Palmisano, 2011-05-11 Every day leaders around the world make decisions that affect millions of people The results of these decisions are mixed Sometimes like when Nelson Mandela led the fight against apartheid our leaders inspire positive change on a grand scale But at other times like when various leaders failed to respond adequately to Hurricane Katrina poor leadership yields disastrous outcomes Anyone can claim to be a leader in times of calm but crisis situations sift the true visionaries from the false ones Recent events in global affairs make it increasingly apparent that nations must cultivate and encourage true leaders and eschew false ones if they hope to survive Fortunately effective leadership is a skill that can be taught especially through the study of exemplary figures of the past In each chapter of On Leadership Dr Donald J Palmisano cites an example of positive or negative action as a source from which to glean essential leadership lessons Through guided analysis of each real life situation readers will learn detailed practical methods and strategies for becoming true leaders This second edition includes two new chapters which are highly applicable to today s issues Leadership in Crisis The British Petroleum Gulf Oil Spill and Emerging Leaders in a Time of Crisis On Leadership provides crucial advice for those who aspire to become effective leaders in any position Elegant Legal Writing Ryan McCarl, 2024-02-06 Elegant Legal Writing helps attorneys elevate their writing from passable to polished Drawing on ideas from cognitive science stylistics and litigation strategy the book teaches practical techniques by example using fast paced chapters Readers will learn the essentials of effective legal composition Writing clear efficient prose Crafting strong arguments Telling a client s story through a

compelling narrative Overcoming procrastination and drafting more productively Readability aesthetics and argumentation are intertwined Ryan McCarl shows how litigation documents that are easier and more pleasant to read are more likely to persuade judges and other busy readers The book also discusses parts of legal writing that many guides overlook including sentence mechanics writing technology and typography **Tools Students Need to Be Skillful Writers** Phyllis
