Bond, 2000-11 Why is one marriage out of two today doomed to end in divorce My interviews with 71 divorced women searched for answers Did they love their husbands when they married Did they believe at the time that it was till death do us part Were there other lovers in the lives of the couple at the time of the divorce Is there any connection between an unhappy childhood and a failed marriage Do women tend to lose their identities in marriage To my surprise I saw the majority of interviews take on a similar shape which revealed who the women were and how the divorces fit into the pattern of their lives In my years of practice as a psychoanalyst I saw how badly people need others with whom to identify With this collection divorcees can see their own fears despair grief hopes and aspirations reflected in the lives of women passing through similar experiences I hope the fact that all the subjects came away from their divorces with greater strength insight and self esteem will serve as an inspiration to all survivors of loss and pain As Queen Isabella said in *Henry V* Happily a woman's voice may do some good Tales of Psychology Alma Bond, 2002-08-27 *Tales of Psychology* consists of 19 short stories selected for their insight into human nature and their merit as fine works of literature Each story is followed by a discussion of the psychological principles revealed Reading this book will be a unique opportunity for lay readers and professional psychologists and writers alike to deepen their knowledge of human psychology *Tales of Psychology* demonstrates that artists can learn the psychological understructure of their characters from the insight of an experienced psychologist Similarly the stories establish that lay people can absorb the teachings of these master writers in a captivating painless manner The conclusions reached in the stories beat out the findings of insightful psychology in a manner interesting to all From publisher's description *The Encarta Book of Quotations* Bill Swainson, 2000-09-30 Here are 25 000 quotations drawn from the history politics literature religions science and popular culture of the world ranging from the earliest Chinese sages through Shakespeare to the present day **Maria Callas** Arianna Stassinopoulos Huffington, 1981 The New York Times Book Reviews 2000 New York Times Staff, 2001 This anthology examines *Love's Labours Lost* from a variety of perspectives and through a wide range of materials Selections discuss the play in terms of historical context dating and sources character analysis comic elements and verbal conceits evidence of authorship performance analysis and feminist interpretations Alongside theater reviews production photographs and critical commentary the volume also includes essays written by practicing theater artists who have worked on the play An index by name literary work and concept rounds out this valuable resource **Hillary Rodham Clinton: On The Couch** Alma H.
