Johnson,2015-05-21 Christians agree that they are saved through the death and resurrection of Christ But how is the atonement achieved in these events This book offers an introduction to the doctrine of the atonement focused on the unity and diversity of the work of Christ Johnson reorients current patterns of thought concerning Christ s work by giving the reader a unifying vision of the immensely rich and diverse doctrine of the atonement offering a sampling of its treasures and cultivating the desire to further understand and apply these riches to everyday life Where introductions to the atonement typically favor one aspect of the work of Christ or work with a set number of themes aspects or theories this book takes the opposite approach developing the foundation for the multi faceted nature of Christ s work within the being of God himself It offers a grand unifying vision of Christ s manifold work Specific elaborations of different theories of the atonement biblical themes and the work of different theologians find their place within this larger rubric *The Atonement by Jesus Christ* ,1860 *Atonement and Intercession of Jesus Christ* William Symington,2018-10-24 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant The Atonement David L. the Extent of the Atonement Gary L. Shultz Jr.,2014-01-07 Christians strongly disagree about the extent of the atonement Some believe that the atonement only extends to the elect those whom God chose to save before the foundation of the world Others believe the atonement is unlimited that Jesus died for all people whether they ever believe in him or not Despite the differences in these two traditional understandings they share one thing in common both believe that Jesus died for a single intended purpose But what if God s intentions in the atonement are multiple not single The Bible teaches exactly this that Jesus died both to pay for the sins of all people and to secure the salvation of those God chose to believe in him before time began This book explains and defends a multi intentioned view of the extent of the atonement asserting that this view does the best job of understanding all of what the Bible says about the extent of the atonement is more theologically comprehensive than the traditional views and has the best potential for consensus on who exactly Jesus Christ died for when he was crucified for our sins

The Atonement of Jesus Christ Dr. Emmanuel Abu Kissi,2020-04-07 The End of Man Power emanating from the atoning sacrifice of Jesus Christ broke the bands of physical death The sacrifice overcame the power of death This ushered in the resurrection of all Adams sin was forgiven The power of the atonement is for the resurrection only and it restores all men again to the presence of God The atoning sacrifice of Jesus Christ was an extra assignment The original assignment was to teach man how to return to God God had said we will prove them herewith to see if they would do all things which the Lord their God commanded them Jesus Christ was chosen as the master teacher the ambassador of God to teach man on the earth Jesus Christ was to teach man to qualify himself to obey God s command

The Extent of the Atonement Thomas William Jenkyn,1859 The Atonement of Christ Francis Turretin,1999-05-11

The Extent of the Atonement, in Its Relation to God and the Universe Thomas William Jenkyn,1846 **Christ Crucified** Donald Macleod,2014-06-05 How could the life let alone the death of one man 2 000 years ago be the salvation of the human race Donald Macleod explains the centrality of the atonement in Christian faith and experience using seven key words to describe what happened on the cross substitution expiation propitiation reconciliation satisfaction redemption and victory

The Atonement of Jesus Christ William Booth,2015-05-15 General William Booth s view on the atonement of Jesus Christ This is a reproduction of The Atonement of Jesus Christ originally published in 1921 The Atonement of Jesus Christ Reed R. Simonsen,2016-11-18 How many times have you heard Spiritually Intelligent men women stand and say that the Great Atoning Miracle of our Lord Jesus Christ is a mystery that they never hope to understand Don t you be one of them The Lord Himself explained His Atonement openly Joseph Smith the Prophet taught that you cannot correctly worship He whom you do not understand Let s take a journey together All you have to do is open the cover and read But be warned he who puts his hands to the plow can never look back the same way again Are you ready Time to take upon you the Name of Christ

What Did the Cross Accomplish? Simon Gathercole,Robert B. Stewart,N.T. Wright,2021-02-23 In this book readers will enjoy a fascinating and cordial discussion between N T Wright and Simon Gathercole on the meaning and nature of the

doctrine of atonement These two highly respected scholars discuss in clear and understandable language the meanings of the crucifixion of Jesus Christ Their discussion explores various theories of atonement and looks closely at the Old Testament to discover Paul's meaning of his words that Christ died for our sins in accordance with the Scriptures Wright presents his case first then Gathercole responds with a contrary point of view Their discussion confronts questions including What exactly is this scandal of the cross What role does the notion of sacrifice as understood in its ancient context play in the atonement of Christ Is the atonement a victory How so Was Christ a substitute taking humankind's place on the cross and suffering the death and judgment that sinners deserve How does the death of Christ on the cross rescue or liberate sinners from death Does the cross achieve benefits for only humans or do those benefits extend to the entirety of creation This book is a succinct conversation in which all these questions receive attention with nuanced differences between the two interlocutors This conversation along with Robert Stewart's introductory framework make this book an excellent primer to the study of the atonement and readers will come away with a deeper understanding of the meanings of the cross
