

the **arts** GOOD STUDY GUIDE

The Arts Good Study Guide is essential reading for students of arts and humanities subjects. Based on the experience of real students, it offers practical examples and activities to help you develop study strategies that really work. It will help you:

- organize yourself so that you make best use of your time
- read and understand written, visual and aural 'texts'
- make useful notes
- write fluently and convincingly, making good use of textual illustration and evidence
- get the most out of lectures, group discussions, audio-visual media and visits to galleries, museums and the theatre
- use a computer in your studies
- prepare effectively for exams.

The book is designed for students of arts and humanities subjects, including art history; classical studies; cultural, media and film studies; history; law; languages; literature; music; philosophy; religious studies. You will find the book invaluable whether you are new to study or more experienced, or perhaps taking it up again after a break. It is full of practical advice whether you are studying full-time or part-time, in your own home or in a group with other students and a tutor. It is a set book for The Open University's Arts Faculty course, *An Introduction to the Humanities*.
