Selected Poems of Cavafy C. P. Cavafy, 2008-03-27 C P Cavafy is one of the most singular and poignant voices of twentieth century European poetry conjuring a magical interior world through lyrical evocations of remembered passions imagined monologues and dramatic retellings of his native Alexandria's ancient past Figures from antiquity speak with telling interruptions from the author in such poems as Anna Comnena and You did not understand while precise moments of history are seen with a sense of foreboding as in Ides of March The God Abandoning Antony and Nero's Deadline And in poems that draw on his own life and surroundings Cavafy recalls illicit trysts or glimpses of beautiful young men in One Night I have gazed so much and The Caf Entrance and creates exquisite miniatures of everyday life in An Old Man and Of the Shop

Bury, 2024-01-01 The classic reference on the breaking up of the Roman Empire by the Germanic peoples from a great historian as readable and provocative as ever Robert Conquest Written by the classical scholar and historian in 1928 The Invasion of Europe by the Barbarians gives readers a broad overview of the migratory movements of the northern barbarians that brought about the end of the Roman Empire While West Germans turned to agriculture to survive their geographical expansion was arrested by the power of Rome the East Germans beyond the Elbe were free to continue their wanderings Driven by the needs of a growing population they continued to encroach upon their neighbors beginning a process that would shape Europe into its present form The Goths the Vandals the Gepids the Burgundians the Lombards and others would make their mark on history ushering in a new era from the ancient to the medieval **Thinking Its Presence** Dorothy J. Wang, 2013-12-04 When will American poetry and poetics stop viewing poetry by racialized persons as a secondary subject within the field Dorothy J Wang makes an impassioned case that now is the time Thinking Its Presence calls for a radical

rethinking of how American poetry is being read today offering its own reading as a roadmap While focusing on the work of five contemporary Asian American poets Li Young Lee Marilyn Chin John Yau Mei mei Berssenbrugge and Pamela Lu the book contends that aesthetic forms are inseparable from social political and historical contexts in the writing and reception of all poetry Wang questions the tendency of critics and academics alike to occlude the role of race in their discussions of the American poetic tradition and casts a harsh light on the double standard they apply in reading poems by poets who are racial minorities This is the first sustained study of the formal properties in Asian American poetry across a range of aesthetic styles from traditional lyric to avant garde Wang argues with conviction that critics should read minority poetry with the same attention to language and form that they bring to their analyses of writing by white poets *Step Across This Line* Salman Rushdie,2010-11-05 From one of the great novelists of our day a vital brilliant new book of essays speeches and articles essential for our times *Step Across This Line* showcases the other side of one of fiction s most astonishing conjurors On display is Salman Rushdie s incisive thoughtful and generous mind in prose that is as entertaining as it is topical The world is here captured in pieces on a dazzling array of subjects from New York s Amadou Diallo case to the Wizard of Oz from U2 to fifty years of Indian writing from a tribute to Angela Carter to the struggle to film *Midnight s Children* The title essay was originally delivered at Yale as the 2002 Tanner lecture on human values and examines the changing meaning of frontiers in the modern world moral and metaphorical frontiers as well as physical ones The collection chronicles Rushdie s intellectual journeys but it is also an intimate invitation into his life he explores his relationship to India through a moving diary of his first visit there in over a decade *A Dream of Glorious Return* *Step Across This Line* also includes *Messages From the Plague Years* a historic set of letters articles and reflections on life under the fatwa Gathered together for the first time this is Rushdie s humane intelligent and angry response to a grotesque threat aimed not just at him but at free expression itself *Step Across This Line* Salman Rushdie s first collection of non fiction in a decade has the same energy imagination and erudition as his astounding novels along with some very strong opinions **China** Great Britain. Niskala,2009-12-26 Rhinehoth Centuries ago a great castle was built in the mountains of Germany s Black Forest Its ancient guardians still thrive in its walls forever protecting its dark secrets holding captive an enemy that threatens their very existence Foretold is a story of an ancient warrior that is to return to the castle to free the captive Vampire Prince Simon Roberts was a petty thief who fled England to escape Scotland Yard after a series of unsuccessful jewelry store heists He was recruited to do a job in Germany where he was to simply drive the get away car while providing a look out He thought this was going to be an easy job and a way to break into the German crime scene But things go terribly wrong and he ended up being the only survivor of the botched heist Simon is quickly sentenced to a prison called Rhinehoth This is where Germany sent the worst of the worst surely not a place for a petty thief such as himself Rhinehoth is a great German castle that was converted in the late 1930 s to a Stalag for war criminals of World War II The converted prison s modern day inhabitants are relentlessly tortured starved and sleep deprived This contributes to the prisoners delusional visions that help hide the truth and keeps Rhinehoth s secrets Their captors are the army of Werewolves who have survived the centuries off the very flesh and blood of Germany s worst forgotten criminals Simon imprisoned becomes plagued with visions from his subconscious ancient past with confusion of his modern day consciousness He discovers through his visions that he is the ancient warrior Guthrie who has come to free the Vampire Prince and all the captives while saving the world from a dark plan of biblical proportions that has been orchestrated over the centuries **The Book of the Elders** ,2012-05-01 In the early part of the fourth century a few Christians mostly men and some women began to withdraw from the world to retreat into the desert there to practice their new religion more seriously The person who aspired to renounce the world first had to find an elder a person who would accept him as a disciple and apprentice To his elder whom he would address as abba father the neophyte owed complete obedience from his abba he would receive provisions as it were for the road to virtue In addition to the abba s own example of living there was the verbal teaching of the elders in sayings and tales setting out the theory and practice of the eremitic life In due course these sayings or apophthegmata were written down and later collected and codified The earliest attempts to codify tales and sayings are now lost As the collection grew they were first organized alphabetically according to the name of the abba who spoke them in a major collection known as the Apophthegmata Patrum Alphabetica A supplementary collection the Anonymous Apophthegmata followed Later both collections were combined and arranged systematically rather than alphabetically This collection was created sometime between 500 and 575 and later went through a couple of major revisions the second of which appeared sometime before 970 This second revision was published in an excellent new critical edition with a French translation in 1993 Now in The Book of the Elders John Wortley offers an English

translation of this collection based entirely on the Greek of that text      *The International Relations of the Chinese Empire ... With Illustrations, Maps, and Diagrams* Hosea Ballou Morse, 1910      **The International Relations of the Chinese Empire** Hosea Ballou Morse, 1910

**Osip Mandelstam** Ralph Dutli, 2023-05-30 The personal and political life of the iconic Russian poet Osip Mandelstam is graphically portrayed in this lavishly illustrated book This is the first full scale biography of Osip Mandelstam to combine an analysis of his poetry with a description of his personal life from his beginnings as a young intellectual in pre revolutionary Russia to his final fate as a victim of Stalinism The myth has grown up that Mandelstam was a gloomy miserable figure Dutli deconstructs this stressing Mandelstam's enjoyment of life There are several underlying themes here One is Mandelstam's Jewish background in pre 1914 Russia which he rejected as a young man but reaffirmed in later life Another is the inescapable impact of Russia's political and social transformation His evolution as a poet naturally occupies a large place in the biography which quotes many of his most famous poems including his devastating anti Stalin epigram He produced wonderful poetry before the October Revolution but did not reach his full poetic stature until the 1930s when in exile in Voronezh He was never an official Soviet poet and it was only thanks to the intervention of Bukharin that he was brought back from utter impoverishment The biography gives full weight to his emotional life beginning with his friendship with two other Russian poets Marina Tsvetaeva and Anna Akhmatova followed by love and marriage to Nadezhda Khazina
