**Servantship** Graham Joseph Hill, 2013-10-10 Servantship is essentially about following our Lord Jesus Christ the servant Lord and his mission it is a life of discipleship to him patterned after his self emptying humility sacrifice love values and mission Servantship is humbly valuing others more than yourself and looking out for the interests and wellbeing of others Servantship is the cultivation of the same attitude of mind Christ Jesus had making yourself nothing being a servant humbling yourself and submitting yourself to the will and purposes of the triune God Since servantship is the imitation of Christ it involves an unreserved participation in the missio Dei the Trinitarian mission of God In this pioneering work sixteen servants describe the four movements of radical servantship Servantship is the movement 1 from leadership to radical servantship 2 from shallowness to dynamic theological reflection 3 from theories to courageous practices and 4 from

forgetfulness to transforming memory Servanthip recognizes in word thought and deed that whoever wants to become great among you must be your servant and whoever wants to be first must be your slave just as the Son of Man did not come to be served but to serve and to give his life as a ransom for many      *Transforming Pastoral Leadership* Quentin P.

Kinnison,2016-05-20 For many congregations change creates discomfort Pastoral leaders are often expected to be experts who manage and control realities beyond their expertise experience and ability That expectation a product of modern approaches to leadership views the pastor as responsible for maintaining the status quo Transforming Pastoral Leadership responds to this context by challenging readers to rediscover key biblical themes around the shepherding metaphor as well as key theological themes steeped in our historical faith narratives Readers are challenged to consider the origins of our dominant leadership practices and to reconsider how Christ s preeminence as the leader of his church requires us to reconstruct leadership practices that are faithful to his preeminence To assist congregations Transforming Pastoral Leadership suggests two processes that might help congregations discern God s missional promptings as they move forward into God s future and experience conflict as opportunities for transformation      **Sermon Listening** Enoh Šeba,2021-06-30

Preaching is an integral part of every church service and its purpose has always been to edify encourage and to emphasize the positive effects of coming together as a people of God Yet there remains an inconsistency between the intended goals of preaching and the subjective perception of the listeners In this homiletical study Dr Enoh eba provides fresh insight into the turn to the listener model and offers a theologically sustainable warrant mandate for the transformation of the preaching practice through a stronger involvement of the congregation While grounding the research in the experience of Croatian Baptists Dr eba highlights practical suggestions for both listeners and preachers that are transferrable across contexts This important work reveals that preaching can and should be transformed into a truly congregational practice that will affirmatively affect the dynamics of ecclesial life This book will spark conversations and induce small scale changes on a variety of levels while bridging the gap between preachers and their listeners      **Encyclopedia of Christianity in the**

Leonard,2005-04-01 Baptists are a study in contrasts From Little Dove Old Regular Baptist Church up a hollow in the Appalachian Mountains with its 25 member congregation to the 18 000 strong Saddleback Valley Church in Orange County California where hymns appear on wide screen projectors from Jerry Falwell Jesse Helms and Tim LaHaye to Martin Luther King Jr Jesse Jackson Bill Clinton and Maya Angelou Baptist churches and their members have encompassed a range of theological interpretations and held a variety of social and political viewpoints At first glance Baptist theology seems classically Protestant in its emphasis on the Trinity the incarnation of Jesus Christ the authority of Scripture salvation by faith alone and baptism by immersion Yet the interpretation and implementation of these beliefs have made Baptists one of the most fragmented denominations in the United States Not surprisingly they are often characterized as a people who multiply by dividing Baptists in America introduces readers to this fascinating and diverse denomination offering a historical and sociological portrait of a group numbering some thirty million members Bill J Leonard traces the history of Baptists beginning with their origins in seventeenth century Holland and England He examines the development of Baptist beliefs and practices offering an overview of the various denominations and fellowships within Baptism Leonard also considers the disputes surrounding the question of biblical authority the ordinances baptism and the Lord s Supper congregational forms of church governance and religious liberty The social and political divisions among Baptists are often as dramatic if not more so than the theological divides Leonard examines the role of Baptists in the Fundamentalist and Social Gospel movements of the early twentieth century The Civil Rights movement began in African American Baptist churches More recently Baptists have been key figures in the growth of the Religious Right criticizing the depravity of American popular culture supporting school prayer and championing other conservative social causes Leonard also explores the social and religious issues currently dividing Baptists including race the ordination of women the separation of church and state and sexuality In the final chapter Leonard discusses the future of Baptist identity in America      **British Sources of Information** P.
