Special Sermons on Special Issues George Sweeting, 1981 **One Hundred Best Sermons for Special Days and Occasions** Gerard Benjamin Fleet Hallock, 1923 **Special Issue—Justification by Faith: A Historical Evaluation** Various, 2024-12-01 In this issue of Affirmation Heb 1:3 it is impossible to progress in our full salvation without the assurance and without the security that come with a proper realization and experience of justification by faith. The faith that joins us to Christ as righteousness for our justification is the very faith that permeates and operates throughout all of God's salvation work in His believers 1 Tim 1:4 and thus a proper understanding of justification by faith sets us on the right path to the full salvation of our entire being. Our hope is that in reading these accounts of the church's advancing understanding of justification by faith across the millennia our readers will come to the same appreciation and the same boldness that we have arrived at in writing these accounts. *Journal of Moral Theology, Volume 6, Special Issue 1* William Collinge, Christine Cusick, Christopher McMahon, 2017-05-11 **LAUDATO SI AND NORTHERN APPALACHIA** Volume 6 Special Issue 1 Edited by William J. Jackson,Amber Haque,Rosnani Hashim, For forty years AJIS has been a trusted plat form for researchers scholars and practitioners serving as a conduit for the exchange of ideas the dissemination of cutting edge research and the cultivation of intellectual dialogue Many of us found this journal a space for ruminating discussing and developing our own narratives on our Islamic heritage and what it means in the contemporary world Especially compared to anti Islamic biases in other corners of academia AJIS is a coming home One constant throughout the past four decades is the journal s commit ment to scholarship that documents and explores Islam s rich religious intellectual legal philosophical and social heritages The assumption is that these various perspectives have meaningful things to say about the human condition and our place in the world Debate discussion and disagreement all appear in these pages but always grounded in an underlying steadfastness that Islam is a faith tradition that is not obso lete that Muslims can contribute positively to humanity s betterment That said the journal is not a place of religious homilies This is an academic journal with a double blind peer review process Articles that are published thus pass muster in the discipline in which they conduct their research
