The Art of Marketing Jesus Robert Wachter, 2021-07-21 Jesus is the most attractive person in human history Professional fishermen dropped everything to follow him Social outcasts were transformed into outspoken ambassadors sinners repulsed by their religious leaders were drawn to Jesus by the scores Today everyday believers are called to attract people to Jesus But how do we do that God's plan to reach the world is not through commercialism or trendy marketing gimmicks it's through you However some are caught in the performance trap of doing more and trying harder to please God which produces the unintended consequences of spiritual brokenness and judgmental attitudes that render the believer ineffective at reflecting
