Liffey and Lethe Patrick R. O'Malley, 2017 Patrick R O Malley explores two competing modes of political historiography that emerge within Irish literature and culture one that eludes the unresolved wounds of Ireland's violent history and one that locates its roots in an account of colonial and specifically sectarian bloodshed and insists upon the moral necessity of naming that history **Casement** Angus Mitchell, 2003 This is one title in a series of short illustrated biographies They tell the stories of those who have shaped our present and our past from Beethoven to Dietrich and from Einstein to Churchill Roger Casement 1864-1916 is remembered in England as a traitor but passionately revered in Ireland as founding father of the Irish state By 1913 with an international reputation as a saviour of the oppressed in Africa and South America Sir Roger Casement resigned from the Foreign Office and devoted himself openly to the cause of Irish independence He was a founder of the Irish Volunteers and soon after the outbreak of World War I travelled to Germany to seek international guarantees for Irish independence Returning to Ireland in 1916 he was arrested on the eve of the Easter Rising given a state trial in London and

executed for high treason      Crime, Violence, and the Irish in the Nineteenth Century Kyle Hughes (Lecturer in British history), Donald M.
