The Awakening And Selected Stories Of Kate Chopin:

The Awakening And Selected Short Stories (Illustrated) Kate Chopin, 2014-08-16 The Awakening originally titled A Solitary Soul is a novel by Kate Chopin first published in 1899 Set in New Orleans and the Southern Louisiana coast at the end of the nineteenth century the plot centers on Edna Pontellier and her struggle to reconcile her increasingly unorthodox views on femininity and motherhood with the prevailing social attitudes of the turn of the century South It is one of the earliest American novels that focuses on women's issues without condescension It is also widely seen as a landmark work of early feminism generating mixed reaction from contemporary readers and criticism The novel's blend of realistic narrative incisive social commentary and psychological complexity makes The Awakening a precursor of American modernist literature it prefigures the works of American novelists such as William Faulkner and Ernest Hemingway and echoes the works of contemporaries such as Edith Wharton and Henry James It can also be considered among the first Southern works in a tradition that would culminate with the modern masterpieces of Faulkner Flannery O'Connor Eudora Welty Katherine Anne Porter and Tennessee Williams The Awakening Beyond The Bayou Ma'ame Pelagie Desiree's Baby A Respectable Woman The Kiss A Pair Of Silk Stockings The Locket A Reflection This version includes new illustrations [The Awakening and Selected Stories of Kate Chopin](#) Kate Chopin, 2017-09-30 The Awakening by Kate Chopin shocked the critics of her time because of the issues that it addressed Devastated by the bad reviews Chopin never wrote again In time the book was revived by feminists who recognized that the work was fascinating also beautifully written and composed The Awakening tells the story of Edna Pontellier who is unhappy in her life as a mother and wife In the book Edna begins to awaken from her conventional role of mother and wife to a woman that desires independence to become an individual Though married Edna falls in love with Robert Leburn who moves away to avoid destroying her reputation by showing his feelings for her She then has an affair with Alcee Abouron a womanizer Through The Awakening Edna discovers that she cannot awaken fully from the restraints and conventions placed upon her by society that during her time society will not let her be the woman that she wants and needs to be The Awakening is about a woman that experiences and realizes the complexities of her life and the restraints keeping her from being the woman she wants to be Other stories included in this book include Beyond the Bayou Ma'ame Pelagie Desiree's Baby A Respectable Woman The Kiss A Pair of Silk Stockings and The Locket **The Awakening and Selected Short Stories** Kate Chopin, 2015-08-01 This collection of Kate Chopin's works includes her novel The Awakening and eight of her most well known short stories The Awakening was condemned by most critics when it was first published in 1899 but now is celebrated for its early feminist views Chopin advocates for women's rights in this novel chronicling a housewife's evolution from an obedient wife and mother into a liberated independent woman Also included in this collection is Chopin's celebrated short story Desiree's Baby which addresses the subject of racial prejudice The novel and stories in this unabridged collection reflect the best of this American author's life work published over the years from 1893 until after her
