The Back Nine:

The Back Nine Skip Everitt, Tom Jenkins, John Darr, John Reger, 2012-06-01 When I retire I ll finally get my golf game in shape This is a myth unless you dedicate yourself to a plan for healthy living and a focus on the principles of good golf The myth of better golf in retirement is based on a few faulty assumptions 1 If I play everyday I will get better 2 The absence of work and more control over my time will result in better golf I will be relaxed and stress free 3 My current set of clubs and my old swing will work even better now that I am playing more The truth about building a better game of golf in our later years is based on a very different set of principles not mythical assumptions The principles of improvement are 1 Your life must become a portfolio of living that includes health conditioning positive relationships higher purpose and meaning 2 Your golf game must become a project with goals objectives and specific action items that elevate your game 3 You will need to invest in modern equipment swing analysis and find a local teaching pro to help you build an enduring game I have an admission to make you you the reader and golfer Currently I am at a 15 year low point in my game Two years of cancer treatment and back injury have elevated my handicap from a 5 to an 11 Selfishly the writing of this book is for me However the greater good of book is for you the recent retiree Together we will learn how to have a great back nine The following pages are a blueprint for my recovery and rebuilding of a respectable golf game Perhaps it will serve as your blueprint as well Today is truly the first day of a better game of golf and life on our back nine The Back Nine John Bowling, 2004-12-01 In the front nine of my life my expectations about my golf game were much too high I tried too hard to be like the great golfers I saw on television or read about in the golf magazines I wanted to hit the ball long and fire approach shots that landed near the pin and spun backwards into or near the hole Instead I had a pronounced slice and struggled to exceed 200 yards on my drives Too many of my approach shots didn t even hit the green let alone spin backward into the hole I ve learned as I ve grown older and wiser that you don t have to be good at golf to enjoy it **Perfect Practice/Practice** **Perfect** Chick Lung, 2012-07-20 Young lady I ve known you and your brother from the first day you both sat in these very same chairs as I told your mother why she was having trouble tripping over things I know you re strong Wendy and you are going to need this strength in the next few years You do have the very early stages of Neuro Muscular Dystrophy the same disease that affected your mother As the doctor told her what to expect and how longt it would take for each stage to progress there was no shouting or jumping up and pounding the nearest thing to her Wendy sat quietly on the edge of the chair and listened as tears silently rolled down her cheeks to her lap Once she reached over and took Randy s hand and held it tight as Doctor Bricker explained the things she should be aware of in the coming months and years *The Mad Dog 100* Chris Russo, Allen St. John, 2004-05-04 The essential book for any sports fan from one of the reigning kings of sports talk radio Christopher Mad Dog Russo Sports fans Which was the greater achievement Ted Williams s 406 season or Joe DiMaggio s 56 game hitting streak Who would dominate the ultimate Pebble Beach showdown Ben Hogan or Tiger Woods Who was really
