The Atonement Of Jesus Christ And Its Relationship To The Gospel:

Modern Criticism Considered in Its Relation to the Fourth Gospel Henry William Watkins, 1890 The Great Doctrines of the Bible William Evans, 2020-04-09 The doctrines treated in this book are dealt with from the standpoint of Biblical rather than Dogmatic theology This is evident from the plan which is followed in the work namely to gather together all the Scripture passages dealing with the subject under consideration and from them choose a required number that may be called representative then seek to understand the meaning of these references by the study of the text itself as well as its context and parallel passages and finally from the selected proof texts formulate the doctrinal teaching and place such results under appropriate headings The doctrines of God Jesus Christ and the Holy Spirit are more fully dealt with than the doctrines which follow This is especially true of the doctrine of God The reason for this is to set forth the method pursued in these studies and to give a pattern for the study of the doctrines to follow William Evans The Great Doctrines of the Bible *Grace, as Revealed in the Gospel Milton Bird*, 1856 Reading the Gospels with Karl Barth Migliore, Daniel L., 2017 Papers presented at the 2015 Karl Barth Conference held June 21 24 at Princeton Theological Seminary on the theme of Karl Barth and the Gospels Interpreting Gospel Texts The Great Bible Doctrines William Evans, 2023-12-17 The doctrines treated in this book are dealt with from the standpoint of Biblical rather than Dogmatic theology This is evident from the plan which is followed in the work namely to gather together all the Scripture passages dealing with the subject under consideration and from them choose a required number that may be called representative then seek to understand the meaning of these references by the study of the text itself as well as its context and parallel passages and finally from the selected proof texts formulate the doctrinal teaching and place such results under appropriate headings The doctrines of God Jesus Christ and the Holy Spirit are more fully dealt with than the doctrines which follow This is especially true of the doctrine of God The reason for this is to set forth the method pursued in these studies and to give a pattern for the study of the doctrines to follow The Cambridge Companion to Evangelical Theology Timothy William Evans The Great Doctrines of the Bible Larsen, Daniel J. Treier, 2007-04-12 Evangelicalism a vibrant and growing expression of historic Christian orthodoxy is already one of the largest and most geographically diverse global religious movements This Companion first published in 2007 offers an articulation of evangelical theology that is both faithful to historic evangelical convictions and in dialogue with contemporary intellectual contexts and concerns In addition to original and creative essays on central Christian doctrines such as Christ the Trinity and Justification it breaks new ground by offering evangelical reflections on issues such as gender race culture and world religions This volume also moves beyond the confines of Anglo American perspectives to offer separate essays exploring evangelical theology in African Asian and Latin American contexts The contributors to this volume form an unrivalled list of many of today s most eminent evangelical theologians and important emerging voices The Christian Character in Its Relation to the Christian View of the World James Chapman, 1904 The Bible Doctrines

William Evans, 2022-11-13 In The Bible Doctrines William Evans meticulously examines the core beliefs that underpin Christian theology employing a systematic approach that invites both novices and scholars into the depths of biblical doctrine The book is notable for its clarity and conciseness making complex theological ideas accessible to a broader audience Written in the early 20th century it stands as a significant contribution to evangelical scholarship engaging with contemporary theological debates while grounding its arguments in scriptural authority William Evans a prominent figure in the realm of Christian education was driven by a profound commitment to elucidate biblical truths amidst a landscape of modern skepticism His extensive background in theology and his role as an educator uniquely positioned him to bridge the gap between doctrinal intricacies and practical faith Evans scholarship reflects a deep reverence for Scripture stemming from both personal convictions and a desire to equip believers with a robust understanding of their faith For readers seeking to deepen their comprehension of essential Christian beliefs The Bible Doctrines is indispensable Whether for personal study academic inquiry or devotional enrichment Evans work invites thoughtful reflection and fosters a renewed appreciation for foundational truths of Christianity The Baptist Quarterly Lucius Edwin Smith, Henry Griggs Weston, 1871 of the Library of the Peabody Institute of the City of Baltimore N. H. Morison, 1887 The Divinity School University of Chicago. Divinity School, 1893 Twentieth-Century Lutheran Theologians Mark C. Mattes, 2013-08-14 This collection of essays examines important twentieth century Lutheran theologians including European and North American voices Each essay provides an overview of the life and thought of important confessional Lutherans who shaped theology with an ecumenical world wide impact The focus here is not on later twentieth century figures but earlier ones selected similar to the spirit manifest in Karl Barth's contention lest we forget where contemporary theology came from Protestant Theology From Rousseau to Ritschl The essays composed over the last five years were initiated by Lutheran Quarterly in order to assess our recent past as we move into a new millennium The goal of each author each a leading theologian has been to describe each thinker's life and vocation and how each thinker's work continues to impact theology today Annual Register University of Herald and Presbyter ,1910 Catalogue of the Library of the Peabody Institute of the City of Chicago, 1898 Baltimore ...
