The Autobiography Of Alice B Toklas:

The Autobiography of Alice B. Toklas Gertrude Stein, 2020-10-16 A witty and beautifully written account of the lives of Gertrude Stein and her wife Alice B Toklas and a fascinating look into early 20th century Paris and the development of modernist culture Written in the voice of her life partner The Autobiography of Alice B Toklas is a remarkable literary achievement By turns experimental insightful and biting satirical Stein s great biography is both deeply personal and wide ranging in its ambition As she recounts her life from the fin de siecle up to the 1930s she tells the story of the Parisian art scene including modernist masters like C zanne Matisse and Picasso the impact of World War I on contemporary France and her encounters with brilliant literary figures like Ernest Hemingway and Sherwood Anderson [The Autobiography of Alice B. Toklas](#) Gertrude Stein, 1990-03-17 Stein s most famous work one of the richest and most irreverent biographies ever written [The Biography of Alice B. Toklas](#) Linda Simon, 1991-01-01 It s fitting that Alice B Toklas wife and literary impresario of Gertrude Stein should be the subject of a biography and this is a good one sensitive and lively it s clear from this portrait that through her possessive affection she not only had a dominant influence on Stein s life but for good or ill on her highly idiosyncratic prose With her acid tongue shrewd judgment vitality and intense loyalty she was a fairly remarkable person in her self Publishers Weekly Linda Simon writes beautifully of Alice s early years in California of her Polish Jewish family of her growing alienation from her surroundings and gravitation toward artists of her awareness of the isolating burden homosexuality would force on her entertaining thoroughly researched and well written with a clear gaze fixed on undistorted truth Saturday Review A study that shows Toklas as she must have been not Miss Stein s obedient shadow but a multifaceted and complex creature with her own tastes and standards her story is an emotionally stirring experience Washington Post Book World Linda Simon in her preface to this Bison Book edition calls Alice B Toklas a woman who through a mixture of determination and good luck invented a new narrative for her life at a time when options for women were few Simon is the author of Thornton Wilder His World 1979 Good Writing 1988 and other books She is now working on a biography of William James **The Autobiography of Alice B. Toklas** Gertrude Stein, 2017-09-26 The Autobiography of Alice B Toklas is Stein s inventive memoir of how she and her Parisian friends must have looked to Alice B Toklas The book was an immediate success in the United States and has remained in print More conventional than any of Stein s previous books it describes a crucial period in cultural history with a wit charm and mock simplicity that disguised the book s brilliant inventiveness **THE AUTOBIOGRAPHY OF ALICE B. The True Story of Alice B. Toklas Anna Linzie, 2006-04 In this original and intriguing study Anna Linzie examines three mid twentieth century texts never before treated as interrelated in a book length work of literary criticism Gertrude Stein s The Autobiography of Alice B Toklas 1933 and Alice B Toklas s The Alice B Toklas Cook Book 1954 and What Is Remembered 1963 Taking these three texts as intertexts or as an assemblage of the true story of Alice B Toklas Linzie

challenges assumptions about primary authorship and singular identity that have continued to limit lesbian and feminist rereadings of autobiography as a genre and of Stein and Toklas as writers and historical figures The True Story of Alice B Toklas explores how the concept of autobiography as a primarily referential genre is challenged and transformed in relation to autobiographical texts written about the same person the same life but differently by different writers at different points in time The concept of one true story is deconstructed in the process as Linzie modifies Homi K Bhabha s almost the same but not quite not white for the purposes of this particular study as almost the same but not quite not straight The investigation moves simultaneously on the planes of textuality and sexuality in order to provisionally articulate a lesbian autobiographical subject in Linzie s reading of these three texts Linzie s study fills a gap in literary criticism where Stein s companion and her work have been more or less neglected conceptualizing the Stein Toklas sexual textual relationship as fundamentally reciprocal The True Story of Alice B Toklas provides a new critical perspective on Toklas as indispensable to Stein s literary production a cultural laborer in her own right and a writer of her own books Making a significant contribution to recent lesbian feminist reconceptualizations of the genre of autobiography this study will fascinate Stein and Toklas scholars as well as those interested in queer and autobiography studies **Autobiography Of Alice B. Toklas** Gertrude Stein,1990-03-01
