their mandate was and what they actually did This is the first account to reveal much of this hitherto unpublished information providing a truly unique record of surveillance reconnaissance intelligence gathering collusion and undercover combat An astonishing number of agencies were active to combat the IRA murder squads the Provos among others the Military Reaction Force MRF and the Special Reconnaissance Unit also known as the 14 Field Security and Intelligence Company The Det as well as MI5 Special Branch the RUC the UDR and the Force Research Unit FRU later the Joint Support Group JSG It deals with still contentious and challenging issues as shoot to kill murder squads the Disappeared and collusion with loyalists It examines the findings of

the Stevens Cassel and De Silva reports and looks at operations Loughgall Andersonstown Gibraltar and others *Can Terrorism Be Prevented?* Bekir Çnar, 2010 *Understanding Shadows* Michael Quilligan, 2013-08-29 Vague references to the war on terror and the threat to national security are frequently used by venal politicians to cover up criminal associations and covert illegal activity ranging from money laundering narcotics trafficking abduction and murder to the wholesale slaughter of non combatant civilians glibly dismissed as collateral damage in mainstream media coverage of state terror from the Caucasus to the Middle East and the streets of European capitals while locally in towns and villages that never make headlines predatory Catholic clergy and radical Islamic academics and imams abuse trust to accommodate their personal agendas of greed lust and revenge The issues in *Understanding Shadows* include how the overweening pride of US and European intelligence agencies contributed to the development of the Islamic bomb and the proliferation of nuclear technology crime and extra judicial punishment in Russia and abroad under President Putin and how the bloody and brutal end of democratic Islam in Algeria has facilitated the fear and loathing which has dominated the West's security agenda since 9 11 The arrogance and political hubris of former British PM Tony Blair and the corrupt use of intelligence took the UK to war in Iraq and was a factor in the lonely death of WMD specialist Dr David Kelly while off stage Israel continued its colonization of occupied Arab lands and upgraded its collective punishment of Gaza There is an account of the curious journey the CIA's USSR dangle Lee Harvey Oswald made across Cold War Europe in June 1962 while the end of the apartheid regime in South Africa provided an opportunity for self serving power hungry ANC politicians to feather their own nests at the expense of the impoverished majority a depressing example of a righteous liberation struggle turned sour Meanwhile the long war continued Operation Banner was the codename given to the longest British Army deployment since 1945 In the North of Ireland where the 36 year period of active service is referred to as the Troubles clandestine military units including the murderous Force Research Unit waged a dirty war against the Provisional IRA in particular and the nationalist community in general An estimated 763 British soldiers died and over 6 000 were injured during the Troubles An awareness of the back stories to these issues is an important factor for the understanding of shadows *Twenty-one Days* Anne Perry, 2019-04-09 In the first book of an all new series a young lawyer races to save his client from execution putting him at odds with his own father Thomas Pitt head of London's Special Police Branch Anne Perry's excellent new series launch expertly takes the Pitts into a new century Library Journal starred review 1910 Twenty five year old Daniel Pitt is a junior barrister in London and eager to prove himself independent of his renowned parents influence And the new case before him will be the test When his client arrogant biographer Russell Graves is found guilty of murdering his wife Daniel is dispatched to find the real killer before Graves faces the hangman's noose in only twenty one days Could Mrs Graves's violent death have anything to do with her husband's profession Someone in power may be framing the biographer to keep damaging secrets from coming to light It is a theory that leads Daniel's investigation unexpectedly to London's Special Branch and

disturbingly to one of his father's closest colleagues Caught between duty to the law and a fierce desire to protect his family Daniel must call on his keen intellect and trust his natural instincts to find the truth in a tangle of dark deception lest an innocent man hang for another's heinous crime Praise for Twenty One Days Readers will quickly fall in love with Daniel Pitt following along as he investigates a gruesome murder and chuckling as he throws those involved off kilter Perry is a master at bringing setting to life and readers will be taken in by the time and place as they get to know Daniel Pitt and those close to him in this engaging novel RT Book Reviews The maven of well crafted Victorian mysteries and author of both the William Monk series and the Charlotte and Thomas Pitt mysteries introduces the Pitts son Daniel junior barrister in this first of what proves to be an intriguing entertaining and character centric new series Perry introduces Daniel and his cohort the brilliant Miriam Fforde Croft and raises the knotty question of whether some clients are truly undefendable Booklist Anne Perry seems just as comfortable in 1910 as she ever did back in Victoria's day Kirkus Reviews

Mad Dog - They Shot Me in the Head, They Gave Me Cyanide and They Stabbed Me, But I'm Still Standing Johnny Adair, 2009-07-06 Johnny Adair was born in the Shankhill Road area of Belfast Northern Ireland The youngest of seven children he was raised a Protestant As a teenager Johnny and his gang would roam the streets looking for Catholics for no other reason than religion and he bears many scars and war wounds from endless street battles A young Loyalist Johnny earned his reputation as a paramilitary leader long before he fully understood the politics but quickly came to realise the purpose of the paramilitary antics freedom and peace in Northern Ireland and this belief fuelled his passion for the campaign making him unstoppably ruthless in his quest The authorities hold him responsible for 41 murders and he became known as the most feared and infamous terrorist of them all Now he breaks his silence to tell his true spine chilling story In 1995 Johnny was sentenced to 16 years for Directing Terrorism but in 1999 he was the 293rd prisoner to be released from the Maze Prison under the Good Friday Agreement In total there have been ten attempts on his life and he has a hole in the back of his head the size of a 50p piece where he was shot whilst at a UB40 concert plus a hole in the side of one leg from another attack But his story is not one about money or grudges he was simply fighting for what he truly believes in peace in Northern Ireland a lifelong struggle in which he became known as the hardest man in the UK

Dead Men Talking Nicholas Davies, 2011-05-27 Following the revelations of the secret conspiracy between British Military Intelligence and the gunmen of the Ulster Defence Association in Ten Thirty Three Nicholas Davies now dramatically reveals the evidence and facts that the Sir John Stevens Inquiry is still trying to establish regarding links between the security services and loyalist terrorist groups In Dead Men Talking Davies exclusively details the covert killing operations planned organised and carried through by the RUC Special Branch and MI5 as well as by the British Army's covert intelligence organisation the Force Research Unit He provides new evidence on the killings that were authorised at the highest level of MI5 and the British Government and carried out by loyalist terror groups Davies also reveals the existence of a hitherto unknown secret intelligence unit operating under MI5 and examines its role in

the government's undercover operation Davies traces the work carried out by the legendary Steak Knife the British super spy who infiltrated the highest echelons of the Provisional IRA and passed their secrets to MI5 over a 30 year period For the first time Davies gives details of Steak Knife's extraordinary life reveals some of the Provo bombings and shootings which he thwarted and details vital secrets he passed to British Intelligence Dead Men Talking uncovers the true story of the murder of Belfast solicitor Patrick Finucane of UDA gunman William Stobie and the subsequent murders of others allegedly involved Dead Men Talking uncovers the true story of the murder of Belfast solicitor Patrick Finucane of UDA gunman William Stobie and the subsequent murders of others allegedly involved *Dead Fashion Girl* Fred Vermorel,2023-03-21 A crime and a six decade cover up the death of a fashion designer in the cesspit of vice and violence that was 1950s London In 1954 Jean Mary Townsend was strangled with her own scarf and stripped of her underwear but not sexually assaulted The subsequent police investigation was bungled leading to a six decade cover up ensuring that this twenty one year old fashion designer was effectively killed twice first bodily and then as her significance and her memory were erased Fred Vermorel's forensic troubling and trouble making investigation digs deep into Jean Townsend's life and times and her transgressive bohemian milieu It disentangles the lies and bluffs that have obscured this puzzling case for over half a century and offers a compelling solution to her murder and the official secrecy surrounding it More than just a true crime story Vermorel's investigation deploys Townsend's death as a wild card methodology for probing the 1950s a cesspit of vice and violence from coprophiles to bombsite gangs and flick knives in the cinema Densely illustrated with archival material Dead Fashion Girl is a heavily researched darkly curious expos of London's 1950s society that touches on celebrity royalty the postwar establishment and ultimately tragedy *Wrong Place Wrong Time* Ed Fraliam, **Terrorism: The second or anti-colonial wave** David C. Rapoport,2006 Takes a chronological approach to provide a history of modern rebel or non state terror In addition to articles in academic journals the collection includes discussions statements and government documents **A Very British Jihad** Paul Larkin,2004 In April 2003 the Stevens Report provided the first official acknowledgement of collusion between loyalist armed groups and British security forces in the murders of nationalists in Northern Ireland This book argues that such collusion and associated conspiracies have been a central feature of the British response to the conflict in Ireland for more than thirty years This response amounts to a Holy War or jihad in the name of Protestantism and the British monarchy **Terrorism in East and West Africa** Nick Ridley,2014-12-31 Since 9 11 despite extensive international efforts against global terrorism there has been a misfocussing on the terrorism in Africa This timely book draws upon the author's experience as a former intelligence analyst to give an account of terrorism *Kill Chain* Andrew Cockburn,2024-09-04 An essential and page turning narrative on the history of drone warfare from journalist Andrew Cockburn exploring how this practice emerged who made it happen and the real consequences of targeted killing Assassination by drone is a subject of deep and enduring fascination Yet few understand how and why this has become our principal way of waging war Kill Chain

uncovers the real and extraordinary story its origins in long buried secret programs the breakthroughs that made UAV operations possible the ways in which the technology works and despite official claims does not work Taking the reader inside the well guarded world of national security the book reveals the powerful interests military CIA and corporate that have led the drive to kill individuals by remote control Most importantly of all the book describes what has really happened when the theories underpinning the strategy and the multi billion dollar contracts they spawn have been put to the test Drawing on sources deep in the military and intelligence establishments Andrew Cockburn s Kill Chain unveils the true effects as demonstrated by bloody experience of assassination warfare a revelation that readers will find surprising as well as shocking
