hundred years of American strategic doctrine including the recent history of deterrence and containment He shows how chosen rogue states have been made to stand in for terrorists too difficult to locate and destroy and how the United States continues to support dictatorship in nations it regards as friends while still believing we can impose democracy on vanquished enemies at the barrel of a gun Barber argues for an America that promotes cooperation multilateralism international law and pooled sovereignty For as law and citizenship alone secure liberty within nations law and citizenship alone can secure liberty among them freeing them from fear **Pluto Volume 1** Jeffrey Wolf Green,2011-05-01 Jeff Wolf Green s writing embodies everything you would expect from Pluto intense powerful riveting transformative and penetrating If you want to help yourself and assist other in conscious evolution rather than simply waiting for it to happen this book is the essential map for that journey **The Spirit of Revolt** Richard K. multiple and sometimes conflicting US interests in the region which influenced the Obama administration's response to the popular uprisings in five Muslim majority countries Egypt Bahrain Yemen Libya and Syria After providing a detailed analysis of the traditional features of both US foreign policy rhetoric and practice this book turns its focus to the Obama administration's response to the 2011 Arab Awakening to determine whether Obama's foreign policy has indeed brought about a new beginning in US Muslim relations Television, Religion, and Supernatural Erika Engstrom, Joseph M. Valenzano III, 2014-02-19 Television Religion and Supernatural examines the text of the CW network television series Supernatural a program based in the horror genre that offers viewers myriad religious based antagonists through the portrayals of monsters which its two main characters hunt and destroy as well as storylines based on the Bible Even as the series producers claim a nonreligious perspective the authors contend that story arcs and outcomes of episodes actually forward a hegemonic portrayal of Christianity that portrays a good versus evil motif regarding the superiority of Catholicism The depiction of its protagonist brothers Dean and Sam Winchester of Lawrence Kansas provides a pro American perspective regarding a more generalized fight against evil in contemporary times **Representing Irish Religious Histories**
