Irregular Astigmatism Tracy Schroeder Swartz,2008 Since the advent of keratorefractive surgery and its rising popularity irregular astigmatism has become an increasingly important issue for ophthalmologists and optometrists Despite the success of LASIK and PRK there are more and more patients experiencing visual quality problems due to the non physiological modification of the corneal structure Among these complications irregular astigmatism is perhaps the most difficult to treat Every physician who performs keratorefractive surgery understands that in reducing a patient's refractive error there is a possibility of creating irreversible effects on visual quality This text is intended to help prevent and reduce the iatrogenic creation of irregular astigmatism as well as provide effective treatment when postoperative complications do arise With the maturation of keratorefractive technology in recent years effective treatment for iatrogenic irregular astigmatism is quickly developing It provides everything refractive surgeons ophthalmologists and optometrists need to know about this important topic [Creeping Conformity](#) Richard Harris,2004-12-15 *Creeping Conformity* the first history of suburbanization in Canada provides a geographical perspective both physical and social on Canada's suburban past Shaped by internal and external migration decentralization of employment and increased use of the streetcar and then the automobile the rise of the suburb held great social promise reflecting the aspirations of Canadian families for more domestic

space and home ownership After 1945 however the suburbs became stereotyped as generic physically standardized and socially conformist places By 1960 they had grown further away physically and culturally from their respective parent cities and brought unanticipated social and environmental consequences Government intervention also played a key role encouraging mortgage indebtedness amortization and building and subdivision regulations to become the suburban norm Suburban homes became less affordable and more standardized and for the first time Canadian commentators began to speak disdainfully of the suburbs or simply suburbia Creeping Conformity traces how these perceptions emerged to reflect a new suburban reality Electronic Format Disclaimer Two images removed at the request of the rights holder Mill Power Paul Marion,2014-09-08 Mill Power documents the making of a national park that changed the concept of what a national historical park could be For a time in the 1800s Lowell was Massachusetts s cosmopolitan must see second city The city s industrial model was as high tech then as Silicon Valley is today It drew the attention of luminaries like Charles Dickens Congressmen Davy Crockett and Abraham Lincoln feminist sociologist Harriet Martineau and abolitionist Frederick Douglass This insider s account of the creative bold community driven process to establish the park explains why today Lowell National Historical Park is renowned as the partnership park The park s establishment was an integral piece of an urban revival strategy that has made Lowell the subject of scores of newspaper articles magazine profiles TV and radio reports scholarly papers and book chapters Historic Preservation magazine has hailed the park as the premier rehabilitation model for gritty cities worldwide The Lowell story has much to teach the mid sized cities of the nation and the world Mill Power frames the Lowell comeback in its historical context and brings together the people who dreamed wrote designed pushed and cheered a new national park into existence along with those who came after with the charges of shaping the ideas into material form The volume features 100 photos many of them showing the before and after story of this revitalization *The Alcalde* ,2007-01 As the magazine of the Texas Exes The Alcalde has united alumni and friends of The University of Texas at Austin for nearly 100 years The Alcalde serves as an intellectual crossroads where UT s luminaries artists engineers executives musicians attorneys journalists lawmakers and professors among them meet bimonthly to exchange ideas Its pages also offer a place for Texas Exes to swap stories and share memories of Austin and their alma mater The magazine s unique name is Spanish for mayor or chief magistrate the nickname of the governor who signed UT into existence was The Old Alcalde **The Publishers Weekly** ,2006 **Keeping Her Secret** Sarah Nicolas,2016-08-22 Running into her childhood best friend at her new summer camp is not what Riya Johnson was expecting Especially because she and Courtney Chastain once shared a secret mind blowing life altering kiss right before Courtney went and completely crushed Riya s heart And now they re supposed to spend the next four weeks sharing a bunk bed Courtney has what every girl wants beauty money and being the object of every boy s desire at Camp Pine Ridge Too bad none of the guys comes even close to Riya s kiss all those years ago But Courtney needs to uphold appearances at all costs even if it means instigating an all out prank
