The Aspinwall Empire:

The Aspinwall Empire Duncan S. Somerville, 1983 The maritime empire created by New York merchant William H Aspinwall helped shape the course of American history Capturing the spirited life of the New York maritime community this lively narrative traces Aspinwall's notable career his entry into the shipping business in the 1830s his championship of early clipper ship designs in the 1840s his establishment of the Pacific Mail Steamship Company and the Panama Railroad in the 1850s his work as a secret agent during the Civil War and even his art collecting Hawthorne's Lenox Cornelia Brooke Gilder, Julia Conklin Peters, 2008-07-30 An account of the famous American author's visit to a New England retreat Anyone who loves the Berkshires will love this book Debby Applegate Pulitzer Prize winning author What drew Nathaniel Hawthorne to a remote village deep in the Berkshire Hills of Western Massachusetts in 1850 Slip into the fascinating social scene he encountered in the drawing rooms and on the croquet lawns of Lenox's country retreats Here under the benevolent spell of the Sedgwick family the separate worlds of high minded Bostonians and high powered New Yorkers were stitched together by conversation recreation and even marriage Nurturing the lively exchange of ideas on everything from art to abolition Lenox's cottages played host to a community that enlightened a nation Luminaries such as Caroline Sturgis Tappan and Oliver Wendell Holmes resume their vibrant lives through the rare photographs and engaging sketches of everyday life in Hawthorne's Lenox The Tanglewood Circle which also includes a delightful retrospective visit from Henry James and Edith Wharton *Annual Report of the New York State Agricultural Society* New York State Agricultural Society, 1872

Transactions New York State Agricultural Society, 1872 **A Golden State** Marlene Smith-Baranzini, 1999 A collection of essays on mining and economic development in California from the Gold Rush through the end of the 19th century This is the second in a series of four volumes commemorating the state's sesquicentennial **Enchanted Lives, Enchanted Objects** Dianne Sachko Macleod, 2008 This insightful and beautifully illustrated book offers the first feminist analysis of the phenomenon of women art collectors in America Dianne Sachko Macleod brings a surprising paradox to light showing that collecting which provided wealthy women with a private sense of solace also liberated them to venture into the public sphere and make a lasting contribution to the emerging American culture Beginning in the antebellum period continuing through the Gilded Age and reaching well into the twentieth century Macleod shows how elite women enlisted the objects of art and avant garde paintings in their collections in causes ranging from the founding of modern museums to the campaign for women's suffrage **Proceedings of the Annual Meeting** New York State Agricultural Society, 1872 *Documents of the Assembly of the State of New York* New York (State). Legislature. Assembly, 1871 The Way of the Ship Alex Roland, W. Jeffrey Bolster, Alexander Keyssar, 2008 The Way of the Ship offers a global perspective and considers both oceanic shipping and domestic shipping along America's coasts and inland waterways with explanations of the forces that influenced the way of the ship The result is an eye opening authoritative look at American maritime history and the ways it helped shape the

nation s history BOOK JACKET Railroad Nation Carlos Arnaldo Schwantes,2025-05-15 From passenger tickets wall calendars and advertising posters to train orders and bills of lading railroads have left a colorful paper trail across America In Railroad Nation historian Carlos Arnaldo Schwantes examines a fascinating array of these materials showcasing the railroad industry s incredible variety of eye catching illustrations to enliven their timetables and promotional brochures Schwantes traces the evolution of railroad commercial art from drab black and white broadsides and text only advertisements that the early railroads placed in local newspapers to the riotous m lunge of color graphics in the early twentieth century when the visual appeal of public timetables and their thousands of different brochures enticed settlers to create farms ranches and towns alongside newly laid tracks Railroad Nation offers readers an unparalleled look at the ephemera of the railroad industry highlighting the vibrant history of railroading in America through its rich tapestry of visual materials **Barons of the Sea** Steven Ujifusa,2019-07-02 A fascinating fast paced history full of remarkable characters and incredible stories about the nineteenth century American dynasties who battled for dominance of the tea and opium trades Nathaniel Philbrick National Book Award winning author of In the Heart of the Sea There was a time back when the United States was young and the robber barons were just starting to come into their own when fortunes were made and lost importing luxury goods from China It was a secretive glamorous often brutal business one where teas and silks and porcelain were purchased with profits from the opium trade But the journey by sea to New York from Canton could take six agonizing months and so the most pressing technological challenge of the day became ensuring one s goods arrived first to market so they might fetch the highest price With the verve of a natural dramatist The Christian Science Monitor Steven Ujifusa tells the story of a handful of cutthroat competitors who raced to build the fastest finest most profitable clipper ships to carry their precious cargo to American shores They were visionary eccentric shipbuilders debonair captains and socially ambitious merchants with names like Forbes and Delano men whose business interests took them from the cloistered confines of China s expatriate communities to the sin city decadence of Gold Rush era San Francisco and from the teeming hubbub of East Boston s shipyards and to the lavish sitting rooms of New York s Hudson Valley estates Elegantly written and meticulously researched Barons of the Sea is a riveting tale of innovation and ingenuity that takes the reader on a rare and intoxicating journey back in time Candice Millard bestselling author of Hero of the Empire drawing back the curtain on the making of some of the nation s greatest fortunes and the rise and fall of an all American industry as sordid as it was genteel **The SAR Magazine** Sons of the American Revolution,1923 Gotham Edwin G. Burrows,Mike Wallace,1998-11-19 In Gotham winner of the 1999 Pulitzer Prize Edwin G Burrows and Mike Wallace have produced a monumental work of history one that ranges from the Indian tribes that settled in and around the island of Manna hata to the consolidation of the five boroughs into Greater New York in 1898 It is an epic narrative a story as vast and as varied as the city it chronicles and it underscores that the history of New York is the story of our nation **Transactions of the New-York State Agricultural Society for**

the Year ... New York State Agricultural Society,1872 An Agrarian Republic Adam Wesley Dean,2015-02-16 The familiar story of the Civil War tells of a predominately agricultural South pitted against a rapidly industrializing North However Adam Wesley Dean argues that the Republican Party s political ideology was fundamentally agrarian Believing that small farms owned by families for generations led to a model society Republicans supported a northern agricultural ideal in opposition to southern plantation agriculture which destroyed the land s productivity required constant western expansion and produced an elite landed gentry hostile to the Union Dean shows how agrarian republicanism shaped the debate over slavery s expansion spurred the creation of the Department of Agriculture and the passage of the Homestead Act and laid the foundation for the development of the earliest nature parks Spanning the long nineteenth century Dean s study analyzes the changing debate over land development as it transitioned from focusing on the creation of a virtuous and orderly citizenry to being seen primarily as a civilizing mission By showing Republicans as men and women with backgrounds in small farming Dean unveils new connections between seemingly separate historical events linking this era s views of natural and manmade environments with interpretations of slavery and land policy **Court of Appeals of the State of New York. , Farm Implements** ,1908 *God's Empire* Hilary M. Carey,2011-01-06 In God s Empire Hilary M Carey charts Britain s nineteenth century transformation from Protestant nation to free Christian empire through the history of the colonial missionary movement This wide ranging reassessment of the religious character of the second British empire provides a clear account of the promotional strategies of the major churches and church parties which worked to plant settler Christianity in British domains Based on extensive use of original archival and rare published sources the author explores major debates such as the relationship between religion and colonization church state relations Irish Catholics in the empire the impact of the Scottish Disruption on colonial Presbyterianism competition between Evangelicals and other Anglicans in the colonies and between British and American strands of Methodism in British North America *The Log of Mystic Seaport* ,1993 The Cultivator & Country Gentleman ,1885
