**Cherry Blossom Epiphany -- The Poetry and Philosophy of a Flowering Tree** Robin D. Gill, 2006-10 Cherry Blossom Epiphany the poetry and philosophy of a flowering tree a selection translation and lengthy explication of 3000 haiku waka senry and ky ka about a major theme from I P O O H In Praise Of Olde Haiku by robin d gill 1 Haiku Translation from Japanese to English 2 Japanese poetry 8c 20c waka haiku and senry 3 Natural History flowering cherries 4 Japan Culture Edo Era 5 Nonfiction Literature 6 Translation applied 7 You tell me If the solemn yet happy New Year s is the most important celebration of Japanese Yamato ethnic culture and the quiet aesthetic practice of Moon viewing in the fall the most elegant expression of Pan Asian Buddhism religion the subject of this book Blossom viewing which generally means sitting down together in vast crowds to drink dance sing and otherwise enjoy the flowering cherry in full bloom is less a rite than a riot a word originally meaning an uproar The major carnival of the year it is unusual for being held on a date that is not determined by astronomy astrology or the accidents of history as most such events are in literate cultures It takes place whenever the cherry trees are good and ready Enjoyed in the flesh the blossom viewing or hanami is also of the mind so much so in fact that poetry is often credited with the spread of the practice over the centuries from the Imperial courts to the maids of Edo Nobles enjoyed link verse contests presided over by famous poet judges Hermits hung poems feting this flower of flowers to say the generic flower hana in Japanese connotes cherry on strips of paper from the branches of lone trees where only the wind would read them In the Occident too flowers embody beauty and serve as reminders of mortality but there is no flower that like the cherry blossom stands for all flowers Even the rose by any name cannot compare with the sakura in depth and breadth of poetic trope or viewing practice In Cherry Blossom Epiphany Robin D Gill hopes to help readers experience metaphysically some of this alternative world Haiku is a hyper short 17 syllabet or 7 beat Japanese poem directly or indirectly touching upon seasonal phenomena natural or cultural Literally millions of these ku have been written some perhaps many times about the flowering cherry sakura and the human activity associated with it blossom viewing hanami As the most popular theme in traditional haiku haikai cherry blossom ku tend to be overlooked by modern critics more interested in creativity expressed with fresh subjects but this embarrassment of riches has much to offer the poet who is pushed to come up with something anything different from the rest and allows the editor to select from what is for all practical purposes an infinite number of ku Literary critics take note Like Rise Ye Sea Slugs 2003 and Fly ku 2004 this book not only explores new ways to anthologize poetry but demonstrates the practice of multiple readings an average of two per ku as part of a composite translation turned into an object of art by innovative clustering Book collectors might further note that while Cherry Blossom Epiphany may not be hardback it takes advantage of the many symbols included with Japanese font to introduce design ornamentation the circle within the circle the reverse Buddhist swastika etc hitherto not found in English language print It is a one of a kind work of design by the author *Bamboo Flowering and Rodent Outbreaks* T.P.

Rajendran,S. Sridhara,2009-06-09 It is the first ever attempt of consolidating plant ecology and animal response both of which affect drastically the livelihood of people depending on bamboo We sincerely hope that the book serves as a beginner's guide to understand the subject and pave way for much detailed investigations This book is a synthesis of many established facts theories and hypotheses of plant and animal ecology with which lives of bamboo dependent human population is intricately interwoven     **Entangled Lives** Joy L. K. Pachuau,Willem van Schendel,2022-11-10 This book considers three questions about understanding the past How can we rethink human histories by including animals and plants How can we overcome nationally territorialised narratives And how can we balance academic history writing and indigenous understandings of history This is a tentative foray into the connections between these questions Entangled Lives explore them for a large area that has seldom been explored in academic inquiry The Eastern Himalayan Triangle includes both uplands and lowlands The region is the meeting point of three global biodiversity hotspots connecting India and China across Myanmar Burma Bangladesh and Bhutan The Triangle is treated as a multispecies site in which human histories have always been utterly intertwined with plant and animal histories It foregrounds that history is co created it is always interspecies history but that its contours are locally specific     ,     The Indian Forester ,1912     And the Bamboo Flowers in the Indian Forests Manorama Savur,2003     Introduction to Chinese Embroidery Hongfu Li,2024-10-15 This book provides a comprehensive introduction to Chinese embroidery including its history styles in different regions patterns techniques and its appreciation It serves as the first guidebook in the international community for scholars students either at undergraduate or postgraduate level artists and other interested general audience to get a bird's eye view of Chinese embroidery Through this book readers will not only acquire a general understanding of this brilliant folk art but also be carried away by the sophistication and exquisiteness of a legion of embroidery works created by Chinese artists     *The Reason I Love Flower* Lee Jeon-Rok,2025-02-14 This collection is the second poetry collection by author Lee and consists of 173 poems in 5 parts as follows The reason I Love Flowers I Call Them Gods Happiness is Growing I will Love Even After I Die The Flower That the Wind Lovers This poetry collection visualizes love as a flower and compares all the emotions felt through love to flowers and it is a poetry collection filled with poems that sing love is realizing being human Author told that the realization of love is the realization of being human He sheds endless tears while contemplating the flowers blooming sadly He is desperately waiting for the flowers to bloom and fully bloom Can the song of flowers be this beautiful To love is to discover the pure self within Pure flowers beautifully purify our Hearts Flowers are being that brighten up the worn out world This is the reason he loves flowers     The Gardeners' Chronicle ,1891     Handbook of Flowering Abraham H. Halevy,2019-07-23 These volumes are an exhaustive source of information on the control and regulation of flowering They present data on the factors controlling flower induction and how they may be affected by climate and chemical treatments For each plant specific information is provided on all aspects of flower development including sex expression requirements for flowering initiation and
