

Speculative Freemasonry

Art DeHoyos, S. Brent Morris

Speculative Freemasonry:

Speculative Freemasonry and the Enlightenment R. William Weisberger, 2017-09-20 Freemasonry began with stonemasons in the Middle Ages experiencing the decline of cathedral building Some guilds invited honorary memberships to boost their numbers These usually highly educated new members practiced symbolic or speculative Freemasonry The new Masonic lodges and learned societies offered their growing numbers of Protestant Catholic and Jewish members an understanding of deism Newtonian science and representative government and of literature and the fine arts This work describes how Masons on both sides of the Atlantic were mostly either enlighteners political reformers or moderate revolutionaries They offered minimal support to radical revolutionary ideas and leaders **Speculative Masonry** Andrew Sommerville MacBride, 1924 **Freemasonry in Context** Art DeHoyos, S. Brent Morris, 2004-01-01 Freemasonry has had a long enduring and yet at times largely invisible influence on American culture and society The decreased visibility of Freemasonry has to do directly with there being very few scholarly resources on the subject In the history of the United States reaction to Freemasonry led to America's first third party the Anti Masonic Party Much of America's social safety net from the Civil War to the Second World War was provided by the orphanages retirement homes and insurance programs of Freemasonry Freemasonry has also influenced the development of other fellowships Knights of Pythias Elks Moose Woodmen of the World and Knights of Columbus to name a few At its peak in 1960 Freemasonry claimed 4.2 million members one out of every twenty males in the United States In *Freemasonry in Context History Ritual Controversy* editors Arturo de Hoyos and S Brent Morris feature work by renowned Masonic scholars Essays explore the rich and often controversial events that comprise the cultural and social history of Freemasonry Other essays discuss the function and development of ritual rites and practices The scholarship in this volume represents ten years of scholarly investigations by the Scottish Rite Research Society Freemasonry in Context is the most authoritative compendium of Masonic scholarship available Contained within this volume is the most erudite scholarly reflection on an enormous body of research conducted by academic historians and Masonic authors **Speculative freemasonry. A historical lecture upon the origin of craft and high grade freemasonry [&c.]** John Yarker, 1883 **Speculative Freemasonry and the Enlightenment** Richard William Weisberger, 1993 **Speculative freemasonry. A historical lecture upon high grade freemasonry [&c.]** John Yarker, 1883

The History of Freemasonry Albert Gallatin Mackey, 1900 **Method Infinite: Freemasonry and the Mormon Restoration** Cheryl L. Bruno, Joe Steve Swick III, Nicholas S. Literski, 2022-08-09 While no one thing can entirely explain the rise of The Church of Jesus Christ of Latter day Saints the historical influence of Freemasonry on this religious tradition cannot be refuted Those who study Mormonism have been aware of the impact that Freemasonry had on the founding prophet Joseph Smith during the Nauvoo period but his involvement in Freemasonry was arguably earlier and broader than many modern historians have admitted The fact that the most obvious vestiges of Freemasonry are evident only in the more

esoteric aspects of the Mormon faith has made it difficult to recognize let alone fully grasp the relevant issues Even those with both Mormon and Masonic experience may not be versed in the nineteenth century versions of Masonry s rituals legends and practices Without this specialized background it is easy to miss the Masonic significance of numerous early Mormon ordinances scripture and doctrines Method Infinite Freemasonry and the Mormon Restoration offers a fresh perspective on the Masonic thread present in Mormonism from its earliest days Smith s firsthand knowledge of and experience with both Masonry and anti Masonic currents contributed to the theology structure culture tradition history literature and ritual of the religion he founded *History of Freemasonry* Albert Gallatin Mackey,1921 **Encyclopedia Of Freemasonry And Its Kindred Sciences, Volume 1: A-C** Albert G. Mackey, Dr Albert G Mackey appears as author of this Encyclopedia of Freemasonry and its Kindred Sciences which being a library in itself superseded most of the Masonic works which have been tolerated by the craft chiefly because none better could be obtained Here is a work which fulfils the hope which sustained the author through ten years literary labor that under one cover he would furnish every Mason who might consult its pages the means of acquiring a knowledge of all matters connected with the science the philosophy and the history of his order Up to the present time the modern literature of Freemasonry has been diffuse lumbering unreliable and out of all reasonable proportions There is in Mackey s Encyclopaedia of Masonry well digested well arranged and confined within reasonable limits all that a Mason can desire to find in a book exclusively devoted to the history the arts science and literature of Masonry This is volume one out of four and covering the letters A to C **Women's Agency and Rituals in Mixed and Female Masonic Orders** Alexandra Heidle, Joannes Augustinus Maria Snoek,2008 This volume concentrates on two aspects of the participation of women in Freemasonry Womena TM s agency i e the power women gained and exercised in this context and rituals i e the role of man and women in changing and shaping the rituals women work with *The Secret History of Freemasonry* Paul Naudon,2005-03-28 Explores the hidden history of Freemasonry from ancient Rome through the Middle Ages to the present Shows the close connection between medieval masons and the Knights Templar Illustrates the sacred nature of Roman and medieval trade associations Reveals the missing link that connects the lodges of modern Freemasonry to the medieval brotherhoods of builders Historians often make a sharp distinction between the operative Masonry of the Middle Ages and the speculative Masonry of modern times emphasizing that there is no direct bridge connecting the two Modern historians also have scoffed at Masonic claims concerning the close relationship between the Lodge and the Temple Using medieval archives housed throughout Europe historian Paul Naudon reveals that there was in fact a very intimate connection between the Masons and the Knights Templar Church records of medieval Paris show that most if not all the Masons of that time were residents of the Templar censive which allowed them to enjoy great exemptions and liberties from both church and state as a result of the protection afforded them by this powerful order Naudon shows that the origins of Freemasonry can be traced back to the collegia of ancient Rome He traces the evolution of organizations

such as the Comacine Masters the Arab turuqs and the brotherhoods of builders created under the aegis of the Benedictines and the Knights Templar all of which provide the vehicle for the transmission of a sacred tradition from pre Christian times to the modern era This tradition is the source of Masonic ritual and symbolism and it provides the missing link in the transformation of the operative Masonry of the medieval cathedral builders to the spiritual principles of modern speculative Masonry

Encyclopedia Of Freemasonry And Its Kindred Sciences, Volume 4: S-Z Albert G. Mackey, Dr Albert G Mackey appears as author of this Encyclopedia of Freemasonry and its Kindred Sciences which being a library in itself superseded most of the Masonic works which have been tolerated by the craft chiefly because none better could be obtained Here is a work which fulfils the hope which sustained the author through ten years literary labor that under one cover he would furnish every Mason who might consult its pages the means of acquiring a knowledge of all matters connected with the science the philosophy and the history of his order Up to the present time the modern literature of Freemasonry has been diffuse lumbering unreliable and out of all reasonable proportions There is in Mackey s Encyclopaedia of Masonry well digested well arranged and confined within reasonable limits all that a Mason can desire to find in a book exclusively devoted to the history the arts science and literature of Masonry This is volume four out of four and covering the letters S to Z

The Freemasons' Magazine and Masonic Mirror ,1869 **The History of Freemasonry** Robert Freke Gould,1886

Freemasonry and the Ancient Gods John Sebastian Marlow Ward,1921 *The Freemason and Masonic Illustrated. A Weekly Record of Progress in Freemasonry* ,1899 Handbook of Freemasonry ,2014-06-12 Freemasonry is the largest oldest and most influential secret society in the world The Brill Handbook of Freemasonry is a pioneering work that brings together for the first time leading scholars on Freemasonry The first section covers historical perspectives such as the origins and early history of Freemasonry The second deals with the relationship between Freemasonry and specific religious traditions such as the Catholic Church Judaism and Islam In the third section organisational themes such as the use of rituals are explored while the fourth section deals with issues related to society and politics women blacks colonialism nationalism and war The fifth and final section is devoted to Freemasonry and culture including music literature modern art architecture and material culture The history of freemasonry in Canada, from its introduction in 1749 John Ross Robertson,1900

The Brotherhood of Freemason Sisters Lilith Mahmud,2020-03-04 This stupendous ethnography of female Freemasonry in Italy reveals the fascinating paradox of elitism and exclusion experienced by female brothers Michael Herzfeld author of *Evicted from Eternity* From its cryptic images on the dollar bill to Dan Brown s *The Lost Symbol* the Freemasons have long been one of the most romanticized secret societies in the world But a simple fact escapes most depictions of this elite brotherhood there are also female members In this groundbreaking ethnography Lilith Mahmud takes readers inside Masonic lodges of contemporary Italy where she observes the ritualistic and fraternal bonds forged among Freemason women Offering a tantalizing look behind lodge doors *The Brotherhood of Freemason Sisters* unveils a complex

culture of discretion in which Freemasons reveal some truths and hide others Female initiates one of Freemasonry's best kept secrets are often upper class and highly educated yet avowedly antifeminist Their self cultivation through the Masonic path is an effort to embrace the deeply gendered ideals of fraternity In this lively investigation Mahmud unravels the contradictions at the heart of Freemasonry an organization responsible for many of the egalitarian concepts of the Enlightenment and yet one that has always been and in Italy still remains extremely exclusive The result is not only a thrilling look at a surprisingly influential world but a reevaluation of the modern values we now take for granted

Reviewing **Speculative Freemasonry**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence.
