

Funding the War

- Paying for the war was a problem because the Dem/Rep refused to renew the charter for the Bank of the US
 - This made it hard for the US to borrow money from most private bankers b/c they were located in the Northeast
 - They opposed the war and would not loan money to the govt.
- Despite all the problems, Madison orders the military to invade Canada

The Attack Upon The Northeast Kingdom A Bankers Story:

The Attack Upon the Northeast Kingdom Roger Lussier,2004-09-01 I want to introduce you the reader to some of the most painful and personal episodes in my lifetime I want to tell you the story of the events that led to my imprisonment and give an account of them so that I may finally be heard for the first time in my defense I write so that my fellow citizens may be warned of the character of the government that is being imposed upon the free citizens This narrative begins with a surprise indictment of myself in 1993 with the trial appeals imprisonment and the eventual favorable verdict of attorney liability It ends with the conclusion that the important things in life are to be found among our families and our community I try to indicate why our positive visions of a country pursuing life and liberty without fear from an intruding and self serving pretense of protection are under threat I deplore the disregard for its citizens by an immoral agency of government This is my story **Journal of the Institute of Bankers** Institute of Bankers (Great Britain),1903 **The California Banker**
