The Attic A Memior:

The Attic Curtis Harnack, 2011 **The Attic** Murray David Movitz, 2022-09-21 *The Attic* Guanlong Cao, 1996 Novelist

Guanlong Cao's autobiographical account of growing up in urban Shanghai affords a rare glimpse into daily life during the forty turbulent years following the Communist Revolution. Forced to the bottom of Chinese society as class enemies, Cao's family eked out a meager existence in a cramped attic. The details of their day to day existence, the endless quest for enough food, its preparation, Cao's schooling and friends, the stirrings of sexual desire, his dreams and fantasies are brought brilliantly to life in spare yet evocative prose. The memoir illuminates a world largely unknown to Westerners, one where human pettiness, cruelty, joy and tenderness play themselves out against a backdrop of political upheaval and material scarcity. Reminiscent of the concise style of classical Chinese memoirs, Cao's lean elegant prose heightens the emotional intensity of his story. Perceptive and humorous, his voice is deeply original. It is a voice that demands to be heard for the historical moment it captures as well as for the personal revelations it distills.

Out of the Attic Pamela Spock, 2025-09-09. An only child raised by a secretive and volatile mother, Millie wrestled with mysteries about her birth. Every attempt to follow the clues was met with avoidance and resistance. Then one day a shocking discovery in an old tabloid magazine shattered Millie's world. It confirmed what she suspected but also raised deeper, more painful questions. Would she ever find the truth? Was there any hope for overcoming the shame and anger? *Out of the Attic* is a powerful memoir told by Millie's daughter, written with the emotional force of a novel. Heralded as a story worthy of being on Oprah's show, it's a story of rugged hope, finding lost family, and one woman's extraordinary search for the kind of freedom only love can bring.

The Story of a Pioneer (A Memoir) Anna Howard Shaw, 2017-10-16. Anna Howard Shaw was a courageous woman who decided to preach in a time when women were not allowed to speak in public, let alone preach. Gradually over the years she became associated with the women's movement in USA and along with other famous activists like Susan B. Anthony made it her life's mission to work tirelessly for the cause of gender equality. Excerpt: My father's ancestors were the Shaws of Rothiemurchus in Scotland and the ruins of their castle may still be seen on the island of Loch an Eilan in the northern Highlands. It was never the picturesque castle of song and story, this home of the fighting Shaws, but an austere fortress, probably built in Roman times and even to day the crumbling walls which alone are left of it show traces of the relentless assaults upon them.

The Hollyhock Dolls'NA Memoir: Growing Up in Michigan Diane G. Wroblewski, 2017-05-03. Take a step back and look into the experiences of a little girl growing up in Detroit with her two older sisters. When the Shrine Circus was in town, her dad brought home clowns in costume, a bear trainer, and a trapeze artist. The adventures of the author and her sisters at boarding school. The tragedy of losing her daughter Julie in a head-on collision, leaving a young husband and two little boys. You'll laugh at the incident of the elephant on the roof, the wasp and the negligee, and the police almost arresting Santa Clause. The happenings at their son Steve's wedding was so unusual and funny it could be an SNL skit. The antics of a grandmother who
