Speeches-Literary & Social Thomas Newbigging, 2018 Catalogue of the Public Library of the City of Detroit Henry M. Crittenden, 2024-08-24 Reprint of the original first published in 1877 **Speeches** Charles Dickens, 2020-12-03 IF I felt your warm and generous welcome less I should be better able to thank you If I could have listened as you have listened to the glowing language of your distinguished Chairman and if I could have heard as you heard the thoughts that breathe and words that burn which he has uttered it would have gone hard but I should have caught some portion of his enthusiasm and kindled at his example But every word which fell from his lips and every demonstration of sympathy and approbation with

which you received his eloquent expressions renders me unable to respond to his kindness and leaves me at last all heart and no lips yearning to respond as I would do to your cordial greeting possessing heaven knows the will and desiring only to find the way The way to your good opinion favour and support has been to me very pleasing a path strewn with flowers and cheered with sunshine I feel as if I stood amongst old friends whom I had intimately known and highly valued I feel as if the deaths of the fictitious creatures in which you have been kind enough to express an interest had endeared us to each other as real afflictions deepen friendships in actual life I feel as if they had been real persons whose fortunes we had pursued together in inseparable connexion and that I had never known them apart from you It is a difficult thing for a man to speak of himself or of his works But perhaps on this occasion I may without impropriety venture to say a word on the spirit in which mine were conceived I felt an earnest and humble desire and shall do till I die to increase the stock of harmless cheerfulness I felt that the world was not utterly to be despised that it was worthy of living in for many reasons I was anxious to find as the Professor has said if I could in evil things that soul of goodness which the Creator has put in them I was anxious to show that virtue may be found in the bye ways of the world that it is not incompatible with poverty and even with rags and to keep steadily through life the motto expressed in the burning words of your Northern poet The rank is but the guinea stamp The man s the gowd for a that And in following this track where could I have better assurance that I was right or where could I have stronger assurance to cheer me on than in your kindness on this to me memorable night I am anxious and glad to have an opportunity of saying a word in reference to one incident in which I am happy to know you were interested and still more happy to know though it may sound paradoxical that you were disappointed I mean the death of the little heroine When I first conceived the idea of conducting that simple story to its termination I determined rigidly to adhere to it and never to forsake the end I had in view
