The Assemblies Of God At The Crossroads Charisma And Institutional Dilemmas:

The Assemblies of God at the Crossroads Margaret M. Poloma,1989 **Speaking in Tongues** Mark J.

Cartledge,2012-04-04 Speaking in tongues glossolalia is a common spiritual phenomenon in the Pentecostal and Charismatic streams of the Christian church Such Christians believe that when they speak in tongues they are communicating with God in a language that they have never learned spiritual prayer language given to them by the Holy Spirit This innovative volume seeks to enhance our understanding and appreciation of glossolalia by examining it from a range of different angles Christian scholars from diverse academic disciplines bring to bear the insights of their own specialist areas to shed new light on the practice of speaking in tongues The disciplines include New Testament Studies Max Turner Theology Frank D Macchia History Neil Hudson Philosophy James K A Smith Linguistics David Hilborn Sociology Margaret M Poloma Psychology William K Kay A final chapter by Mark J Cartledge seeks to show how all of these perspectives can work together and enrich a Christian appreciation of the gift of tongues *Charismatic Glossolalia* Mark J. Cartledge,2017-05-15 What is the nature and function of the Pentecostal Charismatic gift of speaking in tongues Charismatic Glossolalia aims to answer this question Drawing on detailed observations and interviews with people who themselves speak in tongues as well as survey data Cartledge presents explanations on the meaning of this gift for both the participants and their churches Cartledge argues that an understanding of the gift of speaking in tongues emerges as a symbol of divine human encounter especially associated with the context of prayer and worship and symbolising a sense of beauty awe power intimacy and faith building In theological terms speaking in tongues may be described as trinitarian sacramental and as demonstrating an important feature of the Kingdom of God An extensive literature review considers material from the New Testament Pentecostal and Charismatic theology and the behavioural and social sciences This book offers a unique contribution to Pentecostal and Charismatic scholarship as well as the emerging scholarly tradition of Practical Theology **Religion and Social Policy** Paula D. Nesbitt,2001 What is the role of religion in creating the rules of society What should religion s role be Religion in industrialized countries often appears as a private personal matter while issues of social justice are worked out in a secular public sphere But increasingly both policymakers and religious leaders are becoming aware of the role religious values play at the local national and international levels Religion and Social Policy explores how religious concerns influence those who shape and those who are shaped by policies It queries the social teachings of global denominations and local congregations as well as the implicit religious stances taken by national governments and international NGOs Broad issues such as religious tolerance globalization multiculturalism gender roles and economic inequality are carefully grounded with practical examples For students of religion sociology politics or public policy Religion and Social Policy offers an excellent overview of how the sacred and the secular mix in both the theory and practice of creating a just society Visit the editor s web page The Future of Pentecostalism in the United States Eric Patterson,Edmund John Rybarczyk,2007-01-01 One hundred years after

the Azusa Street Revival stunned Los Angeles and changed Western Christianity Pentecostalism has become the fastest growing religious movement in the world However many Pentecostal denominations in the United States are in a slow decline Will Pentecostalism survive in North America in the twenty first century If so what forms will it take The Future of Pentecostalism in the United States brings together leading scholars of charismatic and Pentecostal Christianity to discuss and forecast these issues The book looks at American Pentecostalism from a variety of disciplinary perspectives including sociology theology history and the arts The book also considers various traditions and sub movements within U S

Pentecostalism such as African American Pentecostal and charismatic Latino churches urban postmodern charismatic congregations and the role of Pentecostal institutions of higher education **Commodity Activism** Roopali

Mukherjee,Sarah Banet-Weiser,2012-02-01 Buying RED products from Gap T shirts to Apple to fight AIDS Drinking a Caring Cup of coffee at the Coffee Bean Tea Leaf to support fair trade Driving a Toyota Prius to fight global warming All these commonplace activities point to a central feature of contemporary culture the most common way we participate in social activism is by buying something Roopali Mukherjee and Sarah Banet Weiser have gathered an exemplary group of scholars to explore this new landscape through a series of case studies of commodity activism Drawing from television film consumer activist campaigns and cultures of celebrity and corporate patronage the essays take up examples such as the Dove Real Beauty campaign sex positive retail activism ABC s Extreme Home Makeover and Angelina Jolie as multinational celebrity missionary Exploring the complexities embedded in contemporary political activism Commodity Activism reveals the workings of power and resistance as well as citizenship and subjectivity in the neoliberal era Refusing to simply position politics in opposition to consumerism this collection teases out the relationships between material cultures and political subjectivities arguing that activism may itself be transforming into a branded commodity Divine Callings Richard N.

Pitt,2012-02 One of the unique aspects of the religious profession is the high percentage of those who claim to be called by God to do their work This call is particularly important within African American Christian traditions Divine Callings offers a rare sociological examination of this markedly understudied phenomenon within black ministry Richard N Pitt draws on over 100 in depth interviews with Black Pentecostal ministers in the Church of God in Christ both those ordained and licensed and those aspiring to examine how these men and women experience and pursue the call Viewing divine calling as much as a social process as it is a spiritual one Pitt delves into the personal stories of these individuals to explore their work as active agents in the process of fulfilling their calling In some cases those called cannot find pastoral work due to gender discrimination lack of clergy positions and educational deficiencies Pitt looks specifically at how those who have not obtained clergy positions understand their call exploring the influences of psychological experience the congregational acceptance of their call and their response to the training process He emphasizes how those called reconceptualize clericalism in terms of who can be called how that call has to be certified and what those called are meant to do offering insight into how social

actors adjust to structural constraints *The Practice of Prophecy* Li Ming Dennis Lum, 2018-03-26 The charisma of prophecy is found throughout the history of the global Pentecostal movement Within the movement prophecy is seen as the communication of an inspired spontaneous revelation bringing edification to the faith community Despite its prevalence academic research has mostly focused on the biblical theological aspect neglecting the actual contemporary practice This book addresses this gap with a study on the practice of prophecy within the Assemblies of God of Singapore The book investigates the nature purpose and significance of the phenomenon It also identifies theological variables that are correlated with its practice and explicates these relationships The investigation employs the empirical theological method of Johannes van der Ven utilizing both a qualitative and a quantitative study The results provide a rich description of the actual reception delivery and judging of prophecy Significant findings include relationships between prophecy and courage love personality types prayer types and evangelism **Faith in America** Charles H. Lippy, 2006-09-30 Over the last 25 years there has been much talk of the presumed decline in religious participation in America In addition from the 1960s on surveys that mark the influence of religion in American life have shown a mixed response Many suggest that religion is losing influence in the culture as a whole others indicate that while organized religion may be experiencing challenges spirituality is on the upswing At the same time however there have been signs that religious life in the U S is extraordinarily healthy But religion in America has changed to be sure in a number of ways And it has changed us and our culture in return This timely set looks at the major forces that are changing the shape of religion in American life With an influx of immigrants from Asia Latin America and other regions the diversity of religion has grown to include Buddhism Hinduism Islam and other faiths Latin American and African American communities have experienced changes in the ways they practice their faith and in turn influence American culture in general Women have entered the clergy in record numbers and the push for allowing women and gays to enter the clergy in religions that limit or prohibit their roles is on the increase In addition gay couples are leading the same sex marriage movement and other social issues such as abortion stem cell research end of life care etc are still being debated Interest over how people actually live out their religion or spirituality has mushroomed in recent decades thanks in part to the information revolution and popular culture What folks do when they gather together to worship and where they come together has changed dramatically with the advent of the Internet and the role of sports in American life So much has changed and faith in America has become more important than ever as part of our culture our way of life and the way we relate to each other and the world around us The essays found in these pages shed light on our understanding of these transformations and help us comprehend the enormous role of religion in our society and in our world **The Primitive Church in the Modern World** Richard Thomas Hughes, 1995 *King Tiger* Rudy V. Busto, 2006-01-31 Right now we look like a cricket What is a cricket King of the Insects a little tiny animal All the cricket can do is say cricket cricket cricket Just a noise that s all But you know if that cricket gets in the ear of the lion and scratches inside there is nothing the

lion can do There is nothing there is no way the lion can use his claws and jaws to destroy the cricket The more the lion scratches himself the deeper the cricket goes Reies Lopez Tijerina 1971 Throughout his career in New Mexican land grant politics Reies Tijerina frequently used this fable to inspire persistence in the face of impossible odds As the leader of a grassroots Hispano land rights organization the Alianza Federal de Mercedes Reales The Federal Alliance of Land Grants Tijerina has made an indelible imprint on New Mexico's Hispano culture King Tiger details Tijerina's life and efforts those real rumored and mythologized in the first systematic study of the origin of his political ideas Rudy Busto shows how one of Tijerina's particularly powerful mystical visions led him to northern New Mexico to fight to restore land to those who lost it during various nineteenth century land grant title conflicts More than three decades after the infamous Tierra Amarilla County courthouse raid Tijerina remains an important touchstone for all New Mexicans In his life and activism are found the interdependent issues of land water language economic development sovereignty political power and rights to cultural formation in the Southwest

Blood and Fire Margaret M. Poloma, Ralph W. Hood, Jr., 2008-11-01 What does it mean to live out the theology presented in the Great Commandment to love God above all and to love your neighbor as yourself In *Blood and Fire* Poloma and Hood explore how understandings of godly love function to empower believers Though godly love may begin as a perceived relationship between God and a person it is made manifest as social behavior among people *Blood and Fire* offers a deep ethnographic portrait of a charismatic church and its faith based ministry illuminating how religiously motivated social service makes use of beliefs about the nature of God's love It traces the triumphs and travails associated with living a set of rigorous religious ideals providing a richly textured analysis of a faith community affiliated with the emerging church movement in Pentecostalism one of the fastest growing and most dynamic religious movements of our day Based on more than four years of interviews and surveys with people from all levels of the organization from the leader to core and marginal members to the poor and addicts they are seeking to serve *Blood and Fire* sheds light on the differing worldviews and religious perceptions between those who served in as well as those who were served by this ministry *Blood and Fire* argues that godly love the relationship between perceived divine love and human response is at the heart of the vision of emerging churches and that it is essential to understand this dynamic if one is to understand the ongoing reinvention of American Protestantism in the twenty first century

Religion in Sociological Perspective Keith A. Roberts, David Yamane, 2015-07-18 This fully updated Sixth Edition of *Religion in Sociological Perspective* introduces students to the basic theories and methods in the field and shows them how to apply these analytic tools to new groups they encounter Authors Keith A Roberts and David Yamane explore three interdependent subsystems of religion meaning structure and belonging and their connections to the larger social structure While they cover the major theoretical paradigms of the field and employ various middle range theories to explore specific processes they use the open systems model as a single unifying framework to integrate the theories and enhance student understanding

Popular Religion in America

Erling T. Jorstad, 1993-04-22 The enormous growth of evangelicalism is one of the major developments in recent American life. Like other scholars, Jorstad acknowledges that evangelicalism has grown because it is theologically attractive. But Jorstad also attributes the growth of the evangelical movement to its relationship with American popular culture. According to the author, the evangelical movement was able to integrate populist democratic traditions with a cultural inclusiveness, a mastery of high technology, and a willingness to use mass media to spread its views. The book contains three sections. The first traces the development of evangelical subculture between 1960 and 1990. The second part discusses the evangelical movement and social and individual values. The third part explores popular religion and the media. The book considers the involvement of evangelicals in popular religion, the appeal of popular religion to many but not to all evangelicals, the similarities between popular religion and more traditional religious organizations, and the means by which evangelicalism effectively utilizes the many genres and styles of popular culture. Annual Review of the Sociology of Religion, Volume 8 (2017) Michael

Wilkinson, Peter Althouse, 2017-05-01 The intersection of religion, ritual, emotion, globalization, migration, sexuality, gender, race, and class is especially insightful for researching Pentecostal notions of the body. Pentecostalism is well known for overt bodily expressions that include kinesthetic worship with emotive music and sustained acts of prayer. Among Pentecostals, there is considerable debate about bodies, the role of the Holy Spirit, possession of evil spirits, deliverance, exorcism, revival, and healing of bodies and emotions. Pentecostalism is identified as a religion on the move, and so bodies are transformed in the context of globalization. Pentecostalism is also associated with notions of sexuality, gender, race, and class, where bodies are often liberated and limited. This volume evaluates these themes associated with contemporary research on the body.

When You Come Together Amy S. Anderson, 2011-04-01 WHEN YOU COME TOGETHER brings us back to primitive theological truths such as the church as family, the body with its interconnected parts, and the presence of the Holy Spirit. Who delights to reveal God's heart and mind to His gathered people. Amy Anderson contends that belonging to God's people should involve us all in something less like a music concert and more like a jazz session with every person participating as an essential instrument following a common thread while also expecting the Holy Spirit to weave new themes into the established patterns. Anderson provides a nitty-gritty guide to both why and how we can ditch the concert paradigm and instead learn to gather alertly in God's presence, allowing Him to speak in our midst and turn our lives upside down. *The Canadian Pentecostal Experience*, 2024-10-02 The Canadian Pentecostal Experience includes eighteen essays organized into three themes: 1. Historiography and Early Canadian Pentecostalism, 2. Theological Practices and Processes, and 3. Social and Cultural Change. This collection makes a significant contribution to the growing literature of global Pentecostal scholarship. The works are important for the Canadian context but, as the editors argue in the Introduction, Canadian Pentecostalism is globally shaped by both local and global realities. This collection will interest readers drawn from the wider field of religious studies and global Pentecostalism to initiate conversations about how Pentecostalism evolves in both its local and global.

expressions *Dismantling the Dualisms for American Pentecostal Women in Ministry* Lisa Stephenson, 2011-09-30 This book analyzes the historical and theological factors resulting in the present situation among American Pentecostal women in ministry and proposes a Feminist Pneumatological anthropology and ecclesiology that address the problematic dualisms that have perpetuated Pentecostal women's ecclesial restrictions *Sisters, Mothers, Daughters: Pentecostal Perspectives on Violence against Women*, 2022-06-13 This volume explores issues and themes related to violence against women. It is distinctive in two ways. First, the editors have convened an international cohort of contributing scholars whose assessment of the pervasiveness and urgency of the problems and their proposals for solutions derives from their pneumatology, their theology of the Holy Spirit. Second, this book represents quite simply the first sustained effort to bring together in one volume Pentecostal voices from a variety of academic disciplines, ecclesial traditions, and cultural situations to address the urgent issues associated with violence toward women.

The New International Dictionary of Pentecostal and Charismatic Movements Stanley M. Burgess, Eduard M. van der Maas, 2010-08-03 The Definitive History of the Spirit Filled Church. Encyclopedic coverage of Activities of the Spirit over 2 000 years of church history in 60 countries and regions. Outpourings at Topeka, Mukti Mission, India, Azusa Street, Duquesne University, and many other 20th century locations. Current movements among today's 500 million plus Pentecostal and charismatic Christians worldwide. The New International Dictionary of Pentecostal and Charismatic Movements sets modern Spirit-filled Christianity in a context that spans two millennia and the entire Christian world. Like no other resource, this volume reveals in detail the full sweeping legacy of Spirit-empowered movements that have touched hearts and lives both in modern America and across the centuries and continents in medieval Europe, Finland in the 1700s, South India in the 1800s, Azusa Street at the turn of the 20th century, and much more, including ongoing moves of the Holy Spirit throughout the world today. One thousand entries provide the most extensive information available on Pentecostal, charismatic, and neocharismatic movements. The diverse topics covered include, as a small sample, glossolalia, black and Hispanic Pentecostalism, prophecy, the role of women, faith healing, music, sociology, missions, church growth, and different historic and contemporary revivals. With its unique international and historical perspective, this completely revised and expanded second edition of the acclaimed Dictionary of Pentecostal and Charismatic Movements offers features that no other reference of its kind approaches. Its extraordinary scope and detailed up-to-date coverage make this the definitive resource on Pentecostal and charismatic denominations and movements both in North America and worldwide. Includes Exhaustive coverage of Pentecostal and charismatic movements in 60 countries and regions, individual histories, cultural and theological aspects, and key figures and institutions. Statistical section with a wealth of current information on the growth of classical Pentecostalism as well as charismatic and neocharismatic movements. 1 000 articles. Over 500 photos and illustrations, maps, and timeline. Cross references, bibliographies, and indexes to people, places, and topics.

The Assemblies Of God At The Crossroads Charisma And Institutional Dilemmas Introduction

In today's digital age, the availability of The Assemblies Of God At The Crossroads Charisma And Institutional Dilemmas books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Assemblies Of God At The Crossroads Charisma And Institutional Dilemmas books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Assemblies Of God At The Crossroads Charisma And Institutional Dilemmas books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Assemblies Of God At The Crossroads Charisma And Institutional Dilemmas versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Assemblies Of God At The Crossroads Charisma And Institutional Dilemmas books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics.

Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Assemblies Of God At The Crossroads Charisma And Institutional Dilemmas books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Assemblies Of God At The Crossroads Charisma And Institutional Dilemmas books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Assemblies Of God At The Crossroads Charisma And Institutional Dilemmas books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Assemblies Of God At The Crossroads Charisma And Institutional Dilemmas books and manuals for download and embark on your journey of knowledge?
