The Asian Journal of Thomas Merton Thomas Merton, 2013-08-20 This is quintessential Merton The Catholic Review The moment of takeoff was ecstatic joy We left the ground I with Christian mantras and a great sense of destiny of being at last on my true way after years of waiting and wondering With these words dated October 15 1968 the late Father Thomas Merton recorded the beginning of his fateful journey to the Orient His travels led him from Bangkok through India to Ceylon and back again to Bangkok for his scheduled talk at a conference of Asian monastic orders There he unequivocally reaffirmed his Christian vocation His last journal entry was made on December 8 1968 two days before his untimely accidental death Amply illustrated with photographs he himself took along the way and fully indexed the book also contains a glossary of Asian religious terms a preface by the Indian scholar Amiya Chakravarty a foreword and postscript by Brother Patrick Hart of the Abbey of Gethsemani as well as several appendices among them the text of Merton's final address [The Asian Journal of Thomas Merton](#) Naomi Burton, 1973 *The Asian Journal of Thomas Merton*, 1973 *Thomas Merton* Paul R Dekar, 2012-04-26 Thomas Merton was arguably the twentieth century's most widely published and widely read spiritual writer This book explores Merton's prophetic writings and experience as they offer guidance for those seeking to experience God to simplify their lives to live more humanly and to shape Christian community in the face of alienation consumerism noise and technology The book includes parts of three previously unpublished conference contributions by Merton on technology Exploring Merton's thoughts on monastic renewal prayer radical simplicity ecology technology war peace and interfaith dialogue Dekar reminds us why Merton was so influential and why he continues to be so [Thomas Merton and the Noonday Demon](#) Donald Grayston, 2015-10-29 In *Thomas Merton and the Noonday Demon* Donald Grayson transforms a long neglected cache of letters found in an ancient monastery into a book that offers new insight into the author of these letters Thomas Merton the renowned spiritual writer At the time of their writing the mid 1950s he was living as a Trappist monk at the Abbey of Gethsemani in Kentucky Having reached an impasse in his monastic vocation he decided to leave Gethsemani for the Monastery of Camaldoli in Italy Camaldoli at that time bucolic and peaceful outwardly was inwardly riven by a pre Vatican II culture war whereas Gethsemani which he tried so hard to leave became when he was given his hermitage there in 1965 his place to recover Eden In walking with Merton on this journey and reading the letters he wrote and received at the time we find ourselves asking as he did with so much energy and honesty the deep questions that we may well need to answer in our own lives [Superabundantly Alive](#) Susan McCaslin, J.S Porter, 2018-10-19 *Superabundantly Alive* Thomas Merton's *Dance with the Feminine* is a unique unified multi genre work that includes dialogue imaginary letters poems and reflective essays by two established Canadian poets Taking cues from Merton himself Susan and John establish a playful jazzy dialogic tone *superabundantly alive* This book invites participation for those who already know Merton's work and for those who are meeting this whole and broken prophetic whimsical paradoxical prophet and visionary for the first time

Robert Lax once described Merton's poetry and the man himself as superabundantly alive McCaslin and Porter prove the truth of this description in their enchanting account of the writer mystic who now comes into his second century of stature and significance in the words of Boris Pasternak a live and burning to the end Annual Review of the Sociology of Religion. Volume 9 (2018) Solange Lefebvre, Alfonso Pérez-Agote Poveda, 2018-09-11 Catholicism is generally over institutionalized and over centralized in comparison to other religions However it finds itself in an increasingly interrelated and globalized world and is therefore immersed in a great plurality of social realities The Changing Faces of Catholicism assembles an international cast of contributors to explore the consequent decline of powerful Catholic organisations as well as to address the responses and resistance efforts that specific countries have taken to counteract the secularization crisis in both Europe and the Americas It reveals some of the strategies of the Catholic Church as a whole and of the Vatican centre in particular to address problems of the global era through the dissemination of spiritually progressive writing World Youth Days and the transformation of Catholic education to become a forum for intercultural and interreligious dialogue The volume also reflects on the adaptation of Catholic institutions and missions as sponsored by religious communities and monastic orders

Towards a Distinctive and Inclusive Theology of Catholic Education Studies Sean Whittle, 2025-08-29 Casting a light on one of the leading British scholars working in the field of Catholic Education Studies this edited volume scrutinises contemporary issues surrounding the scholarship of John Sullivan over the past three decades demonstrating the field's development under his scholarly influence Giving voice to many internationally established and leading Catholic education scholars chapters review and critically appraise the contribution of Sullivan's work in key areas such as his call for a coherent philosophy of Catholic education a broader more inclusive Catholic culture robust teacher formation and a coherent understanding of Catholic higher education The book also discusses the interplay between the pastoral and the prophetic two complementary aspects that underpin much of Sullivan's work Ultimately posing questions for how Catholic educators can and should build on Sullivan's foundational legacy this book will appeal to scholars researchers and postgraduate students in the fields of religious education history of education and Catholic educational studies more broadly **Uncommon Prayer** Michael Plekon, 2016-09-15 In Uncommon Prayer Prayer in Everyday Experience Michael Plekon wants to change our minds on what constitutes prayer In doing so he makes a theological claim that commonplace aspects of the Christian life are best understood as prayer whereby encouraging us to see that everyday life carries religious import prayer and the religious life are not restricted to special places and times but are open to all believers at all times Plekon examines the works of diverse authors including many who have challenged the status quo of institutional churches He asks us to listen to what poets writers activists and others tell us about how they pray at work and at home with colleagues family and friends in all the experiences of life from joy to suffering sadness to hope Among them are Sarah Coakley Rowan Williams Heather Havrilesky Sara Miles Thomas Merton Mary Oliver Christian Wiman Mary Karr Barbara Brown Taylor Dorothy Day Maria Skobtsova

Paul Evdokimov Seraphim of Sarov and Richard Rohr Plekon argues that prayer encompasses a much wider variety of activity than formal and liturgical prayers and that by recognizing such aspects of prayer the believer is made more receptive to transformative aspects of prayerful attitudes **Playful Wisdom** Robert Leigh Davis,2020-10-06 Playful Wisdom examines how Henry David Thoreau s thinking about religious play created a theological legacy in American literature one that includes Emily Dickinson Jack Kerouac Thomas Merton Annie Dillard and Marilynne Robinson Although these writers differ in many ways they share with Thoreau an improvisational looseness or mobility in their thinking about the sacred a sense that religious experience unsettles fixed belief and alters the very shape of the perceiving self From this perspective Robert Leigh Davis argues unswerving orthodoxy is not as crucial to a life of faith as a light handed responsiveness of spirit that constantly revises fixed assumptions in light of new experiences Dickinson describes this responsiveness as nimble believing and Thoreau calls it holy play Scholars of literature religion and philosophy will find this book particularly useful

An Asian Woman's Religious Journey with Thomas Merton Jung Eun Sophia Park,2021-11-30 Join Jung Eun Sophia Park on her personal quest for God and her true self through the writings of Thomas Merton Approaching Merton as an Asian immigrant feminist in the postcolonial era Park s perspective is a unique one and in this dance sometimes it is her and sometimes Merton who leads Throughout Eastern and Western spirituality are organically woven together in reflection on Merton s narratives and in the examination of late capitalism poverty beauty and violence These reflections are insightful provocative and illuminating particularly with regard to his androcentric spirituality especially as it relates to his relationships with women *On the Brink of Everything* Parker J. Palmer,2018-06-26 From beloved bestselling author Parker J Palmer Let Your Life Speak comes a beautiful book of meditations and reflections on eight decades of life the process of aging his own spiritual journey which has never been confined to a creed and his vocation as a writer and thinker On the Brink of Everything is an exploration of Parker Palmer s experience of living and aging written in hopes of encouraging readers of every age to explore their life course It is not a guide to or handbook for getting old something all of us are doing all the time Instead it s a set of meditations in prose and poetry that turn the prism on the meanings of one s life and on the importance of staying meaningfully engaged with life until the end From beginning to end the book is packed with both humor and gravitas Thomas Merton's American Prophecy Robert Inchausti,1998-01-01 Thomas Merton was one of the most significant American spiritual writers of the twentieth century His autobiography The Seven Storey Mountain published shortly after the Second World War inspired an entire generation to reconsider the materialist preoccupations of consumer society Twenty years later his essays on nonviolence contemplation and Zen provided the most telling orthodox religious response to the New Left s radical critique of post industrial society In Thomas Merton s American Prophecy Robert Inchausti provides a succinct summary and original interpretation of Merton s contribution to American thought More than just a critical biography this book lifts Merton out of the isolation of his monastic sub culture and brings him back into

dialogue with contemporary secular thinkers In the process it reopens one of the roads not taken at that fateful cultural crossroads called The Sixties Inchausti presents Merton not as the spokesman for any particular group cause or idea but rather as the quintessential American outsider who defined himself in opposition to the world then discovered a way back into dialogue with that world and compassion for it As a result Merton was the harbinger of a still yet to be realized eschatological counter culture the unacknowledged precursor alternative and heir to Norman O Brown s defense of mystery in the life of the mind

The Two Faces of Religion N. S. Xavier,2025-08-28 The Two Faces of Religion considers the entire spectrum of religious experience under the twin aspects of its opposite poles the radiance of mature spirituality and the gloom of sick religiosity Although Dr Xavier necessarily contrasts the positive heights and the negative depths of mankind s spiritual experience he equally emphasizes the vast grey areas of overlap It is in these areas of overlap that Dr Xavier s medical and psychiatric expertise accomplishes the most fruitful of outcomes the recovery of troubled soul from the psycho religious tensions and afflictions so common in today s turbulent and pressurized society His exploration of the dynamic factors underlying the religious spectrum love courage wisdom hate fear egoism identity etc provides a wealth of information and insight to those who are seeking psychological and spiritual growth Clinical historic and literary examples illustrating the operation of these dynamic factors make the book particularly interesting to professionals and lay people alike

Mystics William Harmless,2008 Mystics are path breaking religious practitioners who claim to have experience the infinite word defying Mystery that is God Many have been gifted writers with an uncanny ability to communicate the great realities of life with both a theologian s precision and a poet s lyricism They use words to jolt us into recognizing ineffable mysteries surging beneath the surface of our lives and within the depths of our hearts and by their artistry can awaken us to see and savor fugitive glimpses of a God drenched world In *Mystics* William Harmless S J introduces readers to the scholarly study of mysticism He explores both mystics extraordinary lives and their no less extraordinary writings using a unique case study method centered on detailed examinations of six major Christian mystics Thomas Merton Bernard of Clairvaux Hildegard of Bingen Bonaventure Meister Eckhart and Evagrius Ponticus Rather than presenting mysticism as a subtle web of psychological or theological abstractions Harmless s case study approach brings things down to earth restoring mystics to their historical context Harmless highlights the pungent diversity of mystical experiences and mystical theologies Stepping beyond Christianity he also explores mystical elements within Islam and Buddhism offering a chapter on the popular Sufi poet Rumi and one on the famous Japanese Zen master Dogen Harmless concludes with an overview of the century long scholarly conversation on mysticism and offers a unique multifaceted optic for understanding mystics their communities and their writings Geared toward a wide audience *Mystics* balances state of the art scholarship with accessible lucid prose

Generation Osgood, Libby, 2024-10-23 **A Way to God** Matthew Fox, 2016-04-15 This unique reflection was prompted by an invitation Matthew Fox received to speak on the centennial of Thomas Merton's birth Fox says that much of the trouble he's gotten into such as being excommunicated in 1993 from the Dominican Order by Cardinal Ratzinger who later became Pope Benedict was because of Thomas Merton who sent Fox to Paris to complete a doctoral program in philosophy Fox found that Merton's journals poetry and religious writings revealed a deeply ecumenical philosophy and a contemplative life experience similar to that of Meister Eckhart the fourteenth century mystic theologian who inspired Fox's own creation spirituality It is little surprise to find Fox and Merton to be kindred spirits but the intersections Fox finds with Eckhart are intellectually profound spiritually enlightening and delightfully engaging **Thomas Merton's Gethsemani** Harry L. Hinkle, 2021-12-14 For twenty seven years renowned and beloved monk Thomas Merton 1915-1968 belonged to Our Lady of Gethsemani a Trappist monastery established in 1848 amid the hills and valleys near Bardstown Kentucky In Thomas Merton's Gethsemani dramatic black and white photographs by Harry L. Hinkle and artful text by Merton scholar Monica Weis converge in a unique experience for lovers of Merton Hinkle was allowed unprecedented access to many areas inside the monastery and on its grounds that are generally restricted His photographs invite the reader to experience the various knobs lakes woods and hermitages Merton sought out for times of solitude and contemplation and for reading and writing These unique images each accompanied by a passage from Merton's writings evoke personal reflection and a deeper understanding of how and why Merton came to recognize himself as a part of his Kentucky landscape Woven throughout the book Weis's text explores Merton's fascination with nature not only at Gethsemani but during his early childhood throughout his spiritual conversion to Roman Catholicism and while a member of the Trappist community She examines how Merton's lifelong interaction with nature subtly revealed and informed his profound spiritual experiences and his writing about contemplation Thomas Merton's Gethsemani replicates Merton's path on his solitary hikes in the woods and conveys the wonder of the landscapes that inspired him Seeking God in All Things William E. Reiser, 2004 The practice of spiritual direction assumes a theology of the Holy Spirit a theology of revelation and of the Church and a theology of prayer Seeking God in All Things explores each of these themes as the underpinnings of spiritual direction and examines what makes the Christian religious experience distinctive Since not every experience of God bears a Christian imprint William Reiser SJ asks whether and in what way a Christian might be able to assist someone who is not Christian in developing his or her interior life This question looks beyond suggesting the concrete steps a person might take in initiating nurturing and solidifying a way of praying It looks rather toward the fundamental issue of helping others as they discover and deepen their relationship to the mystery of God Chapters are It Is God Who Directs Imagining Divine Action in Human Lives Where Do Holy Desires Come From What's Distinctive About the Christian Religious Experience Further Elements of Christian Distinctiveness The Incarnation as a Starting Point for Spiritual Direction and Should Christian Spirituality Move Beyond Jesus William Reiser SJ PhD is a

professor of theology in the religious studies department at Holy Cross College Worcester Massachusetts Over the past twelve years he has also served as an associate staff member at the Center for Religious Development in Cambridge He is the author of Jesus in Solidarity with His People published by Liturgical Press
