The History and Culture of the Aztec Charles River Editors,2025-05-04 From the moment Spanish conquistador Hernan Cortes first found and confronted them the Aztecs have fascinated the world and they continue to hold a unique place both culturally and in pop culture Nearly 500 years after the Spanish conquered their mighty empire the Aztecs are often remembered today for their major capital Tenochtitlan as well as being fierce conquerors of the Valley of Mexico who often engaged in human sacrifice rituals Ironically and unlike the Mayans the Aztecs are not widely viewed or remembered with nuance in part because their own leader burned extant Aztec writings and rewrote a mythologized history explaining his empire s dominance less than a century before the Spanish arrived Naturally Cortes and other Spaniards depicted the Aztecs as savages greatly in need of conversion to Catholicism While the Mayans are remembered for their astronomy numeral system and calendar the Aztecs have primarily been remembered in a far narrower way despite continuing to be a source of pride to Mexicans through the centuries As a result even though the Aztecs continue to interest people across the world centuries after their demise it has fallen on archaeologists and historians to try to determine the actual history culture and lives of the Aztecs from the beginning to the end relying on excavations primary accounts and more The World s Greatest Civilizations The History and Culture of the Aztecs looks at this whole story in an attempt to portray the Aztecs as they actually were Along with pictures of Aztec art and ruins this book describes the Aztecs lives religion art cities and empire in an attempt to better understand the once dominant civilization

the conquest based on rarely used Nahuatl language sources written by the indigenous people **Aztec Captivating History**,2017-10-12 Explore the Captivating History and Mythology of the Aztec Nothing remains of the ancient Mesoamerican civilization who called themselves the Mexica better known to us as the Aztecs Nothing except for their remarkable story In this book we discuss their enigmatic origins and how the Aztecs rose from nomadic tribes to the dominant power in Mesoamerica at an astounding speed You ll wander the streets of their great capital city of Tenochtitl n known as the Venice of the New World among the Spanish Conquistadors who spread the term all over Europe You ll discover the full extent of the city s splendour visiting its many market stalls smelling fresh chocolate and vanilla pods You ll indulge in a taste of ripe hand picked avocados and freshly baked corn tortillas as you decipher N huatl the language spoken by the 50 000 merchants who visited Tenochtitl n every day You ll probably wonder how this great city built in the middle of a lake and isolated by two of Mexico s highest mountains Iztaccihuatl and Popocatepetl could ever be defeated From the arrival of the first Spaniards in 1519 to the eventual fall of the Aztec empire we ll talk you through the major battles that eventually led to its fall We ll uncover lies and deceptions in the alliance with their neighbouring cities of Tetzaco and Tlacopan We ll also look at Aztec legacy on the world today how Tenochtitl n became the basis for the capital of the New World and evolved into today s Mexico City Some of the topics and questions covered in this book include The Origins of Aztecs A Tribe Destined for Greatness The Unwelcome Arrival in Mexico Valley The Rise of Tenochtitl n and the Triple Alliance The Greatest Aztec Kings and Their Heritage The Splendor of Tenochtitl n A Guided Tour Around Tenochtitl n Rites Rituals and Delicious Recipes The Fall of Tenochtitl n And a Great Deal More that You don t Want to Miss out on Get the book now to learn more about the Aztecs **Handbook to Life in the Aztec World** Manuel Aguilar-Moreno,2007 Describes daily life in the Aztec world including coverage of geography foods trades arts games wars political systems class structure religious practices trading networks writings architecture and science **Aztec Civilization** Hourly History,2020-06-15 Discover the remarkable history of the Aztec Civilization The Aztec Empire dominated Mesoamerica for a relatively short time less than one hundred years but it is remembered today more than other ancient cultures in the region which sustained for much longer Partly that is because this was a relatively recent culture which was widely reported by the first Europeans to make contact with it Another one of the reasons is because the Aztecs have become indelibly associated with human sacrifice The sheer scale of these rituals caused horror and fascination in the first Europeans to encounter it Anything up to eighty thousand victims may have been brutally killed during a single religious festival and up to a quarter of a million people may have been sacrificed each year of Aztec rule The seemingly insatiable need for victims to placate the Aztec gods even led to wars whose purpose was not conquest or plunder but obtaining sacrificial victims Yet there was a great deal more to the Aztecs than human sacrifice These people created a complex society and one of the largest cities in the world They developed a sophisticated set of laws and made notable advances in astronomy and agriculture In the course of less than one hundred

years the Aztecs came to dominate Mesoamerica and created an empire which looked set to continue for a very long time indeed Then the first Spanish conquistadors arrived and within less than two years the Aztec Empire had been completely destroyed This is the story of the rise and fall of the Aztec Empire Discover a plethora of topics such as Origins The Creation of Tenochtitlan Aztec Weapons and Warfare The Triple Alliance The City of Tenochtitlan The Spanish Conquest And much more So if you want a concise and informative book on the Aztec Civilization simply scroll up and click the Buy now button for instant access
