## **Specters Of The Atlantic:**

**Specters of the Atlantic** Ian Baucom, 2005-12-16 Cultural and literary study of the 1781 massacre on the slave ship Zong for the insurance money and the aftereffects of the event on the development of modernity **The Specter and the Speculative** Mae G. Henderson, Jeanne Scheper, Gene Melton, 2024 The Specter and the Speculative examines how historical subjects and texts within the African Diaspora are re-fashioned, re-animated and re-articulated as well as parodied, nostalgized and defamiliarized. The essays by emergent and established scholars explore how living archives circulate and haunt the popular imagination, engendering afterlives and liberating prior narratives from their original context. *Fugitive Life* Stephen Dillon, 2018-06-07 During the 1970s in the United States, hundreds of feminist, queer, and antiracist activists were imprisoned or became fugitives as they fought the changing contours of U.S. imperialism, global capitalism, and a repressive racial state. In *Fugitive Life*, Stephen Dillon examines these activists' communications, films, memoirs, prison writing, and poetry to highlight the centrality of gender and sexuality to a mode of racialized power called the neoliberal carceral state. Drawing on writings by Angela Davis, the George Jackson Brigade, Assata Shakur, the Weather Underground, and others, Dillon shows how these activists were among the first to theorize and make visible the links between conservative law and order rhetoric, free market ideology, incarceration, sexism, and the continued legacies of slavery. Dillon theorizes these prisoners and fugitives as queer figures who occupied a unique position from which to highlight how neoliberalism depended upon racialized mass incarceration. In so doing, he articulates a vision of fugitive freedom in which the work of these activists becomes foundational to undoing the reign of the neoliberal carceral state. Postcolonial Theory and International Relations Sanjay Seth, 2013 What can postcolonialism tell us about international relations? What can international relations tell us about postcolonialism? In recent years, postcolonial perspectives and insights have challenged our conventional understanding of international politics. *Postcolonial Theory and International Relations* is the first book to provide a comprehensive and accessible survey of how postcolonialism radically alters our understanding of international relations. Each chapter is written by a leading international scholar and looks at the core components of international relations theories: the nation, geopolitics, international law, war, international political economy, sovereignty, religion, nationalism, Empire, etc., through a postcolonial lens. In so doing, it provides students with a valuable insight into the challenges that postcolonialism poses to our understanding of global politics. **Antigone in the Americas** Andrés Fabián Henao Castro, 2021-07-01 Sophocles's classical tragedy *Antigone* is continually reinvented, particularly in the Americas. Theater practitioners and political theorists alike revisit the story to hold states accountable for their democratic exclusions, as *Antigone* did in disobeying the edict of her uncle Creon for refusing to bury her brother Polynices. *Antigone in the Americas* not only analyzes the theoretical reception of *Antigone* when resituated in the Americas but further introduces decolonial rumination as a new interpretive methodology through which to approach classical texts. Traveling between modern present

and ancient past Andr s Fabi n Henao Castro focuses on metics resident aliens and slaves rather than citizens making the feminist politics of burial long associated with Antigone relevant for theorizing militant forms of mourning in the global south Grounded in settler colonial critique black and woman of color feminisms and queer and trans of color critique Antigone in the Americas offers a more radical interpretation of Antigone one relevant to subjects situated under multiple and interlocking systems of oppression

Across Oceans of Law Renisa Mawani,2018-08-09 In 1914 the British built and Japanese owned steamship Komagata Maru left Hong Kong for Vancouver carrying 376 Punjabi migrants Chartered by railway contractor and purported rubber planter Gurdit Singh the ship and its passengers were denied entry into Canada and two months later were deported to Calcutta In *Across Oceans of Law* Renisa Mawani retells this well known story of the Komagata Maru Drawing on oceans as method a mode of thinking and writing that repositions land and sea Mawani examines the historical and conceptual stakes of situating histories of Indian migration within maritime worlds Through close readings of the ship the manifest the trial and the anticolonial writings of Singh and others Mawani argues that the Komagata Maru's landing raised urgent questions regarding the jurisdictional tensions between the common law and admiralty law and ultimately the legal status of the sea By following the movements of a single ship and bringing oceans into sharper view Mawani traces British imperial power through racial temporal and legal contests and offers a novel method of writing colonial legal history

*Granville Sharp's Uncovered Letter and the Zong Massacre* Michelle Faubert,2018-08-02 This book delineates the discovery of a previously unknown manuscript of a letter from Granville Sharp the first British abolitionist to the Lords Commissioners of the Admiralty In the letter Sharp demands that the Admiralty bring murder charges against the crew of the Zong for forcing 132 enslaved Africans overboard to their deaths Uncovered by Michelle Faubert at the British Library in 2015 the letter is reproduced here accompanied by her examination of its provenance and significance for the history of slavery and abolition As Faubert argues the British Library manuscript is the only fair copy of Sharp's letter and extraordinary evidence of Sharp's role in the abolition of slavery

African Migrants, European Borders, and the Problem with Humanitarianism P. Khalil Saucier, Tryon P. Woods,2024-06-10 *African Migrants, European Borders, and the Problem with Humanitarianism* presents a probing examination of the contemporary migrant crisis in the Mediterranean Basin By centering our analysis on how racial slavery has shaped European democratic culture its abolitionist traditions and the global structures of capital accumulation P Khalil Saucier and Tryon P Woods reveal and confront how contemporary discourse on the migrant crisis displaces Black sovereign mobility Their inquiry into the modern world's culture of politics investigates freedom of movement discourse's ostensible confrontation with border policing the memorializing of Black migrant deaths by artists and advocates and the visual imagery of a cosmopolitan and multicultural Europe as conceived by filmmakers in response to the migrant crisis as variants of a slaveholding culture instantiated in the early Mediterranean and Atlantic worlds This analysis allows the authors to formulate a new critical framework for analysis of both the problems of

contemporary migration and borders and the leading prescriptions on offer from analysts advocates and policy makers in order to develop alternate ways of conceptualizing global society     **Feminist Afterlives of the Witch** Brydie

Kosmina,2023-03-31 The book investigates the witch as a key rhetorical symbol in twentieth and twenty first century feminist memory politics activism and popular culture The witch demonstrates the inheritance of paradoxical pasts traversing numerous ideological memoryscapes This book is an examination of the ways that the witch has been deployed by feminist activists and writers in their political efforts in the twentieth century and how this has indelibly affected cultural memories of the witch and the witch trials and how this plays out in popular culture representations of the symbol through the twentieth and twenty first centuries Consequently this book considers the relationship between popular culture and media activist politics and cultural memory Using hauntological theories of memory and temporality and literary screen and cultural studies methodologies this book considers how popular culture remembers misremembers and forgets usable pasts and the uses and misuses of these memories for feminist politics Given the ubiquity of the witch in popular culture politics and activism since 2016 this book is a timely examination of the range of meanings inherent to the figure and is an important study of how cultural symbols like the witch inherit paradoxical memories histories and politics The book will be valuable for scholars across disciplines including witchcraft studies feminist philosophy and history memory studies and popular culture studies

**Postcolonial Poetics** Elleke Boehmer,2018-06-27 Postcolonial Poetics is about how we read postcolonial and world literatures today and about how the structures of that writing shape our reading The book s eight chapters explore the ways in which postcolonial writing in English from various 21st century contexts including southern and West Africa and Black and Asian Britain interacts with our imaginative understanding of the world Throughout the focus is on reading practices where reading is taken as an inventive border traversing activity one that postcolonial writing with its interests in margins intersections subversions and crossings specifically encourages This close sustained focus on reading reception and literariness is an outstanding feature of the study as is its wide generic range embracing poetry essays and life writing as well as fiction The field defining scholar Elleke Boehmer holds that literature has the capacity to keep reimagining and refreshing how we understand ourselves in relation to the world and to some of the most pressing questions of our time including resistance reconciliation survival after terror and migration     **Subjects of Responsibility** Andrew Parker,Austin

Sarat,Martha Merrill Umphrey,2011 How and why has the concept of responsibility come to pervade the fabric of American public and private life How are ideas of responsibility instantiated in and constituted by the workings of social and political institutions What place do liberal discourses of responsibility based on the individual have in today s biopolitical world where responsibility is so often a matter of risk assessment founded in statistical probabilities Bringing together the work of scholars in anthropology law literary studies philosophy and political theory the essays in this volume show how state and private bureaucracies play crucial roles in fashioning forms of responsibility which they then enjoin on populations How do

government and market constitute subjects of responsibility in a culture so enamored of individuality In what ways can those entities centrally in modern culture those engaged in insuring individuals against loss or harm themselves be held responsible and by whom What kinds of subjectivities are created in this process Can such subjects be said to be truly responsible and in what sense *The Palgrave Handbook of German Romantic Philosophy* Elizabeth Millán

Brusslan,2020-12-15 This Handbook provides a comprehensive and authoritative analysis of the philosophical dimensions of German Romanticism a movement that challenged traditional borders between philosophy poetry and science With contributions from leading international scholars the collection places the movement in its historical context by both exploring its links to German Idealism and by examining contemporary related developments in aesthetics and scientific research A substantial concluding section of the Handbook examines the enduring legacy of German romantic philosophy Key Features Highlights the contributions of German romantic philosophy to literary criticism irony cinema religion and biology Emphasises the important role that women played in the movement s formation Reveals the ways in which German romantic philosophy impacted developments in modernism existentialism and critical theory in the twentieth century Interdisciplinary in approach with contributions from philosophers Germanists historians and literary scholars Providing both broad perspectives and new insights this Handbook is essential reading for scholars undertaking new research on German romantic philosophy as well as for advanced students requiring a thorough understanding of the subject **Invoking Slavery in the**

**Eighteenth-Century British Imagination** Srividhya Swaminathan,Adam R. Beach,2016-05-06 In the eighteenth century audiences in Great Britain understood the term slavery to refer to a range of physical and metaphysical conditions beyond the transatlantic slave trade Literary representations of slavery encompassed tales of Barbary captivity the exotic slaving practices of the Ottoman Empire the political enslavement practiced by government or church and even the harsh life of servants under a cruel master Arguing that literary and cultural studies have focused too narrowly on slavery as a term that refers almost exclusively to the race based chattel enslavement of sub Saharan Africans transported to the New World the contributors suggest that these analyses foreclose deeper discussion of other associations of the term They suggest that the term slavery became a powerful rhetorical device for helping British audiences gain a new perspective on their own position with respect to their government and the global sphere Far from eliding the real and important differences between slave systems operating in the Atlantic world this collection is a starting point for understanding how slavery as a concept came to encompass many forms of unfree labor and metaphorical bondage precisely because of the power of association **Kill the**

**Overseer!** Sarah Juliet Lauro,2020-06-09 Explores the representation of slave revolt in video games and the trouble with making history playable Kill the Overseer profiles and problematizes digital games that depict Atlantic slavery and gamify slave resistance In videogames emphasizing plantation labor the player may choose to commit small acts of resistance like tool breaking or working slowly Others dramatically stage the slave s choice to flee enslavement and journey northward and

some depict outright violent revolt against the master and his apparatus In this work Sarah Juliet Lauro questions whether the reduction of a historical enslaved person to a digital commodity in games such as *Mission US Assassin's Creed* and *Freedom Cry* ought to trouble us as a further commodification of slavery's victims or whether these interactive experiences offer an empowering commemoration of the history of slave resistance *Forerunners* is a thought in process series of breakthrough digital works Written between fresh ideas and finished books *Forerunners* draws on scholarly work initiated in notable blogs social media conference plenaries journal articles and the synergy of academic exchange This is gray literature publishing where intense thinking change and speculation take place in scholarship

***Queer Times, Black Futures*** Kara Keeling, 2019-04-16 Finalist 2019 Lambda Literary Award in LGBTQ Studies A profound intellectual engagement with Afrofuturism and the philosophical questions of space and time *Queer Times Black Futures* considers the promises and pitfalls of imagination technology futurity and liberation as they have persisted in and through racial capitalism Kara Keeling explores how the speculative fictions of cinema music and literature that center black existence provide scenarios wherein we might imagine alternative worlds queer and otherwise In doing so Keeling offers a sustained meditation on contemporary investments in futurity speculation and technology paying particular attention to their significance to queer and black freedom Keeling reads selected works such as Sun Ra's 1972 film *Space is the Place* and the 2005 film *The Aggressives* to juxtapose the Afrofuturist tradition of speculative imagination with the similar speculations of corporate and financial institutions In connecting a queer cinematic reordering of time with the new possibilities technology offers Keeling thinks with and through a vibrant conception of the imagination as a gateway to queer times and black futures and the previously unimagined spaces that they can conjure

***Negative Cosmopolitanism*** Eddy Kent, Terri Tomskey, 2017-11-10 From climate change debt and refugee crises to energy security environmental disasters and terrorism the events that lead nightly newscasts and drive public policy demand a global perspective In the twentieth century the world

sought solutions through formal institutions of international governance such as the United Nations the International Criminal Court and the World Bank but present day responses to global realities are often more provisional improvisational and contingent Tracing this uneven history in order to identify principal actors contesting ideologies and competing rhetoric Negative Cosmopolitanism challenges the Kantian ideal of cosmopolitanism as the precondition for a perpetual global peace Uniting literary scholars with researchers working on contemporary problems and those studying related issues of the past including slavery industrial capitalism and corporate imperialism essays in this volume scrutinize the entanglement of cosmopolitanism within expanding networks of trade and global capital from the eighteenth century to the present By doing so the contributors pinpoint the ways in which whole populations have been unwillingly caught up in a capitalist reality that has little in common with the earlier ideals of cosmopolitanism A model for provoking new and necessary questions about neoliberalism biopolitics colonialism citizenship and xenophobia Negative Cosmopolitanism establishes a fresh take on the representation of globalization and modern life in history and literature Contributors Include Timothy Brennan University of Minnesota Julianne Collard University of British Columbia Mike Dillon California State University Fullerton Sneja Gunew University of British Columbia Dina Gusejnova University of Sheffield Heather Latimer University of British Columbia Pamela McCallum University of Calgary Geordie Miller Dalhousie University Dennis Mischke University of Stuttgart Peter Nyers McMaster University Liam O Loughlin Pacific Lutheran University Crystal Parikh New York University Mark Simpson University of Alberta Melissa Stephens Vancouver Island University and Paul Ugor Illinois State University

[A History of the Modern British Ghost Story](#) S. Hay, 2011-10-27 Ghost stories are always in conversation with novelistic modes with which they are contemporary This book examines examples from Sir Walter Scott Charles Dickens Henry James and Rudyard Kipling amongst others to the end of the twentieth century looking at how they address empire class property history and trauma

**Freedom from Liberation** Gerard Aching, 2015-08-07 Delves into the life and work of Juan Francisco Manzano the enslaved Cuban poet and author of Spanish America's only known slave narrative Valuable Choice By exploring the complexities of enslavement in the autobiography of Cuban slave poet Juan Francisco Manzano 1797-1854 Gerard Aching complicates the universally recognized assumption that a slave's foremost desire is to be freed from bondage As the only slave narrative in Spanish that has surfaced to date Manzano's autobiography details the daily grind of the vast majority of slaves who sought relief from the burden of living under slavery Aching combines historical narrative and literary criticism to take the reader beyond Manzano's text to examine the motivations behind anticolonial and antislavery activism in pre-revolution Cuba when Cuba's Creole bourgeoisie sought their own form of freedom from the colonial arm of Spain

[The Digitally Disposed](#) Seb Franklin, 2021-06-22 Locates the deep history of digitality in the development of racial capitalism Seb Franklin sets out a media theory of racial capitalism to examine digitality's racial capitalist foundations The Digitally Disposed shows how the promises of boundless connection flexibility and prosperity that are often associated with digital

technologies are grounded in racialized histories of dispossession and exploitation Reading archival and published material from the cybernetic sciences alongside nineteenth century accounts of intellectual labor twentieth century sociometric experiments and a range of literary and visual works The Digitally Disposed locates the deep history of digitality in the development of racial capitalism Franklin makes the groundbreaking argument that capital s apparently spontaneous synthesis of so called free individuals into productive circuits represents an informatics of value On the one hand understanding value as an informatic relation helps to explain why capital was able to graft so seamlessly with digitality at a moment in which it required more granular and distributed control over labor the moment that is often glossed as the age of logistics On the other hand because the informatics of value sort populations into positions of higher and lower capacity value and status understanding their relationship to digitality requires that we see the digital as racialized and gendered in pervasive ways Ultimately The Digitally Disposed questions the universalizing assumptions that are maintained remade and intensified by today s dominant digital technologies Vital and far reaching The Digitally Disposed reshapes such fundamental concepts as cybernetics informatics and digitality

The Top Books of the Year Specters Of The Atlantic The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have enthralled audiences this year. Specters Of The Atlantic : Colleen Hoovers "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Specters Of The Atlantic : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Specters Of The Atlantic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
