Special Needs Adoptions Practice Issues:

Special Needs Adoptions Ruth G. McRoy, 1999 First Published in 1999 Routledge is an imprint of Taylor Francis an informa company *Special Needs Adoptions* Ruth G. McRoy, 2016-01-28 With the new federal mandate to double by the year 2002 the number of children in foster care who are to be adopted or placed in permanent legal guardianships it is essential for adoption agency staff and prospective families to learn which factors contribute to successful and unsuccessful placements Dr Ruth McRoy's informative guide *Special Needs Adoptions Practice Issues* outlines what formulates a successful match between adoptable children with special needs and their prospective parents and how the current placements can be improved Dr McRoy recognizes the challenges of building families through adoptions and offers specific training suggestions for special needs adoptive families and agency workers in order to improve adoption outcomes for children The book is based on a research project designed to identify special needs adoptions practice issues that contributed to intact disruptive and dissolved adoptions by collecting data from adoption supervisors post adoption service providers and actual case records of adoption placements Based on the findings the characteristics of children needing adoptive placement are described practice issues such as matching children and parents are addressed and transition planning is discussed Further controversial placement issues including foster parent adoptions single parent adoptions sibling placement and transracial adoptions are dealt with *Special Needs Adoptions* is a rich resourceful guide for all of the parties involved in a special need adoption state and private adoption agency staff post adoption service providers child welfare policy makers and researchers *Special Needs Adoptions* is also a wonderful resource for adoptive parents or prospective parents considering special needs adoptions

Clinical and Practice Issues in Adoption Victor Groza, Karen F. Rosenberg, 1998 Experts representing practitioners researchers advocates and triad members explore the similarities and differences between adoptees placed as infants and as older children The book promotes better integration of theory practice policy and research in working with clients who are members of the adoption triad adoptees birth parents and adoptive families For the first time the separate practice areas are bridged pointing out the significant overlap between the two populations and the similar interventions that can be used when working with adoptees regardless of their age at placement Developed as a resource text for practitioners researchers students and adoptive triad members the first chapter provides an overview of the clinical and practice issues Next the work presents issues surrounding infertility and explores identity development with a following chapter on search and reunion issues The fifth chapter discusses adoption support both historically and with current developments and issues The work then examines ethics and offers a model for ethical adoption practice The final chapter explores treatment issues from a family systems perspective

Adoption Policy and Special Needs Children Rosemary J. Avery, 1997-03-18 This edited volume contains contributions from leading researchers policy makers practitioners and advocates in adoption policy and practice Topics covered include adoption advocacy race and adoption placement of older

and disabled children adoption disruption adoptive parent recruitment and policy related to federal adoption subsidy support This collection brings together leading researchers policy makers practitioners and advocates in the area of adoption policy and practice All chapter contributors are nationally recognized leaders in their particular fields of expertise Several have been instrumental in shaping public policy and legislation on behalf of special needs children and their families Chapters cover the following topics advocacy on behalf of special needs children racial issues in the placement and adoption of special needs children issues involved in the adoption of older and disabled children adoption disruption recruitment of adoptive parents for special needs children and federal and state policy related to adoption subsidy support The volume covers the key issues related to both practice and policy in child welfare As such it is essential reading for professionals and policy makers in social human services and child welfare Scholars and other researchers in the field will also find the collection invaluable

Special-Needs Adoption James Rosenthal, Victor K. Groza, 1992-02-28 This volume reports the results of a large scale survey of families who adopted children with special needs older children minority children handicapped children or sibling groups In contrast to much of the current literature which focuses on adoption disruption this study shifts the focus of inquiry to intact families It assesses perceptions of social work services parent child relationships family functioning child behavior school performance and other aspects of adoptive family life Rosenthal and Groze compare outcomes for different types of adoptions including adoptions of children of different ages adoptions by minority families transracial adoptions single parent adoptions adoptions by less educated and less wealthy families adoptions by foster parents adoptions of children with handicaps and sibling group adoptions The authors offer solid advice based on their sample of 800 respondents regarding various aspects of practice in the field of adoption including selection of families preparation of families and children and useful follow up services Special Needs Adoption is an invaluable tool for agencies developing adoption programs and practitioners seeking the latest information regarding adoptive family dynamics

Promoting Successful Adoptions Susan Livingston Smith, Jeanne A. Howard, 1999-08-04 This book focuses on adoptive families after the legal finalization of the adoption has taken place The authors Susan Livingston Smith and Jeanne A Howard incorporate the findings of their own unique research project on troubled adoptive families with other empirical research theory practice and knowledge This volume is rich with case examples detailed case histories presentations of various practice strategies and resources The overall result is a stand alone volume offering a clear and well documented overview of the topic It will be invaluable to social workers and other professionals working with children and families

Assessing Adoptive Parents, Foster Carers and Kinship Carers, Second Edition Joanne Alper, David Howe, 2016-12-21 Assessing prospective adoptive parents foster carers kinship carers and special guardians is an extremely complex task and one that happens within a pressurized time frame Currently assessments draw substantially on interviews which can generate a lot of information but little analysis to enable professionals to establish a meaningful understanding of parenting capacity Children with histories of

trauma loss and hurt need to join families in which parents exhibit the ability to be good at relationships are able to manage their own stress and bond with the child in their care Now fully updated and expanded to cover the assessment of kinship carers and special guardians this book combines the latest findings from neuroscience with research on what makes good assessments and provides guidance and tools for making thorough analytical and effective assessments With contributions from leading experts including Dan Hughes Jonathan Baylin Kim Golding and Julie Selwyn it will provide you with the information you need to ensure the best possible chance of placement success

Does Family Preservation Serve a Child's Best Interests? Howard Altstein, Ruth G. McRoy, 2000-08-02 In this new volume two distinguished professors of social work debate the question of whether family preservation or adoption serves the best interests of abused and neglected children Arguing the merits of keeping families together whenever possible Ruth G McRoy examines the background theory and effectiveness of family preservation programs She provides practical recommendations and pays particular attention to the concerns of African American children Claiming that there is insufficient evidence that family preservation actually works Howard Altstein counters that children from truly dysfunctional families should be given the chance for stable lives through adoption rather than left in limbo

Assessing Adoptive and Foster Parents David Howe, Joanne Alper, 2015-04-21 Assessing prospective adoptive and foster parents is an extremely complex task and one that happens within a pressurised time frame Currently assessments draw substantially on interviews with prospective adopters and foster carers Too often they generate a lot of information but lack meaningful analysis and understanding of parenting capacity Children with histories of trauma loss and hurt need to join families in which parents exhibit the ability to be good at relationships able to manage their own stress and bond with the child in their care In this book leading experts including Dan Hughes Jonathan Baylin Kim Golding and Julie Selwyn combine the latest findings from neuroscience with research on what makes good assessments Together they provide guidance and recommend tools for making thorough analytical and effective assessments which will ensure the best possible chance of placement success Assessing Adoptive and Foster Parents is an invaluable source of knowledge and practice guidance for social workers undertaking assessments of parenting capacity of children who have experienced neglect or trauma

Promoting Successful Adoptions Susan Livingston Smith, Jeanne A. Howard, 1999 This book offers a clear well documented view of troubled adoptive families It focuses on adoptive families after the legal finalization of the adoption has taken place and is full of case examples detailed case histories and presentations of various practice strategies

Enhancing the Well-being of Children and Families Through Effective Interventions Colette McAuley, Peter J. Pecora, Wendy Rose, 2006 This reader compares up to date policy and research evidence from the UK and USA on the effectiveness of core child welfare interventions The text shows how knowledge of effective interventions can be used to improve assessment of needs and planning and reviewing services to children and their families

Enhancing the Well-being of Children and Families through Effective Interventions Wendy Rose, Professor Colette McAuley, Peter

Pecora, 2006-01-30 Services for families and children are rightfully the focus of intense scrutiny and debate and there is a clear need to establish a knowledge of which services work well This volume provides a comprehensive overview of research evidence from the UK and USA on the effectiveness of selected child welfare interventions Barriers to Adoption United States. Congress. Senate. Committee on Labor and Human Resources, 1985 *Adoptive Families in a Diverse Society* Katarina Weegar, 2006 Adoptive Families in a Diverse Society brings together twenty one prominent scholars to explore the experience practice and policy of adoption in North America While much existing literature tends to stress the potential problems inherent in non biological kinship the essays in this volume consider adoptive family life in a broad and balanced context Bringing new perspectives to the topics of kinship identity and belonging this path breaking book expands more than our understandings of adoptive family life it urges us to rethink the limits and possibilities of diversity and assimilation in American society *Adoption Beyond Borders* Rebecca J. Compton, 2016-02-15 This book provides a ringing endorsement of international adoption based on comprehensive evidence from social and biological sciences paired with the author's first hand experience visiting a Kazakhstani orphanage for nearly a year A balanced account of the evidence supports international adoption as a viable means of promoting child welfare *Outcomes of Open Adoption from Care* Harriet Ward, Lynne Moggach, Susan Tregeagle, Helen Trivedi, 2021-12-14 This Open Access book presents unique evidence from the first comprehensive study of the outcomes of open adoption from care in Australia It contributes to the international debate concerning the advantages and disadvantages of face to face post adoption contact with birth families The chapters assess whether adoption provides a better chance of permanence and more positive outcomes than long term foster care for abused and neglected children in care who cannot safely return to their birth families They also explore whether open adoption can avoid some of the detrimental consequences of past policies in which adoption was shrouded in secrecy and children frequently grew up with a conflicted sense of identity The book will appeal to policy makers practitioners and students of social policy social work the law psychology and psychiatry It should also be of interest to adult adoptees and adoptive parents whose experiences it reflects **Children Today**, 1988 **The Routledge Handbook of Adoption** Gretchen Miller Wrobel, Emily Helder, Elisha Marr, 2020-02-17 Adoption is practiced globally yielding a multidimensional area of study that cannot be characterized by a single movement or discipline This handbook provides a central source of contemporary scholarship from a variety of disciplines with an international perspective and uses a multifaceted and interdisciplinary approach to ground adoption practices and activities in scientific research Perspectives of birth first parents adoptive parents and adopted persons are brought forth through a range of disciplinary and theoretical lenses Beginning with background and context of adoption including sociocultural and political contexts the handbook then addresses the diversity of adoptive families in terms of family forms attitudes about adoption and characteristics of adopted children Next research examining the lived experience of adoption for birth parents adoptive parents and adopted individuals is presented A variety of

outcomes for internationally and domestically adopted children and adoptive families is then discussed and the handbook concludes by addressing the development training and implementation of adoption competent clinical practice With cutting edge research from top international scholars in a diversity of fields The Routledge Handbook of Adoption should be considered essential reading for students researchers and practitioners across the fields of social work sociology psychology medicine family science education and demography Interviews with chapter authors can be accessed as podcasts <https://anchor.fm/emilyhelder> or as videos <https://bit.ly/2Floi0a> Opportunities for Adoption Act of 1977 United States. Congress. Senate. Committee on Human Resources. Subcommittee on Child and Human Development,1977 **Handbook of Adoption** Rafael A. Javier,2007 Handbook of Adoption addresses topics in adoption that reflect the many dimensions of theory research development race adjustment and clinical practice which can affect adoption triad members
