Donald Campbell David Tremayne, 2011-09-30 Generations are familiar with the haunting black and white television footage of Donald Campbell somersaulting to his death in his famous Bluebird boat on Coniston Water in January 1967 It has become an iconic image of the decade His towering achievements and the drama of his passing are thus part of the national psyche But what of the man himself The son of the legendary Sir Malcolm Campbell who was famous for being the ultimate record breaker of the inter war years he broke the land speed record nine times and the water speed record four times with his Bluebird cars and boats Donald Campbell was
