Social Networking Jennifer Obee, 2012-05-18 Social networking is now an entrenched activity for nearly every teen in the country. A recent study showed that nearly 75% of American teens use an online social network, a percentage that continues to rise. Librarians such as the author herself are often asked by young adults for help and advice on social networking, but teens also turn to their friends for information which can be inaccurate or incomplete. *Social Networking: The Ultimate Teen Guide* helps young adults make the most of their online experience, giving them a complete understanding of social networking while also addressing online safety. Author Jennifer Obee helps teens navigate through the challenging intricacies of social networks, covering such topics as

Facebook, YouTube, Twitter, net speak, blogs, privacy, cyberbullying, video chats, smart phones. With quotes from teenagers about their favorite sites and personal stories, *Social Networking* is the perfect resource for teens trying to gain a better understanding of the vast online world. *Keeping in Touch* Carballo, Leni Ramos, 2000 **Theories of Religion** Seth Daniel Kunin, Jonathan Miles-Watson, 2006 This book provides a comprehensive selection of readings that relate to and explore the definition of religion. The texts come from a wide range of approaches, unified both by the questions they are addressing and their broadly social scientific perspective. The disciplines covered include anthropology, phenomenology, psychology, and sociology. The editors have also included some key texts relating to the feminist approach to and critique of religion. The first section of the book includes some of the foundational texts such as materials by Marx, Freud, and Durkheim. The remaining sections look at more recent discussions of the issues from the different disciplinary perspectives. Each reading is introduced by a biographical sketch of the author. The book also includes introductory discussions to each section that both raise the key issues developed in a particular discipline and address the disciplinary approaches from a more critical stance. *Theories of Religion: A Reader* is an invaluable critical resource accessible to a broad audience as well as students of theology and religious studies. *Grandmama and The Church of the People* Yevonne and Benton Cohen, 2007-07 *Grandmama and the Church of the People* Inspired by Psalm 78 v 1-4, this engaging series of lesson-laden vignettes set in a fictitious small town Negro church in South Carolina over the course of 20 years between 1945 and 1965 serves as a pretext for Grandmama to teach her passel of unnamed grandchildren about the curious ways of the Good Lord, God, Father, Son, and Holy Spirit. Through the telling of her stories, Grandmama unfurls fables about the forms and fashions as well as the fun foibles of faith fellowship at The Church of the People and shows us all that in our humanness we will surely fall short of God's perfect ways, sometimes even Grandmama herself. The stories are related in the conversational Ebonics of that era. Grandmama is a woman with a formal education that only reached sixth grade, yet she has the Master's degree in Christian life learning as taught by the Holy Spirit. Most of the stories are light and some are fall-out funny, but others tackle subjects that challenge Christian communities to eschew the worship of denominations, individual churches, or charismatic leaders in favor of a real

personal relationship with God the Holy Father of all Creation God the Son who sacrificed everything for the undeserving and God the Person of Holy Spirit who walks and talks with us through the signposts of life and who can get His feelings hurt when we disobey in the name of God     Reflections from Behind the Glass Jasper A. Lee, 2020-10-23 We see the world through various glasses rose colored glasses glass ceilings even the looking glass While our greatest insights arise from seeing things through these glasses it is not until we look beyond them that we understand who we are and who we can be When we cannot see the glass we risk being trapped in our own glass cell or worse a house of mirrors of our own making

**Carla and Antonio** Margaret Olsen, 2017-11-13 The sound of the church bells fills the air I hurry along the cobblestone street listening to each peal and loving it I breathe deeply as I pass one of the many chocolate shops and am rewarded with an enticing whiff of chocolate The narrow streets are filled with people many are tourists just like me But I don't feel like a tourist I feel as if I once lived in this beautiful medieval city I'm startled by a voice behind me And where are you going I whirl around Antonio Don't scare me like that He laughs and walks along with me How about stopping for a beer at that place along the canal Carla first meets Antonio in 1966 in Bruges Belgium They are each on a summer break from their American universities Their friendship develops but complications begin when Patricia a girl from England arrives Summer break draws to a close and Carla returns to Seattle to continue her studies and her life without really knowing what has become of Antonio Will she ever hear from him again Thirty years later     *Southern Discomfort* Tena Clark, 2018-10-02 *Southern Discomfort* is a raw thought provoking examination of privilege racism sexism the masks we wear to conform to society's expectations and the journey toward authentic identity Read with Us Caste An Oprah's Book Club Discussion Guide For fans of beloved memoirs like *Educated* and *The Glass Castle* a raw and deeply honest Publishers Weekly starred review true story set in rural Mississippi during the Civil Rights era about a white girl coming of age in a repressive society and the woman who gave her the strength to forge her own path the black nanny who cared for her In her memoir that is a story of love and fury Jackson Clarion Ledger Grammy Award winning songwriter and producer Tena Clark recounts her chaotic childhood in a time fraught with racial and social tension Tena was born in 1953 in a tiny Mississippi town close to the Alabama border where the legacy of slavery and racial injustice still permeated every aspect of life On the outside Tena's childhood looked like a fairytale Her father was one of the richest men in the state her mother was a regal beauty The family lived on a sprawling farm and had the only swimming pool in town Tena was given her first car a royal blue Camaro at twelve But behind closed doors Tena's family life was deeply lonely and dysfunctional By the time she was three her parents' marriage had dissolved into a swamp of alcohol rampant infidelity and guns Adding to the turmoil Tena understood from a very young age that she was different from her three older sisters all of whom had been beauty queens and majorettes Tena knew she didn't want to be a majorette she wanted to marry one On Tena's tenth birthday her mother emboldened by alcoholism and enraged by her husband's incessant cheating walked out for good instantly becoming an outcast in their

society Tena was left in the care of her nanny Virgie even though she was raising nine of her own children and was not allowed to eat from the family's plates or use their bathroom. It was Virgie's acceptance and unconditional love that gave Tena the courage to stand up to her domineering father, the faith to believe in her mother's love, and the strength to be her true self. Combining the spirit of brave coming-of-age memoirs such as *The Glass Castle* and vivid evocative Southern fiction like *To Kill a Mockingbird*, *Southern Discomfort* is an unforgettable southern story that sings brightly to the incredible strength of family ties and the great power of love. *The Atlanta Journal-Constitution* and is destined to become a new classic.

*The Art and Alchemy of Chinese Tea* Daniel Reid, 2011-11-15 The fine art of preparing and drinking tea has become a hallmark of Chinese civilization handed down through the ages in China by monks and martial artists, doctors and hermits, emperors and alchemists. In his latest book, Daniel Reid explores Chinese tea in its manifold varieties, its long and colorful historical development in China, and its refinement as a mainstay of Chinese culture. He describes the principles that lie at the heart of tea culture in China, the potent medicinal properties of Chinese tea, and how to cultivate *Cha Dao*, the Daoist way of tea in daily life. A central section of the book explores for the first time the alchemy of Chinese tea, an esoteric aspect of Chinese tea culture that remains unexplored by modern science but was known and cultivated in ancient China. *Jin Dan*, the golden elixir of life, is the elusive essence that resides dormant within tea, as in some other plants and minerals, and can be extracted, activated, and transferred to the human system to protect health, prolong life, and enhance mental performance. The author looks at how and why this works and explains the chemical transformations that take place, as well as explaining the energetic transfer that takes place when tea is prepared by a Master. Illustrated with many photographs by Christan Janzen, the book contains detailed descriptions of many Chinese tea varieties, especially the High Mountain Oolong Tea of Taiwan, which is considered by many to be the pinnacle of perfection in both the art and alchemy of Chinese tea. The book also contains entertaining tea anecdotes from the author's *Tea Tidings* bulletin and a useful glossary of Chinese tea terms. Tea lovers, as well as those with an interest in tea culture, the Dao, and Chinese history and culture, will find this book an absorbing and revelatory read.

**The Sacrament of Same-Sex Marriage** Bridget Burke Ravizza, 2024-04-15 There are roughly 51 million Roman Catholics in the United States, and 61% of those support same-sex unions. Yet even with growing support from the laity and an increasing number of vocal priests and nuns, same-sex couples are still denied the opportunity to experience the sacrament of marriage. Drawing on testimony from same-sex married couples who have a meaningful connection to the Catholic tradition, this book makes a case for considering same-sex marriage as sacramental from a Catholic perspective. Further, it argues that Catholic families, church communities, and institutions would benefit from wider and deeper practices of gospel-inspired hospitality and sanctuary as it relates to queer persons and couples. At the book's heart are stories from twenty-two couples gathered from in-person interviews in Wisconsin, Chicagoland, Washington, D.C., Philadelphia, New York City, Boston, San Diego, and the San Francisco Bay area. The research builds on a previous project on Catholic marriage.

conducted with a colleague Julie Donovan Massey which resulted in Project Holiness Marriage as a Workshop for Everyday Saints Liturgical Press 2015 winner of a 2016 Catholic Press Association Award While that project was limited to heterosexual couples expanding the research to include same sex couples was both timely and necessary Currently the Catholic magisterium asserts There are absolutely no grounds for considering homosexual unions to be in any way similar or even remotely analogous to God s plan for marriage and family Congregation for the Doctrine of Faith Considerations Regarding Proposals To Give Legal Recognition To Unions Between Homosexual Persons No 4 Reasserted in the 2015 Synod document No 76 and quoted by Pope Francis in Amoris Laetitia No 251 On the other hand same sex marriage has been legalized in our country same sex couples including Catholic ones are de facto marrying and parenting a significant number of mainline Protestant churches support same sex marriage and some revisionist Catholic sexual ethicists support same sex relationships Clearly at this moment in time continued theological analysis of same sex marriage is crucial The voices and experiences of same sex couples must inform that analysis Gathered are stories that highlight how couples are sacraments to one another as well as to their families and communities as their love overflows in lifegiving ways Also included are powerful stories of rejection inclusion and belonging in families church communities and Catholic institutions pointing to the power and necessity of gospel inspired radical hospitality and sanctuary This book is an invitation to practice what Pope Francis calls the art of listening necessary for genuine encounter and solidarity in a diverse body of Christ The Joy of the Gospel No 171
