The Assistants A Novel:

The Assistants Camille Perri, 2017-05-02 Ocean's Eleven meets *The Devil Wears Prada* The Skimm in this hilarious razor sharp debut novel about a group of overeducated and underpaid women who decide they've finally had enough Rule 1 All important men have assistants Rule 2 Men rule the world Still Rule 3 There is enough money There is so much money Tina Fontana is a thirty year old executive assistant to Robert Barlow the CEO of Titan Corp a multinational media conglomerate She's excellent at her job and beloved by her famous boss but after six years of making reservations and pouring drinks from bottles that cost more than her rent the glamour of working for a media company in New York has completely faded but her student loan debt has not When a technical error with Robert's expense report presents Tina with the opportunity to pay off the entire balance of her loans with what would essentially be pocket change for her boss she hesitates She's always played by the rules but this would be a life changer As Tina begins to fall down the rabbit hole of her morally questionable plan other assistants with crushing debt and fewer scruples approach her to say that they want in Before she knows it she's at the forefront of a movement that has implications far beyond what anyone anticipated **The Assistant** Bernard

Malamud, 2024-07-02 A Brooklyn grocer's life is turned upside down by an enigmatic assistant in this celebrated novel by the Pulitzer Prize winning author of *The Fixer* *The Assistant* Bernard Malamud's second novel originally published in 1957 is the story of Morris Bober a grocer in postwar Brooklyn who wants better for himself and his family First two robbers appear and hold him up then things take a turn for the better when broken nosed Frank Alpine becomes his assistant But there are complications Frank whose reaction to Jews is ambivalent falls in love with Helen Bober at the same time he begins to steal from the store Like Malamud's best stories this novel unerringly evokes an immigrant world of cramped circumstances and great expectations Malamud defined the immigrant experience in a way that has proven to be timelessly vital A National Book Award Finalist **The Assistant** Robert Walser, 2013-07-25 *The Assistant* by Robert Walser who was admired greatly

by Kafka Musil Walter Benjamin and W G Sebald is now presented in English for the very first time Robert Walser is an overwhelmingly original author with many ardent fans J M Coetzee dazzling Guy Davenport a very special kind of whimsical serious deep writer and Hermann Hesse If he had a hundred thousand readers the world would be a better place Charged with compassion and an utterly unique radiance of vision Walser is as Susan Sontag exclaimed a truly wonderful heart breaking writer *The Assistant* is his breathtaking 1908 novel translated by award winning translator Susan Bernofsky Joseph hired to become an inventor's new assistant arrives one rainy Monday morning at Technical Engineer Karl Tobler's splendid hilltop villa he is at once pleased and terribly worried a state soon followed by even stickier psychological complexities He enjoys the beautiful view over Lake Zurich in the company of the proud wife Frau Tobler and the delicious savory meals But does he deserve any of these pleasures *The Assistant* chronicles Joseph's inner life of cascading emotions as he attempts both frantically and light heartedly to help the Tobler household even as it slides toward financial ruin Tobler demands of Joseph

Do you have your wits about you And Joseph s wits are in fact all around him trembling like leaves in the breeze he is full of exuberance and despair all the raptures and panics of a person drowning in obedience A Study Guide for Bernard Malamud's "The Assistant" Gale, Cengage Learning,2016-06-29 A Study Guide for Bernard Malamud s The Assistant excerpted from Gale s acclaimed Novels for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Novels for Students for all of your research needs *The Modern American Urban Novel* Arnold L. Goldsmith,1991 Goldsmith challenges the view that nature is absent in the modern urban novel and interprets the phrase the interweaving of physical description and symbolism metaphor and characterization and theme and imagery that give internal form to external narrative He provides a textual analysis of seven 20th century American novels Manhattan transfer Studs Lonigan Call it sleep The Dollmaker The Assistant The Pawnbroker and Mr Sammler s planet Annotation copyrighted by Book News Inc Portland OR The Eclectic Magazine of Foreign Literature, Science, and Art ,1884 **CliffsNotes on Malamud's The Assistant** Mordecai Marcus,1972-10-04 This CliffsNotes guide includes everything you ve come to expect from the trusted experts at CliffsNotes including analysis of the most widely read literary works **Ethnic Identities in Bernard Malamud's Fiction** Martín Urdiales Shaw,2000 The present study has been divided into five general chapters each of which is centred around a basic issue related to ethnic identities This central issue may be more or less specific largely depending on its nature and on the corpus it comprises for example chapter two which bears the general title the old country and the New World is naturally the most extensive because of the great scope of this theme and the number of works it involves two novels and a considerable number of stories including the very long Man in the Drawer By contrast the last chapter entitled Beyond Race into Myth Seeking the Liberation of the Self is logically the shortest because its focus is restricted to a particular function of ethnic identities metaphorically speaking in Malamud s fantastic works the novel God s Grace and one short story Similar proportions between length complexity of theme and corpus treated are maintained in the three central chapters which focus on ethnic aspects which are neither as general as chapter two nor as specific as chapter six
