The Good, the Bad, and the Aunties Jesse Q. Sutanto,2024-03-26 What should have been a family celebration of Chinese New Year descends into chaos when longtime foes crash the party in this hilariously entertaining novel by Jesse Q Sutanto bestselling author of *Dial A for Aunties* After an ultra romantic honeymoon across Europe Meddy Chan and her husband Nathan have landed in Jakarta to spend Chinese New Year with her entire extended family Chinese New Year already the biggest celebration of the Lunar calendar gets even more festive when a former beau of Second Aunt s shows up at the Chan residence bearing extravagant gifts he s determined to rekindle his romance with Second Aunt and the gifts are his way of announcing his courtship His grand gesture goes awry however when it s discovered that not all the gifts were meant for

Second Aunt and the Chans one particular gift was intended for a business rival to cement their alliance and included by accident Of course the Aunties agree that it s only right to return the gift after all anyone would forgive an honest mistake right But what should have been a simple retrieval turns disastrous and suddenly Meddy and the Aunties are helpless pawns in a decades long war between Jakarta s most powerful business factions The fighting turns personal however when Nathan and the Aunties are endangered and it s up to Meddy to come up with a plan to save them all Determined to rescue her loved ones Meddy embarks on an impossible mission but with the Aunties by her side nothing is truly impossible **Eight Cousins: or, The Aunt-Hill** Луиза Мэй Олкотт,2017-04-10 *Eight Cousins: The Aunt-Hill* Louisa May Alcott,2016-08-14 The Author is quite aware of the defects of this little story many of which were unavoidable as it first appeared serially But as Uncle Alec s experiment was intended to amuse the young folks rather than suggest educational improvements for the consideration of the elders she trusts that these short comings will be overlooked by the friends of the Eight Cousins and she will try to make amends in a second volume which shall attempt to show The Rose in Bloom L M A The Aunt Paradox Chris Dolley,2014-06-09 HG Wells has a problem His Aunt Charlotte has borrowed his time machine and won t give it back Now she s rewriting history Reggie Worchester gentleman s consulting detective and his automaton valet Reeves are hired to retrieve the time machine and put the timeline back together But things get complicated Dead bodies start piling up behind Reggie s sofa as he finds himself embroiled in an ever changing murder mystery A murder mystery where facts can be rewritten and the dead don t always stay dead This 100 page novella is the third instalment in the Reeves and Worchester Steampunk Mysteries A fun blend of P G Wodehouse steampunk and a touch of Sherlock Holmes Dolley is a master at capturing and blending all these elements More than fascinating this work is also rip roaring fun SF Revu *Atlantic Reporter* ,1919 *Lawyers' Reports Annotated* ,1901 **The New York Supplement** ,1918 Cases argued and determined in the Court of Appeals Supreme and lower courts of record of New York State with key number annotations varies **The Handmaid's Tale and Philosophy** Rachel Robison-Greene,2018-12-04 In The Handmaid s Tale and Philosophy philosophers give their insights into the blockbuster best selling novel and record breaking TV series The Handmaid s Tale The story involves a future breakaway state in New England beset by environmental disaster and a plummeting birth rate in which the few remaining fertile women are conscripted to have sex and bear children to the most powerful men all justified and rationalized by religious fundamentalism Among the questions raised by this riveting and harrowing story The Handmaid s Tale displays the connection between sex and power What light does this story shed on sex and power in our own society The divinity of the feminine is associated with the female capacity to give birth Is this association inherently exploitative In the story the revolution rapidly rebranded people by changing their names and placing them into functional groups with specific titles How important is change in language to the suppression of individual freedom The Handmaid s Tale sees everything through the eyes of one character How is it possible to construct a self and an identity at odds with the definition which the

culture attempts to impose In oppressive societies even the most oppressed do show some freedom of choice What is the limit of autonomy in a repressive society ruled by a fanatical ideology Our present ethics of sex relies heavily on the notion of consent but in the world of *The Handmaid's Tale* there is little scope for consent How is the power of consent constricted by the broader social conditions The feminist idea of Care Ethics can be used to critique various gender relationships How does Care Ethics evaluate our own society and the society depicted in *The Handmaid's Tale* The society portrayed in the story is marked by fierce religiosity yet the Christian God presumably disapproves of its brutal exploitation and oppression What is the relation between a loving Deity and the literal interpretation of scriptural passages Among many dystopian stories what makes *The Handmaid's Tale* particularly memorable and what purpose is served by the contemplation of imaginary dystopias Suicide is common in *The Handmaid's Tale* and contemplating the possibility of suicide is even more common Can life be worth living if the political and religious structure is thoroughly malign Beneath the theocratic preaching there is the practical suggestion that everything is being arranged for the good of society and therefore of everyone Who gets to decide and enforce what is in society's best interests

Science Fiction and the Historical Novel Ian P. MacDonald, Kate Polak, 2024-09-16 If you woke to realize that you could rewrite your yesterday without knowing the kind of tomorrow it would grant you would you do it Are the authors of our destiny working with an outline or spit balling confusing plotlines Since the past changes possible futures to what alighting butterfly should we pay the most heed This book explores the liminal space between speculative fiction and the historical novel Staged as a transnational multicultural conversation it takes up a call originally made by Fredric Jameson in *Archaeologies of the Future* wherein he describes that flashpoint between speculative and historical genres as the symptom of a mutation in our relationship to historical time itself Drawing together postcolonial feminist cultural Indigenous and cognitive approaches *Science Fiction and the Historical Novel* asks what the past can offer a future oriented world and how the future can be imagined in relation to a past that seeks narratives of inevitability rather than possibility Engaged with the idea of the past as a model for the future authors in this volume probe the extent to which historical scripts delimit possibilities and how authors engaged with the practice of alternative pasts rewrite potentialities in the present

American and English Decisions in Equity Henry Budd, Ardemus Stewart, 1903 [The Intertwined Conflict](#) Najebah Marafi (Naj Murphy), 2012-09-29 This book looks into the different aspects of Islam and culture and how culture rather than Islam is affecting Muslims today It will examine the conflict between Islamic values and social and culture ones How Islam has always been seen as a religion of oppression and terrorism through the Western eyes this book will illustrate the factors which created those stereotypes and impression about it The book frankly explores the events and life in the Islamic world Kuwaiti society and the wrongdoings of Muslims It also finds out how Muslims are influenced by the surrounding circumstance and the folklore of their ancestors whether living amongst their compatriots or expatriates The book refers to some practices of Muslims briefly by extracting religious texts The Quran The Sunnah and the Sharia and

explaining the misconception of those referred texts by fanatics and very conservative Muslims The book compiled information and references about different Islamic topics such as social relationships jurisprudence and Islam and the modern world It also explores how Islam is compatible with the past present and future The Intertwined Conflict The reason I chose this title for my book The Intertwined Conflict is because of the conflict most of Arab countries have when it comes to culture tradition and religion Everything is embedded with Islam when it has nothing to do with it It s all about making Islam seem to be the problem when it s all about culture tradition and the wrong doings of the real means of Islam People take Islam as an excuse to cover up what they believe in and what they think is right so they relate it to Islam Fanatics mostly misunderstand Islam the Quran and the Sunnah and tend to decipher things according to their preference Matrimony and divorce vs Islam Marriage is the most complicated issue which is affected by traditions of the country in where one lives Different countries have different interpretations of Islam and marriage Different tribes ethnic groups and races in a country have different interpretations of marriage In terms of marriage In Islam the conjugal right is as much a woman s right as it is a man s right because one of the purposes of marriage is to protect the chastity of both men and women This right is also based on the fact that if woman does not have the right to sexual intercourse it would not have been mandatory in Islamic law for both spouses to insure the maximum possible self fulfillment for each other Racism and Islam Racism in Islam is forbidden and in the sight of Allah no man is superior to another by color race class or ethnicity Indeed all human beings are equal to Allah and what distinguishes them from another is their good deeds religious commitments good manners and following and obeying the Quran and the Sunnah Equality is one part of the targets of Islam and one of its fundamental bricks Equality is embedded in most of the Islamic manners and rules Women their role and Property Owning Women in Islam have the full right to own property and possessions money in whatever manner they prefer They do not transfer their possessions to their husbands once they get married They get to keep their money and belongings and the husband still has to pay for her trivial expenses such as the household her children and whatever she needs as a woman not extravagantly but fairly Islam and Neighborhood Neighborhood is one of the important things that Islam exhorted us to pay attention to It is one of the things that we should not neglect Taking care of your neighbor urges peace love and tolerance Not only Islam exhorts it but also Prophet Mohammed pbuh he was a good example to all of us Muslims in all matters and this matter too He use

Women's Issues in Margaret Atwood's The Handmaid's Tale David Erik Nelson, 2011-10-26 The Handmaid s Tale depicts a dystopian society in which a religious dictatorship assumes control of the United States turning the country into the Republic of Gilead In this new society women are stripped of autonomy and often relegated to roles such as servant or childbearing maid Since the book s publication in 1985 it has become a popular point of reference to guard against government interference in women s rights and issues This informative edition takes a critical look at Atwood s life and writings with a specific focus on key ideas related to The Handmaid s Tale The book collects a series of essays pertaining to

feminism sexism and religious fundamentalism creating points of discussion for readers that are both modern and relevant The text also discusses contemporary women s issues and presents perspectives on topics such as surrogacy same sex marriage and modesty **Scribner's Magazine ...** ,1911 **Curse of the Thirteenth Fey** Jane Yolen,2012-11-08 You think you know the story of Sleeping Beauty but the real story is far more spellbinding Gorse is the thirteenth and youngest in a family of fairies tied to the evil king s land and made to do his bidding When accident prone Gorse falls ill just as the family is bid to bless the new princess a fairytale starts to unfold Sick as she is Gorse races to the castle with the last piece of magic the family has left a piece of the Thread of Life But that is when accident mayhem and magic combine to drive Gorse s story into the unthinkable threatening the baby and the kingdom
