The Avenue Goes To War:

The Avenue Goes to War R. F. Delderfield, 2014-07-22 The residents of a South London street face World War II together in this novel from the New York Times bestselling author of *The Dreaming Suburb* Years ago the Great War tore apart the lives of the families living on Manor Park Avenue in South London Now as Allied and Axis armies rage across Europe in an even more devastating conflict the residents of the Avenue struggle to cope with the sacrifices England must make as their nation's place in the world irrevocably changes Longtime homeowner Jim Carver who lives in Number Twenty had his fill of combat in the trenches of France more than twenty years ago But when the Luftwaffe rains death from above on his beloved street he dedicates himself to the war effort Carver's eldest son Archie has come a long way from grocer's errand boy to owner of a chain of successful shops His illicit affair with a neighbor whose husband is fighting for King and Country threatens to undo everything he has achieved Esther Frith lives a solitary life in Number Seventeen seemingly oblivious to the aerial onslaught ravaging the Avenue now that the war has turned her family into casualties And across the road at Number Twenty Two reclusive Harold Godbeer hates what the war is doing to his country He realizes that even if England succeeds in helping defeat the Axis's tyrannical dictators his nation will be but a shadow of its former glory Living side by side as their neighborhood becomes a battleground two generations of Manor Park Avenue must unite if they and their way of life are to survive during wartime in this moving novel about the connections we forge during times of trouble which was also adapted for British television
