The Atlanta Paradox

Helen Morgan Parmett

The Atlanta Paradox:

Atlanta Paradox David L. Sjoquist, 2000-05-25 Despite the rapid creation of jobs in the greater Atlanta region poverty in the city itself remains surprisingly high and Atlanta's economic boom has yet to play a significant role in narrowing the gap between the suburban rich and the city poor This book investigates the key factors underlying this paradox The authors show that the legacy of past residential segregation as well as the more recent phenomenon of urban sprawl both work against inner city blacks Many remain concentrated near traditional black neighborhoods south of the city center and face prohibitive commuting distances now that jobs have migrated to outlying northern suburbs The book also presents some promising signs Few whites still hold overt negative stereotypes of blacks and both whites and blacks would prefer to live in more integrated neighborhoods The emergence of a dynamic black middle class and the success of many black owned businesses in the area also give the authors reason to hope that racial inequality will not remain entrenched in a city where so much else has changed A Volume in the Multi City Study of Urban Inequality *Atlanta Paradox* David L.

American Muslim Women Jamillah Karim, 2009 Focusing on women who sometimes move outside of their ethnic Muslim spaces and interact with other Muslim ethnic groups in search of gender justice this ethnographic study of African American and South Asian immigrant Muslims in Chicago and Atlanta explores how Islamic ideas of racial harmony and equality create hopeful possibilities in an American society that remains challenged by race and class inequalities Page 4 of cover

The Black Metropolis in the Twenty-first Century Robert Doyle Bullard, 2007 Written mostly by African American scholars the chapters in this book describe the challenges facing cities suburbs and metropolitan regions as they seek to address continuing and emerging patterns of racial polarization in the twenty first century The book clearly shows that the United States entered the new millennium as one of the wealthiest and most powerful nations on Earth Yet amid this prosperity our nation is faced with some of the same challenges that confronted it at the beginning of the twentieth century including rising inequality in income wealth and opportunity economic restructuring immigration pressures and ethnic tension and a widening gap between haves and have nots

BOOK JACKET *Highway Robbery* Robert Doyle Bullard, Glenn Steve Johnson, Angel O. Torres, 2004 Firmly places transportation equity at the center of the ongoing civil rights struggle for equal opportunity

Transporting Atlanta Miriam Konrad, 2010-07-02 America's worsening nightmare of gridlock is given full attention in this illuminating study of the transportation crisis in Atlanta Inconveniences and hardships created by too many automobiles and too few alternatives for movement have reached untenable levels Miriam Konrad investigates three major transportation projects involving public transit and use of space issues in the Atlanta area the Metropolitan Atlanta Rapid Transit Authority MARTA the bus and rail system that has been the backbone of metropolitan Atlanta's public transportation system for the past thirty years the Georgia Regional Transportation Authority GRTA a superagency created in 1999 to address air quality issues in the region and the Belt Line a popular proposal to build a twenty two mile loop of greenspace transit and other amenities around an inner loop of the city on existing rail beds She reveals how gridlock over regional transportation policy and procedures has emerged out of the competition between growth promoters environmentalists and social justice actors

Stadium City Helen Morgan Parmett, 2025-09-23 A new sports stadium has an outsized impact on a city's landscape and image of itself Each stadium also plays a central role in media institutions technologies and culture as a catalyst for urban change and flashy neighborhood anchor cornerstone of regional identity and purveyor of multimedia experiences Helen Morgan Parmett analyzes sports stadiums in Atlanta Seattle and Minneapolis to demonstrate the role that media institutions technologies and culture play in sports and examine their impact on the urban landscape These interconnected factors impact struggles over city space identity and urban governing As Morgan Parmett shows stadiums exist as more than just buildings and sporting places they are central nodes in the city that connect disconnect and distribute resources people information and ultimately power Morgan Parmett demonstrates how the sportification of place is influenced by the specific histories geography and sporting cultures of a city while explaining their relationship to broader

forces at work in media sport and urbanism Original and incisive Stadium City offers a beyond the playing field analysis of sports stadiums and their impact on our cities and our lives **Agenda for Social Justice** Glenn W. Muschert, Brian V. Klocke, Robert Perrucci, Jon Shefner, 2016-08-03 The Agenda for Social Justice Solutions for 2016 provides accessible insights into some of the most pressing social problems in the United States and proposes public policy responses to those problems Written by a highly respected team of authors brought together by the Society for the Study of Social Problems SSSP it offers recommendations for action by elected officials policy makers and the public around key issues for social justice including a discussion of the role of key issues of sustainability and technology in the development and timbre of future social problems It will be of interest to scholars practitioners advocates and students interested in public sociology and the study of social problems **Past Trends and Future Prospects of the American City** David L. Sjoquist, 2009-09-24 Atlanta's experience over the past 15 to 20 years is reflective of many cities particularly those in the south and west Thus the story of how and why Atlanta has changed is informative for cities in general What accounts for the positive turn around of the city of Atlanta What can other cities learn from Atlanta's experience This collection examines changes in the city of Atlanta over the past three decades and explores the factors associated with the observed changes Beginning with several essays that take a broad focus on the city's demographics and the city's economy the contributions then focus on more specific aspects of urban development such as the changing face of retailing income and poverty race and ethnicity the arts transportation and housing and gentrification Later chapters assess the future prospects for the city Together the contributions paint a picture of how the city of Atlanta has changed why it has changed and its future prospects The implications for other major metropolitan centers are broad and the lessons learned are of relevance to anyone interested in the economic and social health of cities **Our Kids** Robert D. Putnam, 2016-03-29 The best selling author of Bowling Alone offers a groundbreaking examination of the American Dream in crisis how and why opportunities for upward mobility are diminishing jeopardizing the prospects of an ever larger segment of Americans **Cities in Transition** Nirmala Rao, 2008-01-07 This is an up to date and topical treatment of how six major cities in Europe North America and Asia are coping with the new demands on urban government Population expansion the migration of new peoples and disparities between cities and suburbs are longstanding features of the urban crisis Today city governments also face demands for popular participation and better public services while they struggle to position themselves in the new world economy While each of the cities is located in its unique historical setting the emphasis of the book is upon the common dilemmas raised by major planning problems and the search for more suitable approaches to governance and citizen involvement A principal theme is the re engineering of institutional structures designed to foster local responsiveness and popular participation The discussion is set in the context of the globalizing forces that have impacted to different degrees at different times upon London Tokyo Toronto Berlin Hyderabad and Atlanta Cities in Transition is a major and original addition to the comparative literature on urban governance **The**

Diaspora of Brazilian Religions ,2013-03-27 The Diaspora of Brazilian Religions explores the global spread of religions originating in Brazil a country that has emerged as a major pole of religious innovation and production Through ethnographically rich case studies throughout the world ranging from the Americas Canada the U S Peru and Argentina and Europe the U K Portugal and the Netherlands to Asia Japan and Oceania Australia the book examines the conditions actors and media that have made possible the worldwide construction circulation and consumption of Brazilian religious identities practices and lifestyles including those connected with indigenized forms of Pentecostalism and Catholicism African based religions such as Candomblé and Umbanda as well as diverse expressions of New Age Spiritism and Ayahuasca centered neo shamanism like Vale do Amanhecer and Santo Daime Contributors include Ushi Arakaki Dario Paulo Barrera Rivera Brenda Carranza Anthony D Andrea Sara Delamont Alejandro Frigerio Alberto Groisman Annick Hernandez Clara Mafra Cecília Mariz Deirdre Meintel Carmen Rial Cristina Rocha Camila Sampaio Clara Saraiva Olivia Sheringham Neil Stephens Jos Cláudio Souza Alves Claudia Swatowski and Manuel A Viquez

The Silent Majority Matthew D. Lassiter,2013-10-24 Suburban sprawl transformed the political culture of the American South as much as the civil rights movement did during the second half of the twentieth century The Silent Majority provides the first regionwide account of the suburbanization of the South from the perspective of corporate leaders political activists and especially of the ordinary families who lived in booming Sunbelt metropolises such as Atlanta Charlotte and Richmond Matthew Lassiter examines crucial battles over racial integration court ordered busing and housing segregation to explain how the South moved from the era of Jim Crow fully into the mainstream of national currents During the 1960s and 1970s the grassroots mobilization of the suburban homeowners and school parents who embraced Richard Nixon's label of the Silent Majority reshaped southern and national politics and helped to set in motion the center right shift that has dominated the United States ever since The Silent Majority traces the emergence of a color blind ideology in the white middle class suburbs that defended residential segregation and neighborhood schools as the natural outcomes of market forces and individual meritocracy rather than the unconstitutional products of discriminatory public policies Connecting local and national stories and reintegrating southern and American history The Silent Majority is critical reading for those interested in urban and suburban studies political and social history the civil rights movement public policy and the intersection of race and class in modern America

Race and the Greening of Atlanta Christopher C. Sellers,2023-08-15 Race and the Greening of Atlanta turns an environmental lens on Atlanta's ascent to thriving capital of the Sunbelt over the twentieth century Uniquely wide ranging in scale from the city's variegated neighborhoods up to its place in regional and national political economies this book reinterprets the fall of Jim Crow as a democratization born of two metropolitan movements a well known one for civil rights and a lesser known one on behalf of the environment Arising out of Atlanta's Black and white middle classes respectively both movements owed much to New Deal capitalism's undermining of concentrated wealth and power if not racial segregation in the Jim Crow South Placing

these two movements on the same historical page Christopher C Sellers spotlights those environmental inequities ideals and provocations that catalyzed their divergent political projects He then follows the intermittent sometimes vital alliances they struck as civil rights activists tackled poverty as a new environmental state arose and as Black politicians began winning elections Into the 1980s as a wealth concentrating style of capitalism returned to the city and Atlanta became a national poster child for sprawl the seedbeds spread both for a national environmental justice movement and for an influential new style of antistatism Sellers contends that this new conservatism sweeping the South with an antienvironmentalism and budding white nationalism that echoed the region s Jim Crow past once again challenged the democracy Atlantans had achieved The Oxford Encyclopedia of Food and Drink in America Andrew Smith,2013-01-31 Home cooks and gourmets chefs and restaurateurs epicures and simple food lovers of all stripes will delight in this smorgasbord of the history and culture of food and drink Professor of Culinary History Andrew Smith and nearly 200 authors bring together in 770 entries the scholarship on wide ranging topics from airline and funeral food to fad diets and fast food drinks like lemonade Kool Aid and Tang foodstuffs like Jell O Twinkies and Spam and Dagwood hoagie and Sloppy Joe sandwiches

Sport in the Americas Mark Dyreson,2019-12-18 Statues of fans as nostalgic monuments to the North American devotion to baseball Canadian lacrosse and ethnic ideologies the rise of modern sports and class sensibilities in S o Paulo the inaugural world championship for women s hockey and national memories of Olympic Games hosted on US soil What do these seemingly disparate themes have in common They each comprise a facet of sporting experiences in the western hemisphere that took place between the 1890s and the 1990s This collection offers new insights on the role of sport in defining local regional national and international cultures in the western hemisphere The essays offer historical perspectives on the power of sport to create common ground in modern societies while simultaneously exploring how it serves to mark cultural boundaries and reinforce cultural identities From national pastimes to ethnic traditions from class sensibilities to racial ideologies Sport in the Americas presents novel contributions that examine both the singular and manifold patterns of culture that sport animates The chapters in this book were originally published as a special issue in The International Journal of the History of Sport *What's New about the "New" Immigration?* Marilyn Halter,Marilynn S. Johnson,Katheryn P. Viens,Conrad Edick Wright,2014-12-17 Historians commonly point to the 1965 Immigration and Nationality Act as the inception of a new chapter in the story of American immigration This wide ranging interdisciplinary volume brings together scholars from varied disciplines to consider what is genuinely new about this period

Workers on Arrival Joe William Trotter,2021-01-19 An eloquent and essential correction to contemporary discussions of the American working class The Nation From the ongoing issues of poverty health housing and employment to the recent upsurge of lethal police community relations the black working class stands at the center of perceptions of social and racial conflict today Journalists and public policy analysts often discuss the black poor as consumers rather than producers as takers rather than givers and as liabilities instead of

assets In his engrossing history *Workers on Arrival* Joe William Trotter Jr refutes these perceptions by charting the black working class's vast contributions to the making of America Covering the last four hundred years since Africans were first brought to Virginia in 1619 Trotter traces the complicated journey of black workers from the transatlantic slave trade to the demise of the industrial order in the twenty first century At the center of this compelling fast paced narrative are the actual experiences of these African American men and women A dynamic and vital history of remarkable contributions despite repeated setbacks *Workers on Arrival* expands our understanding of America's economic and industrial growth its cities ideas and institutions and the real challenges confronting black urban communities today

Cities of Knowledge Margaret Pugh O'Mara, 2015-02-17 What is the magic formula for turning a place into a high tech capital How can a city or region become a high tech powerhouse like Silicon Valley For over half a century through boom times and bust business leaders and politicians have tried to become the next Silicon Valley but few have succeeded This book examines why high tech development became so economically important late in the twentieth century and why its magic formula of people jobs capital and institutions has been so difficult to replicate Margaret O Mara shows that high tech regions are not simply accidental market creations but cities of knowledge planned communities of scientific production that were shaped and subsidized by the original venture capitalist the Cold War defense complex At the heart of the story is the American research university an institution enriched by Cold War spending and actively engaged in economic development The story of the city of knowledge broadens our understanding of postwar urban history and of the relationship between civil society and the state in late twentieth century America It leads us to further redefine the American suburb as being much more than formless sprawl and shows how it is in fact the ultimate post industrial city Understanding this history and geography is essential to planning for the future of the high tech economy and this book is must reading for anyone interested in building the next Silicon Valley

When somebody should go to the book stores, search opening by shop, shelf by shelf, it is in fact problematic. This is why we present the ebook compilations in this website. It will categorically ease you to look guide **The Atlanta Paradox** as you such as.

While this might not be the The Atlanta Paradox full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Atlanta Paradox eBooks, including some popular titles.

FAQs About The Atlanta Paradox Books

What is a The Atlanta Paradox PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Atlanta Paradox PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Atlanta Paradox PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Atlanta Paradox PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Atlanta Paradox PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
