The Baltic Revolution Estonia Latvia Lithuania And The Path To Independence:

The Baltic Revolution Anatol Lieven, 1999 **Rebooting a Nation** Joel Burke, 2025-04-03 How did a small post Soviet state become a digital and e government powerhouse producing world leading tech companies and pioneering policies for remote residency Three decades after gaining independence from the Soviet Union Estonia is a nation transformed Today the country is known worldwide as a startup hub boasting billion dollar companies including Wise Veriff and Bolt but even more impressive are Tallinn s pioneering efforts in e government With 99 per cent of government services digitalised and accessible online citizens can vote via computer or file their taxes online in minutes and Estonia s use of artificial intelligence to enhance and automate its offering to citizens long predates ChatGPT Drawing on his experience as a former official for the Republic of Estonia Joel Burke offers unique insight into the country s rapid rise as a tech and e government powerhouse since the turn of the century From the founding of Skype to the future of the e state he unveils the tactics and stories behind Estonia s spectacular journey after years of Soviet occupation and mismanagement to global tech leadership For those hoping to learn from Estonia s incredible journey Burke offers insights into the government s use of AI its creation of a digital society and its cultivation of a culture driving public sector creativity and innovation Rebooting a Nation is an informative and entertaining masterclass in Estonia s modern history *The Baltic World 1772-1993* David Kirby, 2014-07-15 This eagerly awaited sequel shares the characteristics of its distinguished predecessor wide geographical and chronological span expert mingling of political social and economic history and Dr Kirby s ability to keep the separate national threads of his account from tangling as he weaves them into the broad regional picture that is his main concern Here he tackles the contrasting experiences of Europe s northern periphery affluence and democracy in the north stagnation and authoritarianism in the south from the French Revolution to the collapse of the USSR and beyond This is a masterly study of a region that is far from peripheral politically to the post Soviet world **Miniature Empires** James Minahan, 2013-12-16 The 20th century s most protracted conflict the Cold War also provided the longest and most stable peace in the history of the modern world a fragile peace that came at the price of national freedom for many people With the demise of the Cold War new nearly unknown countries long ignored or suppressed came to the attention of the world as ethnic and national conflicts rooted in the multi ethnic populations of the newly independent states emerged From Bosnia Herzegovina and Macedonia to Eritrea and Uzbekistan Miniature Empires provides an essential guide to the states recognized since 1989 and the nations that dwell within their borders Miniature Empires is the first reference book to address the post Cold War nationalist resurgence by focusing on the nations within the new nation states both the core nationalities and the national minorities Each article highlights the historical political social and economic evolution of the new nations Outstanding Academic Book [An Ethnic History of Europe since 1945](#) Panikos Panayi, 2018-10-08 The first history of Europe since 1945 which examines the continent from a mainly ethnic perspective Panikos Panayi has drawn on years of research to produce

this comparative and exploratory account of the experience of ethnic minorities in post war Europe The coverage encompasses all categories of minorities including immigrants and refugees localised ethnic groupings and dispersed peoples Geographically the scope of the book ranges from the Atlantic to the Urals and the Mediterranean to the Arctic looking in particular at the Soviet Union Britain France Germany Romania Cyprus and the former Yugoslavia

Resistance and Rebellion Roger D. Petersen, 2001-05-07 Resistance and Rebellion Lessons from Eastern Europe explains how ordinary people become involved in resistance and rebellion against powerful regimes The book shows how a sequence of casual forces social norms focal points rational calculation operate to drive individuals into roles of passive resistance and at a second stage into participation in community based rebellion organization By linking the operation of these mechanisms to observable social structures the work generates predictions about which types of community and society are most likely to form and sustain resistance and rebellion The empirical material centres around Lithuanian anti Soviet resistance in both the 1940s and the 1987-91 period Using the Lithuanian experience as a baseline comparisons with several other Eastern European countries demonstrate the breadth and depth of the theory The book contributes to both the general literature on political violence and protest as well as the theoretical literature on collective action

Politics with a Human Face Arvydas Grišinas, 2018-03-19 Politics with a Human Face presents a holistic understanding of identity formation in post Soviet Europe arguing that since politics is fundamentally a human affair In order to adequately understand it one needs to understand its human side first Drawing on the thought of Dilthey Ricoeur and Plato the author employs empathy as a method together with visual and historical analysis to analyse the role of human experience in post Soviet politics As a result the book offers a theoretical approach for assessing influence of the non rationalistic factors such as associative symbolism human experience political images and historical narratives in both domestic and foreign affairs A study at the juncture of Social Sciences and Humanities Politics with a Human Face explores a number of cases including Estonia Lithuania Poland and Russia as well as the ongoing conflict in Ukraine examining issues of liminal transition far right movements victimhood ethnic conflict and political paradoxes Seeking to shed light on the region's agency and perception of both its own political and existential situation and that of the surrounding world this book constitutes a timely and original contribution to understanding the post Soviet Europe

Ethnic Groups of Europe Jeffrey E. Cole, 2011-05-25 This comprehensive survey of ethnic groups of Europe reveals the dynamic process of ethnic identity and the relationship of ethnic groups to modern states Part of a five volume series on ethnic groups around the world Ethnic Groups of Europe An Encyclopedia provides detailed descriptions of more than 100 European ethnic and national groups Each entry provides an overview of the group as well as in depth information on the group's origins and early history cultural life and recent developments Among the information presented for each group are global and national population figures and accounts of geographical distribution diaspora populations the group's historic homeland predominant religions and languages and related groups The entries also highlight places people

and events of particular importance to each group and sidebars introduce related topics of interest Throughout the text special attention is focused on the relationship between ethnicity and nationalism An explanation of the methodology used for selecting the ethnic groups in the encyclopedia is also provided as is an introductory essay on the topic of ethnicity in Europe

Political Posters in Central and Eastern Europe, 1945-95 James Aulich, Marta Sylvestrová, 1999 Publikacja towarzysząca wystawie Sign of the times Manchester Metropolitan University 17 11 1999 31 01 2000 Studies in Contemporary Jewry: XI: Values, Interests, and Identity Peter Y. Medding, 1995 This collection of original articles addresses the often conflicting roles of values interests and identity in contemporary Jewish politics with its focus on Jews and contemporary politics particularly the interplay of politics and Jewish history this new work makes an outstanding contribution to the scholarly literature

Europe Since 1945 Bernard A. Cook, 2014-01-27 Europe Since 1945 An Encyclopedia is a comprehensive reference work of some 1 700 entries in two volumes Its scope includes all of Europe and the successor states to the former Soviet Union The volumes provide a broad coverage of topics with an emphasis on politics governments organizations people and events crucial to an understanding of postwar Europe Also includes 100 maps and photos

Nationalism, Ethnicity and Boundaries Jennifer Jackson, Lina Molokotos-Liederman, 2014-11-13 Nationalism and ethnicity have become across time and space a force in the construction of boundaries This book analyses geographical and physical borders and symbolic political and socio economic boundaries and how they impact upon nationalism and ethnic identity Geographic and other tangible borders are critical components in the making and unmaking of boundaries However symbolic or intangible boundaries along national ethnic political or socio economic criteria are equally significant Organised into three sections on theory national and transnational case studies this book both introduces existing approaches to the study of boundaries and illustrates how it is possible to apply renewed boundary approaches to better understand nationalism and ethnicity in contemporary contexts Expert contributors in the field present detailed case studies on the UK Israel Estonia Latvia Ukraine and Kazakhstan and draw upon further examples from more than a dozen countries to provide a critical evaluation of the use of borders boundaries and boundary making in the study of nationalism and ethnicity This book will be of interest to students and scholars of International Politics Nationalism Racial and Ethnic Politics Ethnic Identity and Sociology

The Politics of National Minority Participation in Post-communist Europe Jonathan P. Stein, 2000 This collection systematically analyzes different models of minority politics in Eastern Europe in an effort to understand why tensions are manageable in some contexts uncontrollable in others There are case studies of Albania Bulgaria Croatia Estonia Latvia and Romania

Frederick Starr, Karen Dawisha, 2016-06-16 First

Published in 2015 This ambitious ten volume series develops a comprehensive analysis of the evolving world role of the post Soviet successor states Each volume considers a different factor influencing the relationship between internal politics and international relations in Russia and in the western and southern tiers of newly independent states The contributors were chosen not only for their recognized expertise but also to ensure a stimulating diversity of perspectives and a dynamic mix of approaches This is Volume 3 The Politics of Religion in Russia and the New States of Eurasia **The Politics of Religion in Russia and the New States of Eurasia** Michael Bourdeaux, 1995 First Published in 2015 Routledge is an imprint of Taylor

Francis an Informa company Problems of Democratic Transition and Consolidation Juan J. Linz, Alfred Stepan, 1996-08-16 Since their classic volume The Breakdown of Democratic Regimes was published in 1978 Juan J Linz and Alfred Stepan have increasingly focused on the questions of how in the modern world nondemocratic regimes can be eroded and democratic regimes crafted In Problems of Democratic Transition and Consolidation they break new ground in numerous areas They reconceptualize the major types of modern nondemocratic regimes and point out for each type the available paths to democratic transition and the tasks of democratic consolidation They argue that although nation state and democracy often have conflicting logics multiple and complementary political identities are feasible under a common roof of state guaranteed rights They also illustrate how without an effective state there can be neither effective citizenship nor successful privatization Further they provide criteria and evidence for politicians and scholars alike to distinguish between democratic consolidation and pseudo democratization and they present conceptually driven survey data for the fourteen countries studied Problems of Democratic Transition and Consolidation contains the first systematic comparative analysis of the process of democratic consolidation in southern Europe and the southern cone of South America and it is the first book to ground post Communist Europe within the literature of comparative politics and democratic theory **Trames**, 2002

The Road to the European Union Jacques Rupnik, Jan Zielonka, 2003 This book is a timely and solid portrait of modern China from the First Opium War to the Xi Jinping era Unlike the handful of existing textbooks that only provide narratives this textbook fashions a new and practical way to study modern China Written exclusively for university students A level or high school teachers and students it uses primary sources to tell the story of China and introduces them to existing scholarship and academic debate so they can conduct independent research for their essays and dissertations This book will be required reading for students who embark on the study of Chinese history politics economics diaspora sociology literature cultural urban and women's studies It would be essential reading to journalists NGO workers diplomats government officials

businessmen and travellers **The Price of Peace** David Cortright, 1997 Carrots and sticks have always been used in combination in diplomatic affairs but scholars and policymakers have focused more on the sticks than the carrots In this provocative study policy savvy scholars examine a wide range of cases from North Korea to South Africa to El Salvador and Bosnia to demonstrate the power of incentives to deter nuclear proliferation prevent armed conflict defend civil and human rights and rebuild war torn societies The book addresses the moral hazard of incentives the danger that they can be construed as bribes concessions or appeasement Incentives can take many forms economic and political as palpable as fuel oil and as intangible yet powerful as diplomatic recognition and constructive engagement The cases demonstrate that incentives can sometimes succeed when traditional methods threats sanctions or force fail or are too dangerous to apply
