A-Z of Cardiff Dic Mortimer, 2016-06-15 Explore the fascinating history of Cardiff in this fully illustrated A Z history of the city s places and people

The Jazz Discography: A-Z Tom Lord, 1995

An A-Z of Modern America Alicia Duchak, 2002-09-09 An A Z of Modern America is a comprehensive cultural dictionary which defines contemporary America through its history and civilization The book includes entries on key people from presidents to Babe Ruth American life customs clothing and education legal religious and governmental practices multiculturalism minorities and civil rights An A Z of Modern America offers accessible and lively definitions of over 3 000 separate items The book is cross referenced and thus provides associated links and cultural connections while the appendices contain essential extra information on American institutions structures and traditions

Dig David Nichols, 2016-10-11 David Nichols tells the story of Australian rock and pop music from 1960 to 1985 formative years in which the nation cast off its colonial cultural shackles and took on the world Generously illustrated and scrupulously researched Dig combines scholarly accuracy with populist flair Nichols is an unfailingly witty and engaging guide surveying the fertile and varied landscape of Australian popular music in seven broad historical chapters interspersed with shorter chapters on some of the more significant figures of each period The result is a compelling portrait of a music scene that evolves in dynamic interaction with those in the United States and the UK yet has always retained a strong sense of its own identity and continues to deliver new stars and cult heroes to a worldwide audience

Dig is a unique achievement The few general histories to date have been highlight reels heavy on illustration and short on detail And while there have been many excellent books on individual artists scenes and periods and a couple of first rate encyclopedias there s never been a book that told the whole story of the irresistible growth and sweep of a national music culture Until now

Popular Musicology and Identity Kai Arne Hansen,Eirik Askerøi,Freya Jarman,2020-08-09 Popular Musicology and Identity paves new paths for studying popular music s entwinement with gender sexuality ethnicity class locality and a range of other factors The book consists of original essays in honour of Stan Hawkins whose work has been a major influence on the musicological study of gender and identity since the early 1990s In the new millennium musicological approaches have proliferated and evolved alongside major shifts in the music industry and popular culture Reflecting this plurality the book reaches into a range of musical contexts eras and idioms to critically investigate the discursive structures that govern the processes through which music is mobilised as a focal point for negotiating and assessing identity With contributions from leading scholars in the field Popular Musicology and Identity accounts for the state of popular musicology at the onset of the 2020s while also offering a platform for the further advancement of the critical study of popular music and identity This collection of essays thus provides an up to date resource for scholars across fields such as popular music studies musicology gender studies and media studies
