Global Migration: The Basics Bernadette Hanlon,Thomas J. Vicino,2014-03-26 Migration is a politically sensitive topic and an important aspect of contentious debates about social and cultural diversity economic stability terrorism globalization and nationalism Global Migration The Basics examines history and geography of global migration the role of migrants in society impact of migrants on the economy and the political system policy challenges that need to be faced in confronting a rapidly changing world economy and society This book challenges students of geography political science public policy sociology and economics to look beyond the rhetoric and consider the real and basic facts about migration Through detailed examinations of the scholarly literature demographic patterns and public policy debates Global Migration The Basics exposes readers to the underlying causes and consequences of migration **Christ's Associations** John S. Kloppenborg,2019-11-26 A groundbreaking investigation of early Christ groups in the ancient Mediterranean As an urban movement the early groups of

Christ followers came into contact with the many small groups in Greek and Roman antiquity Organized around the workplace a deity a diasporic identity or a neighborhood these associations gathered in small face to face meetings and provided the principal context for cultic and social interactions for their members Unlike most other groups however about which we have data on their rules of membership financial management and organizational hierarchy we have very little information about early Christ groups Drawing on data about associative practices throughout the ancient world this innovative study offers new insight into the structure and mission of the early Christ groups John S Kloppenborg situates the Christ associations within the broader historical context of the ancient Mediterranean and reveals that they were probably smaller than previously believed and did not have a uniform system of governance and that the attraction of Christ groups was based more on practice than theological belief

Jesus and the Politics of Mammon Hollis Phelps,2019-10-22 In Jesus and the Politics of Mammon Phelps uses contemporary critical theory continental philosophy and theology to develop a radical reading of Jesus Phelps argues that theological traditions have on the whole blunted Jesus teachings particularly in regard to money and related concerns of political economy Focusing on the distinction between God and Mammon Phelps suggests instead that Jesus teachings result in a politics that is anti money anti

work and anti family Although Jesus does not provide a specific program for this politics his teachings incite readers to think otherwise with respect to these institutions

The Business Basics of Building and Managing a Healthcare Practice

Neil Baum, Marc J. Kahn, 2019-11-20 This book is intended to be a roadmap towards a successful practice for medical students residents fellows and doctors This roadmap focuses on how to build and manage a medical practice and can be applied regardless if the reader is employed joins a small group or if they are a doctor who decides to start their own practice Part I covers the basic business concepts that every physician needs to know Chapters emphasize the benefits that accrue to a physician who understands the basics of business Part II provides a guide for doctors who are beginning a medical practice The chapters define the various options for doctors employment such as solo practice group practice and academic medicine The section also includes the process of negotiating contracts identifying the advisers who help physicians become successful and secure within their field and practice The final part emphasizes strategies on how to build and grow a successful practice by covering topics such as hiring staff employee motivation creating a brand gaining recognition online reputation and presence crisis management integrating new technology and work life balance The Business Basics of Building and Managing a Healthcare Practice serves as a valuable resource that helps doctors make a difference in the lives of their patients as well as help them make good financial decisions

Foundations of Classical Sociological

Theory: Functionalism, Conflict and Action Paramjit S. Judge, 2012 Foundations of Classical Sociological Theory

Functionalism Conflict and Action provides an extensive analysis of classical sociological theory by giving readers an introduction to the life and ideas of all the eminent thinkers The book begins by giving an overview of the emergence of sociology as a discipline in the background of socio economic development that characterized Europe in 18th century The first part of the book examines how the theorists viewed society as an organism the second part takes cognizance of the conflict theory and third part deals with the emergence of action theory which took ambivalent position with regard to science and emphasized human agency and consciousness Written in a very simple language this book will help students delve deeper into the subject

Exploring Pedagogical Practices at the Basic Schools in Nepal Dr. Rajendra Kumar

Shah, The pedagogical practices of Basic Education Schools in Nepal have been explored extensively in the present book Four chapters are included in this book In the first chapter the ancient education system and the prevailing pedagogical practices at that time have been utterly discussed Accordingly in the second chapter the educational system and pedagogical practices during the Ranas have been analyzed After this chapter in the third chapter education and pedagogical practice of Panchayat Era is explored And in the final chapter existing education and pedagogical practices of Nepal are explored In this book each chapter describes the brief political history of that period the development of education education policies and the pedagogical practices Curriculum subjects of study teaching method role of teacher and student educational administration assessment procedures financing of school education and physical infrastructure are main subject matters of each chapter It is hoped that this book will satisfy the various questions related to pedagogical practices at the Basic Education School in Nepal
