Joannes Secundus was born at The Hague on the tenth day of November 1511 on the very day Martin Luther was celebrating his twenty eighth birth anniversary in the city of Rome and there acquiring the knowledge of realities which led soon after to his protest and revolt About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
